

A Defining Moment: The Campaign for Cottey College is a \$35 million campaign to achieve our strategic goals. More importantly, this campaign is about doing what is necessary to make a Cottey education available and attractive to more young women from across the country and around the world.

Mission

Cottey College, an independent liberal arts college, educates women to be contributing members of a global society through a challenging curriculum and a dynamic campus experience. In our diverse and supportive environment, women develop their potential for personal and professional lives of intellectual engagement and thoughtful action as learners, leaders, and citizens.
