FUTURE COTTEY STUDENTS

Thank you for your interest in Cottey and becoming a part of the grand tradition of women’s colleges.

At Cottey College, our goal is to inspire you to take charge of your own destiny and achieve extraordinary success.

The pages that follow comprise the official academic publication of the College, and contain information about the curriculum, graduation requirements, student services, and the academic rights and responsibilities of our students.

We want you to gain a sense of Cottey’s commitment to our students and the unique environment of Cottey College in and out of class.

We see you as you are; current and future leaders in our global society.

Cottey’s commitment to our students is simple. We are committed to ensuring your success throughout your Cottey career and after – no matter where life will take you.

The Admission and Financial Aid section of this catalog outlines the steps necessary to become a Cottey Comet, spectacular and rare!

For all that is beyond these pages, email us at admit@cottey.edu, call us at 1-888-5-COTTEY or 1-888-526-8839, or visit us online at www.cottey.edu and in-person at 1000 W. Austin Blvd. Nevada, MO 64772.

## 2017-2018 ACADEMIC CALENDAR

### August
- **18th**: Friday
  - Residence Halls Open for New Students Only
- **19-22nd**: Saturday-Tuesday
  - Orientation
- **20th**: Sunday
  - Residence Halls Open for Returning Students
- **21st**: Monday
  - Advising; Registration
- **22nd**: Tuesday
  - Classes Begin
- **28th**: Monday
  - Opening Convocation
- **30th**: Wednesday, 5 p.m.
  - Deadline for Adding Classes

### September
- **4th**: Monday
  - Labor Day; No Classes
- **5th**: Tuesday, 5 p.m.
  - Deadline for Dropping Classes Without Fee and Without Notation of W on Transcript
- **22-24th**: Friday-Sunday
  - Family Weekend

### October
- **9th**: Monday
  - Mid-Semester Break; No Classes
- **10-13th**: Tuesday-Friday
  - Mid-Semester Exam Week

### November
- **15th**: Wednesday, 5 p.m.
  - Deadline for Withdrawal From Classes
- **22-24th**: Wednesday-Friday
  - Thanksgiving Break
- **27th**: Monday
  - Classes Resume

### December
- **8th**: Friday
  - Last Day of Classes
- **11-14th**: Monday-Thursday
  - Final Exam Week
- **14th**: Thursday, 5 p.m.
  - Winter Break Begins; Residence Halls Close

### January
- **6th**: Saturday, 2 p.m.
  - Residence Halls Open, Orientation for New Students
- **8th**: Monday
  - Class Changes, Registration for New Students, Classes Begin
- **15th**: Monday
  - Martin Luther King Day; No Classes
- **16th**: Tuesday, 5 p.m.
  - Deadline for Adding Classes
- **19th**: Friday, 5 p.m.
  - Deadline for Dropping Classes Without Fee and Without Notation of W on Transcript

### Feb/March
- **26-2nd**: Monday-Friday
  - Mid-Semester Exam Week

### March
- **3rd**: Saturday, 9 a.m.
  - Spring Break Begins; Residence Halls Close
- **17th**: Saturday, 2 p.m.
  - Residence Halls Open
- **19th**: Monday
  - Classes Resume

### April
- **6-8th**: Friday-Sunday
  - Founder’s Weekend
- **13th**: Friday, 5 p.m.
  - Deadline for Withdrawal From Classes
- **18th**: Wednesday
  - Assessment Day

### May
- **4th**: Friday
  - Last Day of Classes
- **7-10th**: Monday-Thursday
  - Final Exam Week
- **11th**: Friday, 10 a.m.
  - Writing Awards Ceremony
- **11th**: Friday, 7:30 p.m.
  - Baccalaureate Service
- **12th**: Saturday, 10 a.m.
  - Honors and Awards Convocation
- **12th**: Saturday, 7 p.m.
  - Capping
- **13th**: Sunday, 10 a.m.
  - Commencement *(all students are encouraged to attend)*
- **13th**: Sunday, 5 p.m.
  - Residence Halls Close

EQUAL OPPORTUNITY POLICY

Cottey College is committed to providing equal opportunity to its students and employees in all aspects of campus life. The College does not unlawfully discriminate in educational programs, recruitment and admissions of applicants, school-administered activities or programs, or employment opportunities, policies, or practices on the basis of race, religion, color, national origin, citizenship, age, disability, veteran status, sexual orientation, or any other status protected by law.

Full information on Cottey’s equal opportunity policy, including contact for disability services, is on page 118.
FROM THE PRESIDENT

I am proud to be the President of a dynamic, nationally recognized College committed to higher education for women. Founded in 1884, Cottey is unique as the only college owned by a nonsectarian women’s organization, the P.E.O. Sisterhood. The founder of Cottey College, Virginia Alice Cottey, presented her College to the P.E.O. Sisterhood in 1927 because the organization shared her commitment to providing education for women. The P.E.O. Sisterhood has built on the vision of the Founder by generously supporting the College through annual dues, gifts, and stewardship of the College.

Virginia Alice Cottey wrote in the first catalog: “We have endeavored to make our course of study thoroughly practical and adapted to the needs of young women of the present day.” Cottey College continues to meet the educational needs of women in the twenty-first century by maintaining high academic standards and offering a rigorous liberal arts and sciences curriculum, enriched by opportunities for personal growth through cultural, residential, and international experiences.

This catalog outlines courses of study in the arts and sciences designed to prepare students for baccalaureate, as well as associate, degrees and for leadership roles as responsible, engaged citizens of a complex global society. A Cottey education focuses on enhancing intellectual ability, knowledge of the liberal arts, and personal development.

The academic program is reviewed and revised regularly by the College’s faculty to ensure that it meets the needs of our students. The baccalaureate programs include a solid grounding in the liberal arts coupled with in-depth study of the degree-specific subject matter. Students work side-by-side with classmates and professors, are engaged in research from the first year forward, and have opportunities for internships and study abroad experiences. Upon completing a baccalaureate degree, students are ready for the next step, either the workforce or graduate school. Students who choose to earn an associate degree report that they arrive at transfer institutions well prepared to face the challenges of completing their degrees.

I am blessed and honored to lead an institution with a distinguished history and a commitment to continued growth and accomplishment. The merging of past and present on an historic campus that prepares students for the demands of a technological world, the small and supportive campus community that recognizes and prepares students for the challenges of a global society, the devotion of the Cottey community to mutual support and learning—these are the features that distinguish this College.

I invite you to be a part of this amazing institution.

Dr. Jann Weitzel
A LEGACY OF EXCELLENCE

Virginia Alice Cottey was a woman of vision. Guided by the belief that women deserved the same education as men, she founded Cottey College in 1884 to educate women to be “knowledgeable, thinking, mature adults.”

Backed by the $3,000 she and her sisters had saved, Virginia Alice Cottey opened Vernon Seminary on September 8, 1884, in Nevada, Missouri. In 1886, the founder proudly renamed her school Cottey College.

It was important to the founder that a Cottey education be of the highest caliber. As president, Virginia Alice Cottey maintained strict curriculum guidelines. In the 1904-05 catalog she wrote:

We have endeavored to make our course of study thoroughly practical and adapted to the needs of young women of the present day. It has been arranged with a special view of making our pupils accurate thinkers, and...also of giving them a love for good books and a strong desire for further research...

In 1926, Virginia Alice Cottey became a member of the P.E.O. Sisterhood (philanthropic educational organization) and realized that the organization’s educational purposes matched the principles by which she guided her College. Deciding that P.E.O. and Cottey belonged together, she presented the College to the P.E.O. Sisterhood in 1927.

With the support of the P.E.O. Sisterhood, Virginia Alice Cottey’s dream continued. In 1939, the founder was present for the dedication of P.E.O. Hall, a residence hall that allowed for enrollment to increase. In 1941, the College was accredited by the North Central Association of Colleges and Schools, after many years of work.

Virginia Alice Cottey died July 16, 1940, at the age of 92. Her devotion to her ideals encouraged the aspirations of Cottey faculty, students and alumnae for 56 years. Her dream and its guiding principle, as stated in the 1907-08 catalog continues to inspire:

The College was founded...for the purpose of affording [women] superior facilities for obtaining a thorough, practical, yet liberal education, at very reasonable rates...A strong faculty, trained in the best colleges and universities, will strive in every legitimate way to awaken and deepen the interest necessary to success.

In the years following, the College expanded the physical plant and the student body. In 1949, the College welcomed international students, and became known as the “College of World Friendship.” Cottey College’s commitment to women’s education remained firm and viable during the turbulent 1960s and 1970s when some women’s colleges were unable to respond to the increasing academic interests of women. Cottey celebrated its centennial in 1984 with the theme “A Century of Commitment to Women.”

Cottey celebrated the inauguration of its 12th president, Dr. Jann Rudd Weitzel, on October 22, 2016. Dr. Weitzel believes that the College’s purpose—to educate women—is as relevant today as it was when it was founded. Virginia Alice Cottey’s legacy is an institution committed to inspiring in student a love of learning, a desire for knowledge, and a will to be contributing citizens. Her legacy is one of excellence.
Cottey is a women’s college that focuses on educating women to become learners, leaders, and citizens. Women who attend Cottey receive the full support of a close-knit community, a faculty devoted to undergraduate teaching, and a range of co-curricular learning opportunities to prepare them for a dynamic future.

A Cottey education incorporates three important themes: women’s leadership, social responsibility, and global awareness. All of the College’s degree programs begin with a liberal arts foundation, which prepares students to deal with complexity, diversity, and change, and challenges students to explore a range of academic disciplines.

Cottey’s baccalaureate programs extend the liberal arts foundation with a focus on an academic discipline that will lead students to a career or graduate study. Students earning an associate degree at Cottey are able to transfer successfully to institutions across the country, or they may choose to stay at Cottey to earn a Bachelor of Arts or Bachelor of Science degree.

Cottey professors have earned degrees from excellent higher education institutions. Over ninety percent of faculty members hold the highest degree in their field. As scholars and outstanding educators, Cottey’s faculty members are committed to encouraging curiosity and thoughtful inquiry. In small classes, students explore concepts, express ideas, and are challenged to excel.

The College has in place excellent resources dedicated to the education of women. Well-equipped classrooms and laboratories, a commitment to the use of technology to enrich learning, and internship and volunteer opportunities abound. Leadership development programs at both the associate and baccalaureate levels are open to all students.

Cottey students live and study with other women from across the nation and around the world. In this context of both diversity and community, significant opportunities exist for personal growth. Cottey’s unique apartment-style suites contribute to building friendships and give students the chance to learn about themselves and others.

A highlight of a Cottey education is a sophomore-level trip paid for by the College, with very little additional cost to the student. Trip destinations include major European cultural centers (London, Paris, Madrid, Barcelona, Florence, and Rome), as well as trips to New Zealand, Japan, Peru, Thailand, and Tanzania.

Women who attend Cottey share a common experience – the ability to shape their destiny based on the intellectual motivation and excellent academic preparation that they receive.
MISSION, VISION, and CORE VALUES

A Cotey education is guided by our mission, inspired by our vision, and grounded in our core values. These three statements combine to provide the foundation for learning and living.

MISSION

Cotey College, an independent liberal arts and sciences college, educates women to be contributing members of a global society through a challenging curriculum and a dynamic campus experience. In our diverse and supportive environment, women develop their potential for personal and professional lives of intellectual engagement and thoughtful action as learners, leaders, and citizens.

VISION

Cotey College will be a higher education institution of choice for women of diverse backgrounds who seek access to world class exceptional educational programs. A Cotey education will focus on three guiding threads: leadership, social responsibility, and global awareness. With care and respect for each student, we will empower women to enrich their lives, realize their full potential, and make valuable contributions to society. Cotey College will be a growing, vibrant, distinctive, and selective college for women, well known and respected for programs delivered in multiple and accessible formats, up-to-date facilities, and academic excellence.

CORE VALUES

Cotey College’s core values are grounded in tradition and history as set forth by founder Virginia Alice Cotey and supported by the ownership of the P.E.O. Sisterhood. These six values clarify our identity, past, present, and future.

Educate Women to be knowledgeable and thinking members of a global society.

Promote Intellectual Growth through the study of science, culture, and society, and the development of strong practical skills, including communication, analysis, and problem-solving.

Cultivate Responsibility to encourage positive contributions from women through their personal and professional lives.

Respect Difference by creating a climate of openness and appreciation of a diversity of ideas, perspectives, cultures, experiences, and contributions that comprise a multi-cultural society.

Broaden Global Perspectives by immersing students in new cultures and experiences, and enhancing their understanding of the interconnectedness of our global economy and cultural practices.

Pursue Thoughtful Action by cultivating an atmosphere of inquiry, integrity, honesty and mutual respect.

Develop Women’s Leadership by providing opportunities to grow intellectually, socially, aesthetically, spiritually, and physically in order to realize individual potential.
HONOR CODE

The Honor Code of Cottey College defines and expresses the ethical spirit in which we, the members of the Cottey community, pursue the education of women. Recognizing that a community of learning cannot function well without respect for basic moral order, we also understand that the furthering of excellence requires still greater commitments. Thus, in addition to basic moral principles, we also affirm Virginia Alice Cottey’s emphasis on the development of excellent personal character, and the more specific ethical standards of the professional associations that oversee the conduct and quality of higher education.

We, the members of the Cottey College community, commit ourselves to act with

1. Personal responsibility.
2. Academic honesty and integrity of word.
3. Moral respect for persons and their property.
4. Ethical concern for the good of the College community and the broader society of humankind.

Embracing these ideals, we aim for the ongoing fulfillment of the mission of this college as a center of higher, humane learning.

STUDENT LEARNING OUTCOMES

A successful Cottey student…

Recognizes the Roles of Women
A Cottey student demonstrates understanding of women’s past, current, and developing contributions.

Enriches Her Knowledge
A Cottey student demonstrates understanding of ideas from a variety of academic disciplines.

Thinks Critically
A Cottey student explores issues before accepting arguments or forming conclusions of her own.

Communicates Effectively
A Cottey student uses appropriate means to communicate clearly.

Solves Problems
A Cottey student creates solutions, integrating and applying knowledge and skills across areas of study and experience.

Respects Diversity
A Cottey student is attentive to cultural contexts, compares and contrasts patterns, and respects differences.

Collaborates Successfully
A Cottey student respectfully engages others to foster a supportive environment, and contributes ideas and effort to advance the work of a group.

Acts Responsibly
A Cottey student is reflective and acts ethically as a personally and socially responsible member of global, national, and local communities.
ACADEMIC PROGRAMS

THE SERENBETZ INSTITUTE FOR WOMEN’S LEADERSHIP, SOCIAL RESPONSIBILITY, AND GLOBAL AWARENESS

The Institute for Women’s Leadership and Social Responsibility, established in the fall of 2010, supports Cottey College’s mission to promote the education of women as “learners, leaders, and citizens.” In 2014, the Institute was named in recognition of a major gift to the college by Thelma Serenbetz. The Institute’s vision is to become a premier women’s leadership program, employing focused research, innovative instruction, and life-long mentorship to equip Cottey graduates for excellence of responsible leadership globally.

Each Cottey four-year baccalaureate program incorporates the three vital themes for which the Institute is named: the themes of women’s leadership, social responsibility, and global awareness. Under the auspices of the Institute, these same emphases shape still further courses and events offered to the Cottey campus and Nevada community. While some of these offerings may be incorporated directly into the classroom, others may include special workshops, conferences, or speakers.

Specific initiatives sponsored and promoted by the Institute include the following:

1. Undergraduate Research Grants for students and faculty to pursue research on leadership and its development within their academic disciplines
2. Leadership Immersions, involving academic study or personal enrichment travel concerning women’s leadership, social responsibility, or global awareness in students’ disciplines
3. Summer Leadership Internships, providing opportunities for students to explore leadership within a community, governmental, political, or non-profit organization
4. A leadership library, with educational resources, assessments, supplies, and technology
5. The hosting of the LUNAFEST film festival, established in 2000 by LUNA, makers of the Whole Nutrition Bar for Women. The festival features short films by women cinematographers, connecting women, their stories and their causes
6. Seminars, speakers, and workshops that promote understanding of issues influencing women’s leadership in a changing world
7. The annual Distinguished Speakers’ Series, as well as other forums and academic venues promoting dialogue on issues of women’s leadership in a global context.
8. Baccalaureate courses in Leadership Studies, with an emphasis on Women’s Leadership. These courses contribute also to the Certificate in Organizational Leadership.
DEGREE PROGRAMS

Cottey College offers a number of degree options to match student needs. Cottey baccalaureate graduates are well prepared to enter the world of work and for advanced study in graduate school or law school. Additionally, there are associate (two-year) degrees available to Cottey students.

BACCALAUREATE DEGREE PROGRAMS

Cottey College offers twelve Baccalaureate Degree Programs:

- Bachelor of Arts in Business Administration – Management  
  (See page 18)
- Bachelor of Arts or Bachelor of Science in Criminology  
  (See page 20)
- Bachelor of Arts in English  
  (See page 22)
- Bachelor of Arts in Environmental Studies  
  (See page 24)
- Bachelor of Arts in International Business  
  (See page 18)
- Bachelor of Arts in International Relations  
  (See page 26)
- Bachelor of Arts in Liberal Arts  
  (See page 28)
- Bachelor of Arts in Organizational Leadership  
  (See page 30)
- Bachelor of Arts in Psychology  
  (See page 32)
- Bachelor of Arts or Bachelor of Science in Secondary Education  
  (See page 34)
- Bachelor of Arts in Women, Gender, & Sexuality Studies

BACHELOR DEGREE REQUIREMENTS FOR GRADUATION

To receive a Bachelor of Arts (BA) or Bachelor of Science (BS) degree, students must do the following:

1. Declare a major offered at Cottey College. This requires completion of the declaration of major form, signed by the relevant department coordinator, and submitted to the Office of Academic Records.

2. Complete the degree requirements that are published in the catalog for either the academic year of the student’s first regular enrollment at Cottey College or the academic year in which the student declares her major.
   a. This catalog’s requirements for the B.A. includes the following:
      i. Earn 120 semester hours of course credit, with a minimum grade point average of 2.00 in the hours presented for graduation.
         a. No more than 8 hours of credit in physical activity/dance activity courses may be counted toward the minimum 120 credit hours required for graduation.
         b. Forty-five hours earned toward graduation must be taken at Cottey.
         c. The student must be in residence at Cottey during at least two semesters of the third and fourth year, combined.
      ii. Complete an approved academic major as certified by the department and receive at least a “C” on the senior project in the major.
      iii. Complete General Education Core Requirements
   b. This catalog’s requirements for the B.S. includes the following:
      i. Earn 120 semester hours of course credit, with a minimum grade point average of 2.00 in the hours presented for graduation.
         a. No more than 8 hours of credit in physical activity/dance activity courses may be counted toward the minimum 120 credit hours required for graduation.
         b. Forty-five hours earned toward graduation must be taken at Cottey.
         c. The student must be in residence at Cottey during at least two semesters of the third and fourth year, combined.
      ii. Complete an approved academic major as certified by the department and receive at least a “C” on the senior project in the major.
      iii. Complete the General Education Core Requirements.

3. Meet all financial obligations.

4. If wishing to participate in commencement exercises, the student must submit an “Intent to Graduate” form to the Office of Academic Records no later than the first week of classes in the spring semester preceding the May graduation of their choosing.

NOTE: • Students who complete graduation requirements after participating in a Cottey associate degree graduation ceremony may elect to meet the degree requirements in effect their last year in residence at Cottey.

• A student who fails to complete all the requirements for a Cottey BA or BS degree within eight calendar years of her enrollment as a first-time freshman will be required to meet degree and major requirements in effect one of the four academic years immediately preceding her graduation. The student selects which year within the four-year period that will affect her requirements, but both the major requirements and the general degree requirements must be those in effect for one and the same academic year.
ASSOCIATE DEGREE PROGRAMS

Cottey College offers the following Associate Degrees:

- **Associate in Arts (A.A.)**
- **Associate in Arts - Music (A.A.M.)**
- **Associate in Fine Arts (A.F.A.),** with an emphasis in Art, Dance, or Theatre
- **Associate in Science (A.S.)**

Associate Degree programs are focused on the first two years of a liberal arts education and are designed to prepare students to continue to the baccalaureate level and beyond. After two years of concentrated study and work with dedicated faculty, Cottey associate degree graduates may transfer to institutions across the country or remain at Cottey to complete a Bachelor of Arts or Bachelor of Science degree in one of twelve majors.

While Cottey associate degree students commence their undergraduate careers at Cottey, they and the entire Cottey community proceed with the expectation that Associate Degree seeking students will accomplish their ultimate undergraduate goals at Cottey or at other baccalaureate institutions. A Cottey education includes the development of student abilities and identification of strengths, values, goals, and areas of interest. Students who opt to transfer to another college may receive assistance in the selection of transfer institutions. Many Cottey associate degree graduates continue their education by remaining at Cottey or transferring to a wide variety of institutions. Regardless of their choice, Cottey associate degree graduates report that they are extremely well prepared to declare a major and to excel academically.

**ASSOCIATE DEGREE REQUIREMENTS FOR GRADUATION**

To receive an associate degree, students must do the following:

1. Fulfill the graduation requirements as set forth in the catalog which is in effect when the student enters the College.
   
   a. The associate degrees require the completion of at least 62 credit hours with a cumulative grade point average (GPA) of 2.0 or higher.
   
   b. Twenty-seven credit hours of the 62 required hours for graduation must be earned at Cottey College.

2. Meet all financial obligations.

3. If wishing to participate in commencement exercises, the student must submit an “Intent to Graduate” form to the Office of Academic Records no later than the first week of classes in the spring semester preceding the May graduation of their choosing.
GENERAL EDUCATION CORE REQUIREMENTS

Core Requirements in liberal arts coursework at Cottey are listed below.

All Cottey degrees require the fulfillment of the General Education Core Requirements. In addition to fulfilling the general education core requirements, all baccalaureate degrees require also the fulfillment of additional degree requirements inside or outside the major.

**Liberal Arts Core Curriculum**

**College Skills**
- FWS 101 First Year Writing Seminar 3 credits

**Writing**
- WRI 102 College Writing 3 credits

**Mathematics**
- MAT 103 College Algebra or higher 3 credits

**Scholarly Inquiry**
- **The Fine Arts (from list)** 3 credits
- **The Humanities (from list)** 3 credits
- **The Sciences (from list)** 4-5 credits
  - Lecture (AST/BIO/CHE PHY) & Lab
- **The Social Sciences (from list)** 3 credits

**Women, Gender, & Sexuality Studies (WGS)**
- **The Women, Gender, & Sexuality Studies (WGS) requirement may be taken as part of another requirement.** 3 credits

**Wellness**
- **Activity (from list) - 2 courses (2 credits)**
  - OR
- **Theory/Activity**
  - PHE 139 Lifetime Fitness Concepts (3 credits)

**Total Core Credits** 27-29 credits

BACCALAUREATE DEGREE PROGRAM DESCRIPTIONS AND REQUIREMENTS

BACHELOR OF ARTS in BUSINESS ADMINISTRATION - MANAGEMENT
BACHELOR OF ARTS in INTERNATIONAL BUSINESS

Faculty: Professor Lunkenheimer, Assistant Professor Chelminska, and Assistant Professor Clyde.

A core of basic business courses provides the foundation for students entering a number of fields, such as accounting, business administration, economics, finance, human resource management, international business, management, and marketing. Students are assisted in planning schedules to fit as closely as possible the needs of their particular fields of study. Cottey offers all the typical business course pre-requisites required if a student is planning to transfer for a different business major. Cottey offers two bachelor degrees in business: Business Administration-Management, as well as International Business with a semester long study abroad component, with the choice depending on the student’s preference.

All business students are encouraged to get involved at Cottey. Students interested in business should considering becoming a part of the campus community with activities such as joining PBL—Phi Beta Lambda, a competitive collegiate business organization; or becoming a Golden Key—Cottey’s student ambassador program. A student may complete all four levels of Cottey’s LEO-Leadership, Experience, Opportunity program or pursue the Certificate in Organizational Leadership through the Serenbetz Institute for Women’s Leadership, Social Responsibility, and Global Awareness. Business students should strongly consider such elective courses as Public Speaking, Interpersonal Communications, Beginning Golf, and Beginning Acting.

Students who complete course offerings in the department will show progress in program goals:

Program Goals: Business Administration-Management

1. Students will communicate clearly and effectively in English using business and economic terminology and concepts in a variety of contexts with appropriate technology.

2. Students will identify and analyze qualitative and quantitative information to develop appropriate courses of action.

3. Students will integrate relevant cultural, social, political, historical, geographic and environmental factors into the analysis of business issues and the development of an appropriate course of action.

The International Business Department prepares students for postgraduate study as well as for careers in government, business, or any multinational endeavor. All International Business majors take courses in business and international business, in addition to completing a major capstone course. The major in International Business includes basic knowledge of accounting, marketing, management, and finance and extends this knowledge through classes in global business, multinational finance, and international management. This major includes meeting a foreign language requirement prior to graduation.

Program Goals: International Business

1. Students will communicate clearly and effectively in English using business and economic vocabulary and concepts in a variety of contexts with appropriate technology.

2. Students will identify and analyze qualitative and quantitative information to develop appropriate courses of action.

3. Students will integrate relevant cultural, social, political, historical, geographic and environmental factors into the analysis of business issues and the development of an appropriate course of action.

4. Students will increase awareness and knowledge of cultural diversity in international business settings regarding management and operations.

- Business Administration-Management: 27
- Total Hours in Major: 77
- General Education Core Requirements: 27-29
- Minimum Hours Required for Graduation: 120
BACHELOR OF ARTS or BACHELOR OF SCIENCE IN CRIMINOLOGY

Criminology as a field integrates the study of the criminal mind, the causes of crime and delinquency, an understanding of the criminal justice system as well as how criminals are perceived in society. As a discipline it bridges theoretical and sociological concerns with that of practical applications in the criminal justice system. Because Cottey is a liberal arts institution, the criminology program emphasizes critical thinking through interdisciplinary perspectives rather than vocational training solely in criminal justice. As such, the criminology curriculum integrates core criminology and criminal justice focused courses with additional coursework options in sociology, psychology, international relations, political science, and beyond. Nevertheless, students will intern with local agencies at which they gain direct experience and practical skills. Therefore, with this degree, students can easily pursue entry-level employment in a range of positions, or continue on in a variety of graduate degrees.

The program offers a B.A. and a B.S. track. Although the B.A. degree is the most common, some criminology or sociology programs with a criminology emphasis offer B.S. degrees solely or as well as B.A. degrees. B.S. programs tend to emphasize more data analysis than others. For those students more interested in the forensics science side of criminology as well as computer and quantitative data analysis, the B.S. track would be ideal.

Students choose the B.A. option (45-46 credits in the major) or the B.S. option (48-51 credits in the major). After the core requirements, the remaining 30 credits for the B.A. track have two interdisciplinary emphases: 1) criminal justice, law, and ethics; and 2) social sciences and women’s leadership. For the B.S. the remaining 33-35 credits include these two emphases but with less requirements in the second and an additional emphasis in investigation and data analysis. See these requirements and courses below. All courses listed with CRM or XX course numbers are currently undergoing the approval process in Cottey’s curriculum, while others are already approved.
Bachelor of Arts in Criminology Requirements

Please note: The Criminology program is under construction at the time that this catalog is going to print. The interested student should meet with her advisor for updated information, as well as for guidance in meeting the requirements of the degree.

Research Methods (Choose one from the following):
- IDS 312 Qualitative Research Methods 4
- INR 320 Quantitative Research Methods in Social Sciences 3
- PSY 310 Research Methods in Psychology I 3
- PSY 311 Research Methods in Psychology II 3

Capstone
- CRM 220 Senior Capstone in Criminology 3

Criminal Justice, Law, & Ethics Emphasis 12
Choose four
- POL 131 Public Administration 3
- POL 141 Public Policy 3
- PHI 205 Ethics 3
- INR 340 International Law 3
- INR 305 Terrorism 3
- CRM 220 The Criminal Justice System 3

Social Sciences & Women’s Leadership Emphasis
For the B.A. degree, choose six: 18
(At least one must be a WLS course, and two 300+ level)
For the B.S. degree, choose four: 12
At least two must be at 300+ level
- ANT/WGS 151 Intro to Cultural Anthropology 3
- ANT/IDS 291 Language and Culture 3
- ECO 201/202 Principles of Economics 1 or 2 3
- PSY/SOC 232 Social Psychology 3
- PSY 308 Psychology of Child & Adolescence Development 3
- PSY 335 Drugs and Behavior 3
- PSY 340 Abnormal Psychology 3
- PSY 420 Counseling Psychology 3
- PSY 430 Conflict Resolution 3
- SOC/WGS 203 Family and Society 3
- SOC/WGS 235 Race, Class, and Gender 3
- INR/SOC 330 Poverty and Inequality 3
- WGS 105 Introduction to Women, Gender, and Sexuality Studies 3
- WLS/WGS 102 Foundations in Leadership 3
- WLS 205 Social Justice and Civic Engagement 3
- WLS/IDS 332 Leadership for Social Change 3
- WLS/IDS 350 Team Leadership and Group Dynamics 3

Investigation and Data Analysis Emphasis
(For B.S. degree)
Choose three
- BUS 211 Principles of Financial Accounting 3
- CHE 110 Introduction to Forensic Chemistry/Lab 4
- CSC 201 Introduction to Programming 3
- CSC 212 Data Structures 3
- ENV 270 Intro to GIS and Geospatial Technology 3
- ENV 310 Mastering GIS (Geographic Info Systems) 3
- An above listed methods course not taken as a core requirement 3-4

Total Hours Required for B.A. degree 45-46
Total Hours Required for B.S. degree 48-51
General Education Core Requirements 27-29

Minimum Hours Required for Graduation 120
BACHELOR OF ARTS IN ENGLISH

Faculty: Professors Emery, Stubblefield (coordinator), Associate Professor Pivak, and Assistant Professors Denny and Laughlin.

The Bachelor of Arts degree in English is inherently interdisciplinary, and courses in the major incorporate the threads of women’s leadership, social responsibility, and global awareness. The program is versatile and cutting edge, but it is also rooted in tradition. Students are prepared to enter graduate school, pursue a professional degree (e.g. law), or explore the world of work.

English majors may choose a concentration in women writers or a general focus. Offerings range from broad surveys of American and British literature – including that of the colonized, displaced, and marginalized – to single-author focuses such as Jane Austen or Toni Morrison.

All English majors complete an Introduction to the Major course as well as the Capstone Research Project. Additionally, experiential learning is a fundamental component of the English major. Students enroll in foundational courses and courses that provide opportunities for explorations and excursions. Baccalaureate students pursuing another area of study who also wish to pursue a minor in English can find course requirements on page 45.

A Cottey student who graduates with a B.A. in English should be able to do the following:

- **Recognize the Roles of Women**
  A Cottey English student demonstrates understanding of women’s contributions and representations in literature and writing.

- **Communicate Effectively**
  A Cottey English student demonstrates her ability to communicate, individually and collaboratively, in a rhetorically effective manner by grounding her writing in considerations of purpose, audience, context, and genre.

- **Solve Problems**
  A Cottey English student creates sophisticated analyses of texts and generates well-supported claims appropriate to a specific rhetorical context.

- **Respect Diversity**
  A Cottey English student demonstrates understanding of cultural diversity, including race, class, gender, sexuality, or ethnicity, as represented in a wide range of texts and contexts.
Bachelor of Arts in English Requirements
(This major has two tracks that a student may choose: 1. Women Writers Concentration OR 2. General English Focus)

BACHELOR OF ARTS IN ENVIRONMENTAL STUDIES

Faculty: Professors Firkus, Jones, Peterson, and Ross; Associate Professor Fernando; and Assistant Professor Das (coordinator)

The Bachelor of Arts degree in Environmental Studies is inherently interdisciplinary and courses in the major incorporate the threads of women’s leadership, social responsibility, and global awareness—and relate to themes in International Relations and Business and English. The hands-on and cutting-edge program is designed to cover broad topics in Environmental Studies while encouraging specializations that prepare students for graduate school or the professional world.

The Environmental Studies Department prepares students for environmental leadership careers in civic or federal services, environmental consulting, entrepreneurial industries, or emerging “green” industries and services, as well as for postgraduate studies of environmental assessment and management, environmental law, fish and wildlife, and international relations and business.

All required courses and electives for the Environmental Studies major strike a balance between the social and natural sciences as they relate to the environment. Students are exposed to the scientific principles, fieldwork, current research, perspectives and theories, as well as other academic disciplines that contribute to the study of the environment and its connections to social responsibility, global awareness, economics, politics, and policy development. Experiential learning is a fundamental component of the Environmental Studies major. Experiential learning includes exposure to and the application of cutting-edge technology, meeting professionals, review and authorship of research articles, and participating in field trips and field work in areas such as air and water quality, sustainable tourism, terrestrial ecology, and prairie ecosystem preservation. Students also have an opportunity to participate in the Institute’s interdisciplinary excursions. Summer internships and service learning, while not a requirement, provide students with important real-world experiences.

Environmental Studies majors learn to:

- Understand the science behind environmental processes and issues;
- Understand and evaluate human involvement, impact and interaction with the environment;
- Solve problems using tools and technology relevant to environmental graduate studies and professional careers;
- Think critically and build an informed opinion on current environmental issues;
- Communicate in professionally effective ways in written and oral forms, as well as through other media;
- Be responsible as global, national, and local citizen to herself, society and the environment at large;
- Recognize the overlap with social and science disciplines as well as potential specializations;
- Recognize gender differences in a global world and a woman’s potential to understand environmental processes and shape environmental policy;
- Set up science and/or outreach projects about environmental issues and communicate results;
- Plan and conduct basic inquiries and surveys of environmental and sustainability issues;
- Understand the fundamental components, forces, and processes which comprise each element of the “sustainability concept”—namely ecological, economic, and societal factors;
- Exercise professional judgment to develop opinions and conclusions within and adjacent to developments of the environmental arena.

BACHELOR OF ARTS IN INTERNATIONAL RELATIONS

Faculty: Associate Professor Watanabe (coordinator), and Assistant Professor Roy.

The Bachelor of Arts degree in International Relations is inherently interdisciplinary and courses in the major incorporate the threads of women’s leadership, social responsibility, and global awareness—and relate to themes in environmental studies, and/or English. Additionally, experiential learning is a fundamental component of the International Relations major, with one semester of study abroad required.

The International Relations program emphasizes the study of areas such as relations among states, the influence of globalization, and comparative politics. It considers such issues as the status of women in developing countries, poverty, and inequalities. In addition, the interconnectedness of these areas is emphasized through complementary electives in areas including anthropology; sociology; psychology; history; environmental studies; geography; religion; and women, gender, & sexuality studies. Some highlights include:

- One semester of course study abroad taken in the geographic location of the student’s choice.
- Experiential learning components which allow students to apply their in-class learning. For example, internships are encouraged.
- A trip abroad for all sophomore level (28-56 credits) Cottey students over the first week of spring break paid for by the College.

BACHELOR OF ARTS IN LIBERAL ARTS

Faculty: Professors Andrews, Firkus, Ross, and Stubblefield

Liberal Arts is not a discipline but a way of thinking. It emphasizes not only preparing a student for a chosen field but also providing her with the understanding, skills, and knowledge to work in any field and to live a fulfilling life. This depth and breadth approach can be accomplished by requiring specific classes as well as allowing a student to choose courses from suggested concentrations. Students completing this major are prepared to pursue a number of different careers, especially by developing particular knowledge and skills through internship and service learning opportunities. Students are also well prepared for graduate school and law school. Possible careers include teaching and education, communications, non-profit management, writers, reporters, marketing, management, human resources, and law.

RATIONALE FOR REQUIREMENTS

Foundations:
These courses provide students with the basics of what the liberal arts are, how to think critically, and the beginnings of basic knowledge required to be an educated person. The Capstone Research course will be the culmination of the student’s work in the major and will allow her to complete a project under the direction of a faculty member.

Concentrations:
A student will choose to complete courses for two concentrations that are closely related to the three threads of women’s leadership, social responsibility, and global awareness of the Serenbetz Institute for Women’s Leadership, Social Responsibility, and Global Awareness. This will allow each student to pursue depth of knowledge in areas most of interest to her. The Global Studies Concentration introduces students to a regional study of the world and then allows them to enhance their knowledge of the world in a comparative way by taking classes in the humanities, social sciences, environmental studies, and/or international relations and business. The Women’s Studies Concentration introduces students to the field of women’s studies then allows them to choose topics of interest to them about women in a number of different fields. The Social Justice and Responsibility Concentration introduces students to the concept of themselves as “change agents” then allows them to improve their communication skills and choose courses from the areas of race, class, gender, and environmentalism.

Bachelor of Arts in Liberal Arts Requirements

Courses may fulfill both core and major requirements, but no triple dipping. [Note: (WI) = Writing-intensive course]

**Bachelor of Arts in Liberal Arts - Major Requirements**

- Core Curriculum: 27-29
- Liberal Arts Major: 74-75

Minimum Hours Required for Graduation: 120
BACHELOR OF ARTS IN ORGANIZATIONAL LEADERSHIP

Organizational Leadership is an interdisciplinary approach to relevant leadership issues in any sector or setting. The major is designed to provide an opportunity for students to study the theoretical and academic aspects of leadership while developing practical skills through the enhancement of individual leadership capacity. The program combines academic coursework with experiential aspects that result in a tangible and applicable understanding of effective leadership. The major is designed to support students as they progress through their careers by emphasizing the role, scope, and effectiveness of women leaders.

A Leadership Development Plan (LDP) that individualizes leadership growth for each student is completed each semester and tracks leadership development with each student, contributing to a portfolio showcasing both academic knowledge and leadership skills that may be utilized for graduate school applications or advancing career objectives. Additionally, the major at Cottey relies heavily on experiential learning, both within the classroom and in the overall program requirements.

Students pursuing Organizational Leadership will be prepared to pursue graduate study in interdisciplinary fields or may pursue careers in areas such as:

<table>

<td>Volunteer Coordinator</td>
</tr>
</tbody>
</table>

Curriculum Overview

Students pursuing the major in Organizational Leadership will be required to complete 20 credits in Women’s Leadership Studies (WLS), 15 hours of coursework from relevant disciplines (BUS, ENG, PHI, PSY, SPE) and nine (9) credits of relevant electives. The curriculum does include courses that may involve pre-requisites, and it is presumed that these courses will be taken as requirements for the second major or as requirements for the core curriculum.

Every student interested in the study of organizational leadership will begin their journey by successfully completing WLS 102: Foundations in Leadership. Students are strongly encouraged to double-major and to pursue either a study abroad or immersion experience that supports their education and development from a global perspective. Long-term integration of the elements within the program will occur during the Leadership Capstone, in order to enhance understanding and synthesis of experiential components (internship and excursion/immersions), academic learning, and individualized development (LDPs).

### Electives

Select three courses from the following:

- BUS 480 Strategic Management 3
- HIS/WGS 211 History of Women in the U.S. 3
- INB/IDS 450 Corporate Social Responsibility 3
- INR/WGS 216 Women, Power, & Politics 3
- POL 141 Public Policy 3
- PSY 245 Personality Psychology 3
- PSY 325 Motivation & Emotion 3
- PSY/WGS 331 Psychology of Women & Gender 3
- SOC/INR 330 Poverty & Inequality 3
- SPE 121 Interpersonal Communication 3
- SPE 205 Gender and Communication 3
- WLS 205 Social Justice & Civic Engagement 3

*While these electives range from 100-level to 400-level in nature, we believe that the value of any of these courses will help a student achieve her individual goal and/or area for development as a leader.

### Total Hours Required for B.A. in Organizational Leadership:

- Lower Division Requirements 13
- Upper Division Requirements 28
- Electives 9

### Total Hours in Major 50

### General Education Core Requirements 27-29

### Minimum Hours Required for Graduation 120

*NOTE: Up to three courses may be counted simultaneously for the Organizational Leadership major and another major or minor.*
BACHELOR OF ARTS IN PSYCHOLOGY

Faculty: Professor Tietz (coordinator), Associate Professor Kohel, and Assistant Professor Gilchrist

The Bachelor of Arts degree in Psychology is designed to enable students to develop a well-rounded understanding of psychology in general as well as to have a deeper understanding in a few select areas. In order to provide greater breadth and depth across the many areas of psychology, students are required to take at least one course from each of the following domains: Biological, Cognitive, Personality/Abnormal, Social, Developmental, and Applied. These domains were chosen in order to provide students with: a) exposure to the foundations of psychology, as in the study of biological psychology; then b) more in-depth study in specific areas, such as the study of child psychology; then finally c) an understanding of how psychology can be applied, such as in the study of industrial and organizational psychology.

Courses in this major provide students with the tools to become critical thinkers, which will allow them to better evaluate sources of information and the appropriateness of conclusions based on the methods used to collect data. In General Psychology and Research Methods, students learn the scientific method and conduct a research project. General Psychology also introduces major psychological perspectives and an overview of essential psychological concepts. In Statistics and Research Methods students acquire the skills to analyze data. The Senior Capstone course will be the culmination of the student’s work in the major and will allow her to complete a major project (i.e., research project, service-learning project, or internship) under the direction of a psychology faculty member.

Experiential learning is a fundamental component of the psychology major. For example, Child Psychology incorporates a service learning requirement. Students may also enroll in an additional service learning credit through participation in S.T.O.M.P., an afterschool program for underserved children. In many classes, students participate in active learning demonstrations, research projects, or internships; they may also enroll in Opportunities in Undergraduate Research or Directed Study. An interdisciplinary focus is also inherent in the major. Specific courses in the major directly relate to the themes in international relations and business and environmental studies. Courses in the major also incorporate the threads of women’s leadership, social responsibility, and global awareness. Cotey’s small class sizes provide for intensive faculty mentoring both inside and outside the classroom, and the psychology department’s system of course rotation ensures that majors have the variety of offerings necessary both to fulfill degree requirements and to pursue individual interests.

The psychology department offers a wide array of courses designed to meet a number of learning outcomes recommended by the American Psychological Association.

A successful Cottey psychology major demonstrates....

- Knowledge Base in Psychology
- Scientific Inquiry and Critical Thinking
- Ethical and Social Responsibility in a Diverse World
- Communication
- Professional Development

Students majoring in psychology will fulfill these learning outcomes by completing a number of core courses as well as choosing courses from the following six areas: Biological, Cognitive, Personality/Abnormal, Social, Developmental, and Applied. Students may also minor in psychology in order to complement their major of choice.

Baccalaureate students pursuing another area of study who also wish to pursue a minor in Psychology can find course requirements on page 46.

Total Hours Required for B.A. in Psychology

- Major Core Requirements: **18**
- Subject Major Requirements: **18**
- Psychology Electives: **6**
- Additional Requirements: **18-21**

Total Hours in Major: **60-63**

General Education Core Requirements: **27-29**

Electives: **28-33**

Minimum Hours Required for Graduation: **120**

Students who pursue the Bachelor in Arts in the psychology major are required to complete 60-63 hours in psychology and statistics courses by the time of graduation, with 120 hours total; 18 hours of the major (including Senior Capstone) must be completed at Cottey. Students must also complete Assessment Day activities as part of graduation requirements.

Students must earn a C- or better in each course to fulfill all major requirements.
BACHELOR OF ARTS or BACHELOR OF SCIENCE IN SECONDARY EDUCATION

Cottey College’s Secondary Education major is focused on contributing highly effective teachers in the sciences and other fields for grades 9-12. Teachers completing an education degree at Cottey are equipped to adapt to the educational needs of the next generation of students. The Secondary Education program involves interaction with local youth in area high schools through practica and student teaching. Cottey graduates obtain solid teaching preparation as well as depth of study in a given subject area. The baccalaureate degree in Secondary Education offers six certification area options from which students will choose the area to teach: Biology, Chemistry, Business Education, English, Social Science, and Speech/Theatre.

A Secondary Education program involves a great deal of interaction with local youth in several area high schools and is often viewed as the original service learning course opportunity. Working in classrooms every semester is not only beneficial to prospective teachers, but is also valued as a major contribution to the schools and families in the community. Current faculty members already have a working relationship with schools in Nevada and surrounding areas and course descriptions include service-learning projects with local youth.

Bachelor of Arts or Science in Secondary Education Requirements

Please note: The Secondary Education program is under construction at the time that this catalog is going to print. The interested student should meet with her advisor for updated information, as well as for guidance in meeting the requirements of the degree.

Total Professional Education: 27 Course Credit Hours

Field Experiences

The field experiences involve activities in professional education, which include observations, tutoring, and assisting teachers in off campus classroom settings.

The field experiences include 75 hours of field visits in secondary schools (grades 9-12) with diverse school populations and in diverse settings (urban, suburban, rural.) with 30 hours at entry level and 45 hours at a mid-level point. Student teaching requires 12 weeks (60 days). These entry and mid-program field visits include observations and practice teaching in the presence of a secondary school teacher licensed in the appropriate certification area.

Written documentation of these field experiences, candidate reflection, and teacher evaluation of candidates are required for all observations.

Samples of working documents/evaluation tools can be found in Appendix B for entry level and in Appendix C for mid-level field experiences.

Clock Hrs | Semester Hrs | Course
-----------|--------------|---------
Entry Level | 30           | 1       | EDU 290 Field Experience I
Mid-Program | 45           | 1       | EDU 390 Field Experience II
Culminating | 12 wks/60 days | 8       | EDU 490 Student Teaching
**Bachelor of Arts or Science in Secondary Education Requirements (cont.)**

**Admission for Certification Program**

Cottey College students desiring to become a Secondary Education major will need to apply for acceptance into the Educator Preparation Program. This application process must be completed during the second semester of the sophomore year at the latest.

The application process is based upon three criteria:

1. Academic performance
2. Disposition
3. Evidence(s) of commitment to teaching and learning

In an effort to identify these three criteria in an applicant, to be accepted into the Secondary Educator Preparation Program the student must:

- Complete EDU 210 Foundations of Education with a grade of "C" or higher.
- Provide evidence of adequate grade point average (2.00 Cumulative, 2.50 Content, and 2.50 Education) with an official transcript.
- Submit a completed application to the Education Department Chair.
- Provide two faculty recommendations for the purpose of identifying academic performance, dispositions, and potential as a future educator.
- Provide one non-faculty recommendation for the purpose of identifying dispositions, experience with youth, and potential as a future educator.
- Submit a 500-600 word essay reflecting her personal philosophy of education and reasons she wants to enter the teaching profession.
- Complete the Missouri Educator Profile (MEP) and submit a copy of the results to the Education Department Chair for her student file.
- Pass the Missouri General Education Assessment (MoGEA) in (1) Reading Comprehension & Interpretation, (2) Writing, (3) Mathematics, and (4) Science & Social Studies.

When all parts of the application have been received, the Faculty Review Committee will consider the application. The committee will either admit the student or deny admission with a statement of actions to complete before the student may reapply.

The student will be notified by a letter from the Education Department stating the status of the applicant.

**Assessment: Candidate**

Candidate assessment and readiness are measured through systematic data collection and analysis that includes, but is not limited to:

- Course embedded assessments (rubrics correlating with course assignments)
- Candidate field experience evaluations (entry, mid-level, and student teaching)
- Candidate completion and reflection upon the Missouri Educator Profile (MEP)
- Candidate Missouri General Education Assessment scores (MoGEA)
- Candidate portfolio artifacts and rationales integrated throughout the program
- Candidate performance on the Missouri Pre-Service Teacher Assessment (MoPTA)
- Candidate Missouri Content Assessments (MoCA)

Entry and continuation in the program is contingent upon successfully passing the Missouri Educator Gateway Assessments: Missouri Educator Profile (MEP), Missouri General Education Assessment (MoGEA), and the Missouri Content Assessments (MoCA).

The table below identifies the benchmarks at which candidates would be expected to complete these assessments.

BACHELOR OF ARTS IN WOMEN, GENDER, & SEXUALITY STUDIES

Faculty: Professors Andrews, Emery, Firkus, Ross, Spencer, Stubblefield (coordinator), and Tietz; Associate Professors Bourbon and Pivak; and Assistant Professors Chelminska, Mba, Quick, Roy, and Verklan.

The Bachelor of Arts degree in Women, Gender, and Sexuality Studies (WGS) is inherently interdisciplinary, and courses in the major incorporate the threads of women’s leadership, social responsibility, and global awareness. Students take courses across the curriculum; gain practical experience through internships, service learning, and experiential learning; complete a capstone project; and are well-prepared for graduate school or the world of work.

The major prepares students for many different kinds of careers, including non-profit work, social work, domestic violence shelter director, teacher/professor, human rights advocate, government agency staff, politician, doctor/nurse/midwife, victims’ advocate, women’s health specialist, public relations, advertising, law, creative arts, entrepreneurship, human resources, religious ministry, or video game creator.
Bachelor of Arts in Women, Gender, & Sexuality Studies Requirements

Please note: The Women, Gender, & Sexuality Studies program is under construction at the time that this catalog is going to print. The interested student should meet with her advisor for updated information, as well as for guidance in meeting the requirements of the degree.

BACHELOR OF SCIENCE IN HEALTH SCIENCES

Faculty: Professors Jones, Peterson, and Ross; Associate Professor Fernando; and Assistant Professor Volle (coordinator)

The Bachelor of Science degree in Health Sciences is designed to prepare students to enter post-graduate training in biomedical research or to pursue professional careers in the medical fields shown below. The program curriculum is strongly based in the natural and physical sciences in order to ensure that graduates not only meet the prerequisites for admission to professional health science graduate programs, but are prepared to flourish in these programs. A typical pre-professional health sciences student has a heavy schedule during her first year that includes the biology, chemistry and math courses that are the necessary preparation for the higher-level science courses she will take during her second, third, and fourth years of study. In addition to classroom and laboratory coursework, our program provides students opportunities to engage in undergraduate research in biology, chemistry, and the health sciences, explore potential career options during internships, get involved in the local health-care community through service-learning, and develop a more global perspective through study abroad.

- **Human Medicine**
  - MD, Doctor of Medicine
  - DO, Doctor of Osteopathic Medicine
  - DPM, Doctor of Podiatric Medicine
  - OD, Doctor of Optometry
  - DDM, Doctor of Dental Medicine
  - PA, Physician Assistant (master’s degree)

- **Veterinary Medicine**
  - DVM, Doctor of Veterinary Medicine

- **Pharmacy**
  - PharmD, Doctor of Pharmacy

- **Physical Therapy**
  - DPT, Doctor of Physical Therapy

- **Chiropractic Medicine**
  - DC, Doctor of Chiropractic

- **Occupational Therapy**
  - OTD, Doctor of Occupational Therapy

- **Biochemistry**
- **Biomedical Sciences**
- **Food Science**
- **Microbiology**
- **Public Health**
- **Laboratory services technician**

- **Forensic Science**
- **Neuroscience**
- **Sports Medicine**
- **Medical Technologist**
- **Environmental and occupational health**

Total Credits 18
For Dance Minors, all DAN activity credits count toward graduation. Dance Minors should be enrolled in a dance activity class every semester.

(DAN 111/121/131/136/145/146/211/221/232/245/291)

It is recommended Dance Minors take:
BIO 211/Lab Human Anatomy I 4
THE 110 Stage Lighting and Sound 3
or
THE 177 Theatre and Event Technology 2
PHE 139 Lifetime Fitness Concepts 3

ENGLISH MINOR

Students who wish to complete a minor in English take three 200-level ENG courses and three 300-level ENG courses for a total of 18 credit hours.

Students who pursue a minor in English are strongly urged to also take ENG 200: Introduction to the English Major.

- THE 203: Acting: Character Development
- THE 122: Performance of Literature

**Choose one**
- THE 110: Stagecraft, Lighting and Sound
- THE 221: Costume Construction
- THE 255: Scene Design
- THE 325: Theatrical Costume Design

**Choose one**
- THE 251: Children’s Theatre
- THE 294: Stage Management

**Live Theatre Production**
- THE 181: Theatre Production 1 (repeated)

**Total Credits:** 17

### PSYCHOLOGY MINOR

Students must take **PSY 101 General Psychology** plus one course from five of the six psychology subject areas (see pg. 33) for a total of **18 hours**. Courses in the Diversity subject area will count as well.

### SPANISH MINOR

**Required Core**
- SPA 201: Intermediate Spanish I 3
- SPA 202: Intermediate Spanish II 3

**200-level courses (Choose two)**
- SPA 211: Hispanic Literature 3
- SPA 212: Hispanic Culture & Civilization 3
- SPA 213: Oral Spanish 3
- SPA 214: Spanish Composition 3

**300-level courses (Choose two)**
- SPA 320: Business Spanish 3
- SPA 330: The Chicano Experience 3
- SPA 345: Afro-Latina Women Writers 3
- SPA 350: Major Authors of Latin America and Spain 3
- SPA 360: Spanish Golden Age 3
- SPA 370: Latin American and Spanish-American Women Writers 3

**Total Credits:** 18

### WOMEN, GENDER, & SEXUALITY STUDIES MINOR

Students who pursue a minor in Women, Gender, and Sexuality Studies are required to complete **18 credits** in WGS courses. It is highly recommended that students take WGS 105 Introduction to Women, Gender, and Sexuality Studies prior to other WGS courses above the 100-level.

**Core Courses**
- WGS 105: Introduction to Women, Gender, and Sexuality Studies 3
- WGS 350: Feminist Theories 3

**Elective WGS Cross-Listed Courses**

No more than one elective can be taken below the 200 level, and at least one of the electives must be taken above the 200 level. No more than two courses may be taken from any one department.

Up to two courses may be counted simultaneously for the Women, Gender, and Sexuality Studies minor and another major or minor.

ASSOCIATE DEGREE REQUIREMENTS

Associate in Arts (AA) Degree Requirements

In addition to the Core Requirements (see pgs. 14-16), the following degree requirements must also be fulfilled for an Associate in Arts. Electives may be used to complete the 62 hour requirement.

Communications - Select 3 hours from list below

Social Sciences - Select 3 hours from list below

Humanities - Select 3 hours from list below

Foreign Language - Select 6-8 hours in sequential courses from foreign language approved courses

Cannot be used to fulfill another requirement

Total Hours 15-17

## Associate in Arts - Music (AAM) Degree Requirements

In addition to the Core Requirements (see pgs. 14-16), the following degree requirements must be fulfilled for an Associate in Arts-Music. Electives may be used to complete the 62 hour requirement.

### Applied lessons

**MUS** 121, 122, 221, 222  
(4 hours required)  
(must be in the same instrument; minimum of 4 credits required and up to 8 recommended)

### Ensemble

Choose from:  
**MUS** 285, 287 (courses may be repeated for credit)  
(4 hours required)

### Harmony I-IV

**MUS** 111, 112, 211, 212  
(12 hours required)

### Aural Skills I-IV

**MUS** 110, 114, 210, 214  
(4 hours required)

### Keyboard Harmony I-IV

**MUS** 109, 113, 209, 213  
(4 hours required)

### Music Survey Course

Choose from:  
**MUS** 108, 291  
(3 hours required)

### Additional Requirements

Choose from **EDU** 210, 310; **FRE** 101, 102, 201, 202; **MUS** 230; **PSY** 308, 350; **SPA** 101, 102, 201, 202  
(Foreign language classes must be in the same language)  
(8 hours required)

**Total degree requirement credits:** 39

**Total including gen education core requirements and degree:** 60-63

## Associate in Science (AS) Degree Requirements

In addition to the Core Requirements (see pgs. 14-16), the following degree requirements must be fulfilled for an Associate in Science. Electives may be used to complete the 62 hour requirement.

Twelve or more additional hours in AST, BIO, CSC, CHE, MAT, PHY must be taken to complete an Associate in Science. May not use: MAT 101 Intermediate Algebra, CSC 101 Application Systems, or CSC 140 Web Design.

### Course Selection for AS Degree Requirements

12 or more additional hours from the following prefixes: **AST, BIO, CSC, MAT, PHY** (If has lecture & lab must take both)

<table>
<thead>
<tr>

</tbody>
</table>

**Total Degree Requirements:** 24-25

**Total General Education Core:** 27-29

**Total Requirements:** 62

All DAN (Dance) and PHE (Physical Education) activity credits count toward graduation.

Strongly recommend taking 2 dance technique courses a semester.

Strongly recommend taking BIO 211/Lab - Human Anatomy and Physiology 1 & Lab - to fulfill general education science requirement.

Other recommended courses: Business, Art, Theatre, Music, Physical Education

*** Core Requirement - Fine Arts Division

^ Core Requirement - Physical Education/Dance Activity Credits
Associate in Fine Arts (AFA) Degree Requirements with Theatre Emphasis

In addition to the Core Requirements (see pgs. 14-16), the following degree requirements must be fulfilled for an AFA-Theatre.

Core Requirements

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>THE 101</td>
<td>Introduction to Theatre</td>
<td>3</td>
</tr>
<tr>

<tr>
<td>THE 325</td>
<td>Theatrical Costume Design</td>
<td>3</td>
</tr>
</tbody>
</table>
CERTIFICATE IN ORGANIZATIONAL LEADERSHIP

The Certificate in Organizational Leadership (COL) is designed to provide an opportunity for students to study the relevant theoretical and academic aspects of leadership while developing individual leadership capacity. The program combines academic coursework with experiential and co-curricular aspects that result in a tangible qualification reflected on the official transcript.

Curriculum Overview

Prerequisite for acceptance into the program:

**WLS/WGS 102  Foundations in Leadership  3 credits**

Introductory course that establishes the interdisciplinary nature of leadership and develops necessary frameworks.

Students interested in obtaining a COL will submit a brief registration to the Serenbetz Institute at [http://bit.ly/COL-app](http://bit.ly/COL-app) for the purpose of adequately tracking information and ensuring program requirements are met. Upon acceptance to this non-competitive program, students will complete the remainder of the curriculum.

Required Courses

**WLS 420  Leadership Theories & Practices  3 credits**

**PHI 205  Ethics  - 3 credits OR**

**PHI 210  Human Nature and Society - 3 credits**

Elective Course *(Select one course from the following, offered on a rotating basis):*

**IDS/WLS 320  The Leader Within**
**IDS/WLS 332  Leadership for Social Change**
**IDS/WLS 350  Team Leadership & Group Dynamics**

Ancillary Requirements

1. Submission of two (2) independent reflection projects focused on personal leadership experiences that address growth/learning in relation to women’s leadership, social responsibility and global awareness.

2. Development and implementation of a Leadership Development Plan (LDP) and LDP-Review form that will be used each semester the student is in the program.

CERTIFICATE IN WOMEN, GENDER, AND SEXUALITY STUDIES

WOMEN, GENDER, AND SEXUALITY STUDIES CERTIFICATE REQUIREMENTS

12 hours required, including:

**WGS 105  Introduction to Women, Gender, and Sexuality Studies  3 credits**

Students may choose the remaining 9 credits hours from any WGS course beyond WGS 105.
DEPARTMENTS AND COURSES

ACADEMIC DIVISIONS

The instructional program of the College is organized into four divisions. The divisions are composed of the following academic disciplines.

<table>
<thead>
<tr>
<th>FINE ARTS</th>
<th>HUMANITIES</th>
<th>SCIENCE &amp; MATHEMATICS</th>
<th>SOCIAL SCIENCES</th>
</tr>
</thead>
<tbody>

“Course Frequency” indicates the projected schedule on which the course will be offered:

f = fall semester    s = spring semester    fs = both semesters
xf = alternate years in fall semester
xs = alternate years in spring semester
y = occasionally

The course frequency projections are subject to change.

Following each course listing is a course description. The first item in the course description is the prerequisite for those courses which have prerequisites. Prerequisites are listed to inform the student what she must complete in advance to ensure success in the course. Consent of Instructor [listed in the appropriate class schedule] may be substituted for the prerequisite. The second item in the course description is the corequisite for those courses which have corequisites. Corequisites are listed to inform the student in which courses she must also enroll during the same semester. Course descriptions may also contain instructions or limitations and should be reviewed carefully.

After the course description is the number of credit hours. The unit of credit is the credit hour. Lecture courses meet one hour per week for 15 weeks for one credit hour. Laboratory and studio courses meet a minimum of two hours per week for 15 weeks for one credit hour. Courses which include lecture and laboratory or studio carry credit combining the above guidelines.

The course listings are based upon reasonable projections of faculty and faculty availability and appropriate curriculum considerations. The College reserves the right at any time to modify or terminate program requirements, content, and the sequence of program offerings for educational, financial, or other reasons.

2017-2018 Cottey College Academic Catalog
ACADEMIC DISCIPLINE AND COURSE DESCRIPTIONS

ANTHROPOLOGY (ANT)

Faculty: Assistant Professor Quick
Minor: Anthropology (page 44)

The Anthropology Department primarily introduces students to the subfields of cultural anthropology and linguistic anthropology. The courses offered at Cottey provide a foundation for a major or minor in anthropology and assist any student in developing an anthropological perspective which is applicable to all fields of study. Anthropology may be combined with many other disciplines (economics, political science, music, art, history, literature, medicine, law, etc.) to create a more global approach.

ANT/WGS 151 Introduction to Cultural Anthropology (fs)
This course introduces students to the broad field of cultural anthropology. We consider such topics as ethnography, cultural relativism and ethnocentrism, language and communication, religion and ritual, anthropological ethics, and the application of anthropology’s theory and methods to contemporary world issues. Students will also learn how anthropologists have approached the issue of difference and inequality within and across cultures—focusing on “race” and gender as well as considering diversity in global varieties of economics, political structures, ways of defining relatives, and suitable marriage partners. This course also highlights female anthropologists’ contributions to the field as well as gender cross-culturally. 3 credits

ANT/WGS 204 Gender in Cross-Cultural Perspective (xf)
This course explores reproductive, economic, political, and religious factors that influence women’s experiences from a cross-cultural approach. It examines the ways that gender intersects with social class, work, politics, and religion. It offers students opportunities to understand the diversity and similarity of women’s experiences around the world. 3 credits

ANT/IDS 291 Language and Culture (xs)
Prerequisites: ANT 151, SOC 101, or PSY 101
This course introduces students to Linguistic Anthropology. Although language will be our principle concern, taking an anthropological approach pushes us to consider language, culture, society, and communication as all interrelated aspects of the human condition. The overall goal is to encourage students to appreciate the complex and diverse communication signals that humans engage in, while also considering some of their own language and communication biases. 3 credits

ANT/ENV 391 Food and Culture (f)
Prerequisites: ANT 151, SOC 101, or PSY 101
Food unites people in ritualized gatherings, while it also divides them over politics and economics. Besides considering food’s place in anthropology, this course will examine food and identity—food as it relates to cultural, class, and gendered identities—as well as food’s significance in social, political, and economic systems. Students will become active in Cottey’s organic garden as a part of this course. 3 credits

ANT/IDS 392 The Anthropology of Music and Dance (y)
Prerequisites: ANT 151, MUS 101, or DAN 107
This course focuses on the society and culture surrounding music and dance in global settings. We consider music and dance’s function, its relation to various identities (class, gender, nationality, ethnicity) as well as to technology, globalization and new media. We also delve into the intellectual history and varying approaches encompassing the study of music and dance. 3 credits

ART AND ART HISTORY (ART)

Degree: Associate in Fine Arts with Art Emphasis (page 50)
Minor: Art (page 44)
Faculty: Assistant Professors Fulton Miller and Frew

Cottey’s art and art history program provides a unique opportunity for students to develop skills in problem-solving and understanding of the visual arts as a vital part of their liberal arts education through a range of art history and studio art courses. For those students who plan to pursue further studies in art, there are career opportunities such as advertising, art scholarship, art education, art history, illustration, interior design, crafts, museology, gallery direction, graphic design, architecture, photography, and studio art.

The Fine Arts Department offers well-equipped classrooms and studio areas for ceramics, painting, photography, design, drawing, and sculpture, housed in the newly-constructed Judy and Glenn Rogers Fine Arts Building. The Haidee and Allen Wild Center for the Arts includes an art gallery which is used for exhibition artwork of students and faculty and of regional and national artists. The Rubie Burton Academic Center also includes a student gallery space where student artists display their work regularly.
ART 101 Art Appreciation (y)
Study of art processes and artists through slides, readings, discussions, and firsthand observation of art and visual images. 3 credits

ART 111 2-D Design (f)
Introduces elements of art and principles of design with focus on creatively solving problems in 2-D design. Emphasizes use of appropriate craftsmanship utilizing variety of tools and materials. Five-and-a-half studio hours per week. 3 credits

ART 112 3-D Design (s)
Emphasizes advanced standards of three-dimensional media execution, formal organization, and individual interpretation. Five-and-a-half studio hours per week. 3 credits

ART 113 Foundations in Color Theory (f)
Introduces color theory systems and their use within visual arts, exploring the elements and principles of design as they relate to color. Emphasizes the study of the color wheel and the visual spectrum through the use of two-dimensional art media. Five-and-a-half studio hours per week. 3 credits

ART/THE 115A Fundamentals of 3D Modeling (y)
In this course students will learn how to connect traditional design with 3D technology. It enables students to create photorealistic illustration and production drawings of any functional space with light and color studies, as well as product and furniture design. 3 credits

ART 131 Drawing I (fs)
Introduces techniques of drawing. Includes study of line media, representation of form, values, and composition. Stresses basic skills of representation in traditional media, and includes exploration of nontraditional forms. Subjects include figures, nature, and studio studies. Six studio hours per week. 3 credits

ART 201 Survey of Art History I (f)
Study of forms of art, content of art, and context within which it has evolved from prehistoric era to Gothic period. 3 credits

ART 202 Survey of Art History II (s)
Prerequisite: ART 201
Study of forms of art, content of art, and context within which it has evolved from Renaissance to the modern era. 3 credits

ART 213 Painting I (y)
Prerequisite: ART 131 Drawing 1 OR ART 211 2-D Design
Study of color, composition, and perception through use of painting media. Includes study of basic techniques of oil painting. Five-and-a-half studio hours per week. 3 credits

ASTRONOMY (AST)
Faculty: Assistant Professor Hyland

AST 101 Introductory Astronomy (fs)
Corequisite: AST 101L Introductory Astronomy Laboratory
A course intended for non-science majors that explores telescopes, the solar system, planets, stars, stellar evolution, stellar remnants, galaxies, and history of the universe. 3 credits

AST 101L Introductory Astronomy Laboratory (fs)
Corequisite: AST 101 Introductory Astronomy
Elementary experiments illustrating methods and principles used in astronomy. Occasional night observations are required. Two hours per week. 1 credit
BIOLOGY (BIO)

Degrees: Bachelor of Science in Health Sciences (page 42), Associate in Science (page 49)
Faculty: Professors Jones and Peterson, and Assistant Professor Volle

Cottey’s biology program is designed to prepare students for further study in biological fields such as ecology, genetics, molecular biology, zoology, botany, and physiology. Pre-professional preparation for teaching, medicine, nursing, physical therapy, veterinary medicine, and research is also an integral part of the advising and curriculum.

The biology facilities are located in Grantham Hall with laboratories for biology and anatomy and physiology. Located at B.I.L. Hill is a natural field site that contains both woodland and wetland environments.

BIO 101 Introductory Biology (fs)
Corequisite: BIO 101L
Basic concepts of cellular structure and function, patterns of inheritance, evolutionary mechanisms, ecological relationships, and environmental concerns. Not open to students with credit in BIO 105 or BIO 107. 3 credits

BIO 101L Introductory Biology Laboratory (fs)
Corequisite: BIO 101
Basic laboratory techniques, experimental method, and investigation of topics pertinent to study of living things. Two hours per week. 1 credit

BIO 105 General Botany (xs)
Corequisite: BIO 105L General Botany Lab
Introduces basic biological concepts as they relate to plants. Plant form and function at cellular and whole plant levels, ecology, reproduction, growth, evolution, and taxonomy of major groups. 3 credits

BIO 105L General Botany Laboratory (xs)
Corequisite: BIO 105 General Botany
Investigation of plant form, function, and taxonomic relationships. Introduces laboratory techniques and experimental methods. Two hours per week. 1 credit

BIO 107 Principles of Biology (f)
Corequisite: BIO 107L Principles of Biology Lab
Emphasizes basic chemical and physical laws applicable to functioning of living things. Cellular morphology, metabolism and reproduction, molecular genetics, heredity, and evolution. Intended for students planning to enter sciences and health care professions. 3 credits

BIO 107L Principles of Biology Laboratory (f)
Corequisite: BIO 107 Principles of Biology
Introduces techniques of laboratory work, methods of scientific inquiry and investigation of topics related to basic functioning of life. Two hours per week. 1 credit

BIO 115 Human Nutrition (xs)
This course provides an introduction to the science of nutrition: basic structure and function involved in the ingestion, digestion, absorption and metabolism of nutrients. 3 credits

BIO/ENV 120 Introduction to Environmental Science (xs)
Involves all basic sciences (geology, physics, chemistry, and biology) in introducing scientific study of biogeochemical cycles and energy flow through ecosystems. It especially considers impact of human activities on populations, communities, and ecosystems. 3 credits

BIO 190 Introduction to Scientific Literature (f)
Presents an introduction to study in biology through examination of the professional literature. The class will focus on construction of scientific literature, writing as a group, publication ethics and Institutional Review Boards, and citations. Additionally, students will learn about the submission process for journal articles and the scientific review process. 1 credit

BIO 204 Genetics (f)
Prerequisite: BIO 107 Principles of Biology
Corequisite: BIO 204L Genetics Laboratory
Study of hereditary mechanisms with coverage of Mendelian and molecular genetics. 3 credits

BIO 204L Genetics Laboratory (f)
Corequisite: BIO 204 Genetics
Patterns and mechanisms of inheritance with emphasis on classical and molecular techniques and laboratory procedures. Three hours per week. 1 credit

BIO 207 General Zoology (xs)
Corequisite: BIO 207L General Zoology Lab
Examines anatomy, physiology, basic ecology, and evolutionary relationships among major taxa of animals. 3 credits

BIO 207L General Zoology Laboratory (xs)
Corequisite: BIO 207 General Zoology
Structure and function of organ systems with an emphasis on vertebrates coupled with survey of diversity, specializations, and taxonomy of animal kingdom. Two hours per week. 1 credit

BIO 211 Human Anatomy and Physiology 1 (f)
Corequisite: BIO 211L Human Anatomy and Physiology 1 Laboratory
Anatomical and physiological topics needed to understand basic working of human body. Reviews cellular physiology (respiration, protein synthesis, etc.), tissues, musculoskeletal system, and nervous system. Designed for students directed toward careers in human health fields and is not included in curriculum for pre-med, pre-vet, or pre-dentistry programs. 3 credits
BIO 211L Human Anatomy and Physiology 1 Laboratory (f)
Corequisite: BIO 211 Human Anatomy and Physiology 1
Microscopic study of tissues, dissection of preserved mammals, and study of human materials as available, e.g., skeletons and models. Three hours per week. 1 credit

BIO 212 Human Anatomy and Physiology 2 (s)
Prerequisite: BIO 211 Human and Anatomy and Physiology 1 OR permission of the instructor
Corequisite: BIO 212L Human Anatomy and Physiology 2 Laboratory
Remaining organ systems of body are covered: respiratory, special sensory, excretory, digestive, endocrine, and reproductive (including developmental biology). 3 credits

BIO 212L Human Anatomy and Physiology 2 Laboratory (s)
Corequisite: BIO 212 Human Anatomy and Physiology 2
Microscopic study, dissection of preserved mammals, and study of human materials as available, e.g., skeletons and models. Three hours per week. 1 credit

BIO 240 Medical Microbiology (xf)
Prerequisites: BIO 101 or BIO 107
Corequisite: BIO 240L
Medical microbiology is an introductory microbiology class focusing on how microbes affect health. Topics covered will include microbial structure, metabolism, classification, and methods of control. This course features applied learning in the form of diagnostic case studies. 3 credits

BIO 240L Medical Microbiology Laboratory (xf)
Corequisite: BIO 240
Basic microbiological techniques such as propagating, staining, and identification of various microbes are covered. 1 credit

BIO 301 Molecular Biology (s)
Prerequisites: BIO 107 Principles of Biology; CHE 212 General Chemistry 2 recommended
Corequisite: BIO 301L Molecular Biology Laboratory
Introduction to structure and synthesis of macromolecules. Coverage of various aspects of gene structure, function, and regulation. 3 credits

BIO 301L Molecular Biology Laboratory (s)
Corequisite: BIO 301 Molecular Biology
Emphasizes isolation and quantitation of DNA, recombinant DNA technology, and exercises which demonstrate the regulation of gene expression. Three hours per week. 1 credit

BIO 401 Microbiology (f)
Prerequisites: BIO301/301L Molecular Biology and Lab., CHE320-323 Organic Chemistry 1-2 and Labs.
Corequisite: BIO 402L
Lecture - Study of the cellular structure, metabolism, genetics, and classification of microbes. 3 credits

BIO 401L Microbiology Lab (f)
Prerequisites: BIO301/301L Molecular Biology and Lab., CHE 320-323 Organic Chemistry 1-2 and Labs.
Corequisite: BIO 401
Standard microbiological procedures such as culturing and quantifying microbes, aseptic technique, and the use of various tests to identify unknowns. 1 credit

BUSINESS (BUS)

Degrees: Bachelor of Arts in Business Administration-Management (page 18), Bachelor of Arts in International Business (page 18)
Faculty: Professor Lunkenheimer and Assistant Professors Chelminska and Clyde

A core of basic business courses provides the foundation for students entering a number of fields, such as accounting, business administration, economics, finance, human resource management, international business, management, and marketing. Students are assisted in planning schedules to fit as closely as possible the needs of their particular fields of study. Cottey offers all the typical business course pre-requisites required if a student is planning to transfer for a different business major. Cottey offers two bachelor degrees in business: Business Administration-Management, as well as International Business with a semester-long study abroad component, with the choice depending on the student’s preference.

BUS 101 Introduction to Business (y)
Introduces students to the study of business enterprises. Special focus on all the typical college majors relating to business such as: accounting, economics, entrepreneurship, finance, management, marketing, human resource management, and international business. Students typically take this course to learn more about the business field and to help decide on a specific business major. 3 credits

BUS 103 Personal Finance (y)
Explore your wealth potential in Personal Finance. Learn the basics of investing by examining stocks, mutual funds, dividends, and capital appreciation. Learn about financial planning for one’s current and future needs including bank accounts, cash management, and uses of credit. Research new cars and houses and determine the effect on one’s budget. Learn about life, health, auto, and house insurance. Lastly, students will examine retirement planning and taxes. 3 credits

BUS 211 Principles of Accounting 1: Financial Acct. (f)
Study of generally accepted accounting principles and methods of preparing and analyzing financial statements. Use and interpretation of balance sheet, income statement, statement of owner’s equity, and statement of cash flow. Ethical and global issues in accounting. 3 credits

BUS 212 Principles of Accounting 2: Managerial Acct. (s)
Study of methods used in preparing, interpreting, analyzing, and understanding accounting data for the purposes of goal-setting, planning, controlling, and evaluating decisions.
involving business enterprises. Also, examines ethical and global issues in accounting. 3 credits

**BUS 260 Legal Environment of Business (y)**
Prerequisite: At least second-year standing
Fundamentals of business law; history and development of law; legal system, legal reasoning, and law of contract, torts, and agency. 3 credits

**BUS 310 Management Information Systems (s)**
Prerequisite OR Corequisite: BUS 211 Financial Accounting 1 OR BUS 212 Managerial Accounting 2 OR ECO 201 Prin of Econ 1: Macroeconomics OR ECO 202 Prin of Econ 2: Microeconomics AND CSC 101 Application Systems, Concepts, and Practice
This course provides an understanding of the information needs of management, elements of information technology, various information systems, and how technology can be utilized for competitive advantage. 3 credits

**BUS 315 Operations Management (f)**
Prerequisite OR Corequisite: BUS 211 Financial Accounting 1 OR BUS 212 Managerial Accounting 2 OR ECO 201 Prin of Econ 1: Macroeconomics OR ECO 202 Prin of Econ 2: Microeconomics AND CSC 101 Application Systems, Concepts, and Practice, and MAT 112 Elem Statistics
This course identifies and solves managerial problems relating to the production and delivery of goods and services. It examines project management, job design, factory capacity, layout planning, forecasting, inventory, and quality control through mathematical models and case studies. 3 credits

**BUS 320 Principles of Management (y)**
Prerequisite OR Corequisite: BUS 211 Financial Accounting 1 OR BUS 212 Managerial Accounting 2 OR ECO 201 Prin of Econ 1: Macroeconomics OR ECO 202 Prin of Econ 2: Microeconomics
This course introduces the functions of management that apply to any organization, including overviews of concepts, theories, and practices, the processes of developing plans and corporate strategy, structuring work relationships, coordinating activities, directing and motivating subordinates, and controlling functions that lead to organizational success. Roles and responsibilities of managers, effective decision making, productivity, and theories of human behavior will also be explored. 3 credits

**BUS 325 Principles of Marketing (y)**
The smartest people work in the field of marketing, convincing us that this particular brand of jeans is much better than all of the others. This course introduces the functions and activities of marketing including marketing concepts, role in society, target marketing, marketing mix, and factors that influence marketing decision making. Students will examine current marketing promotions, determine which brands are more valuable, and learn the steps in the selling process. 3 credits

**BUS 335 Principles of Entrepreneurship and Small Business Management (y)**
Fosters the idea of starting, operating, and managing a business. Students assess individual skills and abilities, identify possible business opportunities, conduct feasibility analysis, research profit possibilities, explore market needs, find resources, and learn traits and characteristics of effective entrepreneurs. Students begin to develop skills necessary to organize, create, and manage a business. Offered every other year. 3 credits

**BUS 340 Principles of Finance (f)**
Prerequisite OR Corequisite: BUS 211 Financial Accounting 1 OR BUS 212 Managerial Accounting 2 OR ECO 201 Prin of Econ 1: Macroeconomics OR ECO 202 Prin of Econ 2: Microeconomics
This course examines the financial needs of corporations, including asset investment, debt, and equity financing, and introduces decision making models for capital budgeting under uncertainty, taxation, and inflation. Other corporate finance issues include risk and return analysis, cost of capital, dividend policy, and capital structure. 3 credits

**BUS 350 Organizational Behavior (y)**
Prerequisite: BUS 320 Principles of Management
Provides an overview of theories and concepts regarding human behavior at work. Students will obtain a comprehensive knowledge of factors and forces that shape individuals' actions and how they respond to their working environments. Subjects include different leadership styles, ways to increase employees' motivation and satisfaction, teamwork and team-building, job enrichment and employee empowerment. 3 credits

**BUS 425 Topics in Business (s)**
Prerequisite: Senior standing
The course focuses on current events concerning business that are occurring throughout the United States and world. Students will perform industry analysis related to her chosen career field and examine issues, concerns, and opportunities in that career field. 3 credits

**BUS 480 Strategic Management (y)**
Prerequisite: Senior standing
This course attempts to summarize student’s wide-range understanding and knowledge of business operations. It focuses on corporate strategic analysis of company’s internal and external environments, and on strategic formulation of corporate and departmental policies. It provides a direction into effective strategic decision-making and taking proper actions. Subjects covered are SWOT analysis, competitive environment, and corporate-level and business-level strategies. 3 credits
CHEMISTRY (CHE)

Degrees: Bachelor of Science in Health Sciences (page 42), Associate in Science (page 49)
Minor: Chemistry (page 44)
Faculty: Professor Ross, Associate Professor Fernando, and Assistant Professor Volle

The chemistry curriculum provides the breadth and flexibility necessary to meet the needs of students intending to major in the physical, natural, or environmental sciences; pursue professional degrees in the health sciences; or earn degrees in complimentary areas such as forensic science, psychology or education. The chemistry laboratory courses underscore modern aspects of chemistry including the use of instrumentation and specialized chemistry software. Our small class sizes and well-equipped laboratory spaces allow students to quickly develop expertise in the laboratory, and students who are prepared may begin participating in undergraduate research as early as the second semester of their first year of study.

CHE 110 Introduction to Forensic Chemistry (xs)
Corequisite: CHE 111 Intro to Forensic Chemistry Lab
Intended for non-science majors. Presents chemical principles at an introductory level and explores selected topics in forensic chemistry. Introduces basic chemistry concepts of atoms and molecules, stoichiometry, chemical reactions, solution chemistry and thermochemistry, and concepts related to the identification and analysis of fingerprints, accelerants and explosives, fiber, paint, and DNA. Not open to students with credit for CHE 120, CHE 130 or CHE 210. 3 credits

CHE 111 Introduction to Forensic Chemistry Laboratory (f)
Corequisite: CHE 110 Intro to Forensic Chemistry
Introduces basic chemistry laboratory work with experiments designed to show applications of chemistry to the investigation and analysis of crime scenes. Exposes students to instrumental analysis utilized in forensic investigations including emission, absorption, and X-ray spectroscopies; mass spectrometry; and gas and liquid chromatographies. Two hours per week. 1 credit

CHE 120 Introduction to Chemistry (s)
Corequisite: CHE 121 Introduction to Chemistry Lab
Presents chemical principles at an introductory level with an emphasis on the use of these principles to understand and describe chemical processes that occur in our body. Covers fundamentals including atomic and molecular structure, measurement and stoichiometry, solutions, acid-base chemistry, nuclear chemistry, gases, and organic and biomolecules. Not open to students with credit in CHE 110, CHE 130 or CHE 210. 3 credits

CHE 121 Introduction to Chemistry Laboratory (s)
Corequisite: CHE 120 Introduction to Chemistry
Introduces chemical laboratory work with experiments to show applications of chemistry to every day life. Two hours per week. 1 credit

CHE/ENV 130 Introduction to Environmental Chemistry (f)
Corequisite: CHE 131 Intro to Environmental Chem Lab
Presents basic chemical principles that are the foundation for future chemistry and related courses. Emphasizes atomic and molecular structure, stoichiometry, properties of solids, liquids and gases, acid-base theory and solutions. 4 credits

CHE/ENV 131 Introduction to Environmental Chemistry Laboratory (f)
Corequisite: CHE 130 Intro to Environmental Chem
Introduces basic chemistry laboratory work with experiments designed to show applications of chemistry to the investigation and analysis of the environment. 1 credit

CHE 210 General Chemistry 1 (f)
Prerequisite: Strong secondary-school preparation in mathematics and laboratory science
Corequisite: CHE 211 General Chemistry Laboratory
Introduces basic chemical principles that are the foundation for future chemistry and related courses. Emphasizes atomic and molecular structure, stoichiometry, properties of solids, liquids and gases, acid-base theory and solutions. 4 credits

CHE 211 General Chemistry 1 Laboratory (f)
Corequisite: CHE 210 General Chemistry
Utilizes modern laboratory methods, including computer-interfaced experiments. Teaches basic techniques in qualitative and quantitative study of chemical processes. Three hours per week. 1 credit

CHE 212 General Chemistry 2 (s)
Prerequisite: CHE 210, with a grade of C or better
Corequisite: CHE 213 General Chemistry 2 Laboratory
Emphasizes chemical thermodynamics and equilibria, electrochemistry, kinetics and mechanisms of chemical reactions and the relationship of structure to physical and chemical properties. 4 credits

CHE 213 General Chemistry 2 Laboratory (s)
Corequisite: CHE 212 General Chemistry 2
Includes synthesis experiments and quantitative and qualitative analysis of cations. Three hours per week. 1 credit

CHE 295 Research in Chemistry (fs)
Corequisite: CHE 210, with a minimum grade of C and permission of instructor.
Independent research in the chemical sciences under direction of a faculty member. Laboratory research, library research, and preparation of research report are emphasized. 1-2 credits
CHE 310 Principles of Analytical Chemistry (y)
Prerequisite: CHE 212, with a grade of C or better
Corequisite: CHE 311 Quantitative Analysis Laboratory
Presents equilibria, volumetric and gravimetric techniques, spectrophotometry, electroanalytical methods, and separation techniques important to analytical chemistry. 3 credits

CHE 311 Quantitative Analysis Laboratory (y)
Prerequisite: CHE 310 Principles of Analytical Chemistry
Utilizes techniques of quantitative analysis, including electroanalytical, spectrophotometric, chromatographic, gravimetric, and volumetric methods. Six hours per week. 2 credits

CHE 320 Organic Chemistry 1 (f)
Prerequisite: CHE 212, with a grade of C or better
Corequisite: CHE 321 Organic Chemistry 1 Laboratory
Presents the foundations of organic chemistry including structure, bonding, conformations, stereochemistry, thermodynamics, kinetics and reactivity, including acid-base and nucleophilic substitution reactions. Includes mass spectrometry and UV-visible, infrared, and nuclear magnetic resonance spectroscopy. 3 credits

CHE 321 Organic Chemistry 1 Laboratory (f)
Corequisite: CHE 320 Organic Chemistry 1
Utilizes a miniscale approach to organic laboratory with an emphasis on techniques of separation, purification, and identification. Includes hands-on experience with infrared nuclear magnetic resonance and UV-visible spectroscopy. Six hours per week. 2 credits

CHE 322 Organic Chemistry 2 (s)
Prerequisite: CHE 320, with a grade of C or better
Corequisite: CHE 323 Organic Chemistry 2 Laboratory
Presents increasingly complex organic reactions including nucleophilic addition and substitution, carbon-carbon bond-forming, radical and reductive reactions with applications to biological molecules. 3 credits

CHE 323 Organic Chemistry 2 Laboratory (s)
Corequisite: CHE 322 Organic Chemistry 2
Emphasizes organic synthesis, chromatography, green chemistry and analysis of unknowns using spectroscopic and chromatographic techniques. 2 credits

CHE/ENV 330 Environmental Chemistry and Social Justice (xs)
Prerequisite: ENV 110 Introduction to Environmental Studies,
CHE 130/131 Introduction to Environmental Chemistry
An interdisciplinary course focused on the specific ways that human activity can lead to the accumulation, depletion, and alteration of chemicals in the environment, and the resulting effects of changed chemical levels on both the environment and the people who live in the environment. The intersection of environmental chemistry and social justice will be explored through an examination of the disparate ways in which members of different groups, both nationally and internationally, experience acute and/or chronic negative effects from living in degraded and contaminated environments. Supporting topics will include activism, environmental remediation, law and policy. 3 credits

CHE 340 Biochemistry (s)
Prerequisite: BIO 301 Molecular Biology, CHE 320 Organic Chemistry 1 with grade of C or better
Corequisite: CHE 341 Biochemistry Laboratory
Introduces the basics of biochemistry including structure and function of biomolecules, enzyme kinetics, bioenergetics, and metabolic pathways. 3 credits

CHE 341 Biochemistry Laboratory (s)
Corequisite: CHE 340 Biochemistry
Utilizes biochemical laboratory techniques including spectroscopy, enzymology, chromatographic separations, and electrophoresis. Three hours per week. 1 credit

COMPUTER SCIENCE (CSC)
Faculty: Associate Professor Taylor

The computer science department offers courses to develop skills for using applications to solve problems, courses for students interested in, or curious about, computing but not intending to pursue further study, and courses to prepare students for transfer to a computer science degree program. Examples of general interest courses include Web design and an introductory look at the programming behind virtual world animations.

The curriculum to prepare students for transfer offers a thorough treatment of foundation computing principles and skills. The orientation to programming is based in an analytic, problem-solving approach, which emphasizes the development of critical-thinking skills. These courses adhere to guidelines set forth by The Association for Computing Machinery (ACM).

All courses are taught in a laboratory setting which is equipped with software relevant to all department courses.

CSC 101 Application Systems – Concepts and Practice (fs)
Covers Microsoft Word, Access, Excel, and specialized coverage of PowerPoint. Includes database design and development service project. 3 credits

CSC 110 Introduction to Computer Science (s)
Provides an overview of selected computer science topics such as data representation, Boolean logic, and how they apply to programming, and general coverage of operating systems and program execution. Includes gentle introduction to computational and virtual world programming. 3 credits
CSC 140 Introduction to Web Design (fs)
Provides an introduction to basic website development. Topics include, site construction and management, templates, dynamic page layout for various displays such as desktop, tablet, and mobile devices. Additional topics include color theory, and content containers such as tables, forms, and AP elements. 3 credits

CSC 150 Introduction to Animations (fs)
An gentle introduction to programming practices and skills required to animate characters and objects in a 3-D virtual world environment. Animation development includes building character behavior and organizing the story of an animation into scenes and shots. 3 credits

CSC 201 Introduction to Programming (f)
Rigorous foundation in high-level programming. Topics include data representation, control structures, classes, methods and arrays, and data structures. Emphasizes problem solving, decomposition, and algorithm development. Introduces sorting, searching, and algorithm analysis. First course for the major. 3 credits

CSC 212 Data Structures (s)
Prerequisite: CSC 201 Introduction to Programming
Introduces fundamental data structures such as lists, stacks, queues, trees and graphs. Topics include recursive algorithms and further study in sorting, searching, and algorithm analysis. 3 credits

DANCE (DAN)

Degree: Associate in Fine Arts-Dance (page 51)
Minor: Dance (page 44)
Faculty: Associate Professor Byrnes and Lecturer Whitsett

DAN 107 Dance Appreciation (s)
Introduces dance as historic, creative and communicative art form. Explores elements of dance through philosophical reading, writing, discussion, and observation. 3 credits

DAN 111 Beginning Ballet (fs)
Fundamentals of ballet technique, intended for those with little or no ballet experience. Emphasis on development of basic skills, strength, control, flexibility, and rhythmic awareness. Performance of simple dance phrases using fundamentals. May be repeated for credit. 1 credit

DAN 121 Beginning Jazz (fs)
Fundamentals of jazz dance, intended for those with little or no dance experience. Experiences in lyrical, hip hop, and more traditional Broadway and Hollywood styles. Emphasis on development of basic skills, strength, control, flexibility, and rhythmic awareness. Performance of simple dance phrases using fundamentals. May be repeated for credit. 1 credit

DAN 131 Beginning Tap (y)
Fundamentals of technique in tap dancing, intended for those with little or no tap experience. Emphasis on rhythm and style. Emphasis also on development of basic skills, strength, control, and flexibility. Performance of simple dance phrases using fundamentals. May be repeated for credit. 1 credit

DAN 136 Musical Theatre Dance (y)
Course offers students with any level of movement experience the opportunity to learn choreography from stage and film musicals. May be repeated for credit. 1 credit

DAN 145 Improvisation (s)
Course offers students with any level of movement experience the opportunity for creative exploration of spontaneously generated movement. May be repeated for credit. 1 credit

DAN 146 Beginning Modern (fs)
Introduces basic elements and principles of modern dance, intended for those with little or no dance experience. Various styles explored. Emphasis on development of basic skills, strength, control, flexibility, and rhythmic awareness. Performance of simple dance phrases using fundamentals. May be repeated for credit. 1 credit

DAN 200 Dance Company (fs)
Prerequisite: Audition
Co-requisite: DAN 111, 121, 146, 211, 221, or 245
Rehearsal and presentation of concert works by faculty, students, and guest artists. May be repeated up to 8 times for credit. 0-1 credit

DAN 201 Introduction to Choreography (f)
Prerequisite: DAN 145 Improvisation
Exploration of basic elements, processes, and theories of dance making. The course stresses innovation, focused choreographic concepts, and creation of dances that include a variety of expressive movement qualities and interesting visual elements that complement the performer(s). 3 credits

DAN 211 Intermediate/Advanced Ballet (fs)
Prerequisite: instructor permission
Intermediate/advanced level ballet technique course. Intended for those with previous ballet training. Emphasis on increased technical abilities, complex movement combinations, and enhanced performance qualities. May be repeated for credit. 1 credit

DAN 221 Intermediate/Advanced Jazz (s)
Prerequisite: instructor permission
Intermediate/advanced level jazz technique course. Intended for those with previous dance training. Emphasis on increased technical abilities, complex movement combinations, and enhanced performance qualities. May be repeated for credit. 1 credit
DAN 232 Intermediate/Advanced Tap (y)  
Prerequisite: instructor permission  
Further exploration of tap dance techniques. Intended for those with previous tap training. Emphasis on increased technical abilities, complex movement combinations, and enhanced performance qualities. May be repeated for credit. 1 credit

DAN 245 Intermediate/Advanced Modern (f)  
Prerequisite: instructor permission  
Intermediate/advanced level modern dance technique course. Intended for those with previous training. Emphasis on increased technical abilities, complex movement combinations, and enhanced performance qualities. May be repeated for credit. 1 credit

ECONOMICS (ECO)  
Faculty: Professor Lunkenheimer

ECO 201 Principles of Economics 1: Macroeconomics (f)  
Why are you not driving the car of your dreams? Find out in economics, where students will examine the basic concepts including supply and demand, scarcity, choice, markets, prices, inflation, employment, growth, money and banking, monetary and fiscal policy, and international trade. 3 credits

ECO 202 Principles of Economics 2: Microeconomics (s)  
Basic concepts of microeconomics including scarcity and choice, markets and prices, elasticity, externalities and common resources, costs of production, product markets, factor markets, and selected issues topics. 3 credits

EDUCATION (EDU)

Degree: Bachelor of Arts & Bachelor of Science in Secondary Education (page 34)

EDU 210 Foundations of Education  
This course is a survey of the philosophical, historical, sociological, and legal foundations of education in the United States. Students will examine the roles and responsibilities of teachers and the legal/ethical aspects of teaching. Strategies for consulting and collaborating with parents, other teachers, administration, and community partners will be examined. Cultural diversity, multicultural education, and differentiated instruction will be included. Students will complete the Missouri Educator Profile (MEP). This is a prerequisite for all Education courses. 3 credits

EDU 290 Field Experience I  
Prerequisite: EDU 210  
This course provides observation experiences in the school setting. Students will be required to document 30 hours. 1 credit

EDU 315 Assessment in Education  
Prerequisite: EDU 210  
This course provides students experience in creating fair and effective assessments. Students will learn about measurement, item analysis, interpretation, and steps of developing appropriate classroom tests and assessments; performance assessments; standardized testing; biases in educational assessment; and self-assessment. 3 credits

EDU 320 The Exceptional Learner  
Prerequisite: EDU 210  
This course is an introduction to human exceptionality and the field of special education. The student will develop an understanding of the unique characteristics, strengths, and challenges of exceptional learners along with the competencies to effectively teach exceptional learners. 3 credits

EDU 325 Literacy in the Content Areas  
Prerequisite: EDU 210  
This course provides students with techniques for assessing and improving literacy skills in their content area. This includes reading to learn and writing to learn as part of literacy skills. Students will learn to apply reading and writing concepts, theories, and techniques to content area material by developing lesson plans and materials. Cultural diversity, multicultural education, and differentiated instruction will be included. Special consideration will be given to developing literacy skills of English Language Learners will be included. 3 credits
EDU 370 Teaching in Secondary Schools  
Prerequisite: EDU 210  
This course examines the techniques for effective teaching at the secondary level. This includes designing engaging and rigorous lessons to meet the needs of diverse learners. Bloom’s Taxonomy will be examined in relation to learning objectives and assessments in lesson planning. Students will design units of instruction that include critical thinking and problem solving activities as well as strategies for teaching English Language Learners. Cultural diversity, multicultural education, and differentiated instruction will be included. Strategies for consulting and collaborating with parents, other teachers, administration, and community partners will be examined. Educational technology will be reviewed/introduced.  
3 credits

EDU 382 Secondary Methods of Teaching English  
Prerequisites: EDU 210 and EDU 370.  
This course examines a variety of methods of teaching English in high schools, including inquiry, cooperative learning, differentiation, and interdisciplinary, etc. as well as specific strategies unique to English instruction. Students will also develop a Unit Plan of instruction.  
3 credits

EDU 383 Secondary Methods of Teaching Business Education  
Prerequisite: EDU 210 and EDU 370  
This course examines a variety of methods of teaching business education in high schools, including inquiry, cooperative learning, differentiation, and interdisciplinary, etc. as well as specific strategies unique to business education. Instruction. Students will also develop a Unit Plan of instruction.  
3 credits

EDU 384 Secondary Methods of Teaching Science  
Prerequisite: EDU 210 and EDU 370  
This course examines a variety of methods of teaching science in secondary schools, including inquiry, cooperative learning, differentiation, and interdisciplinary, etc. as well as specific strategies unique to science instruction. Students will also develop a Unit Plan for instruction.  
3 credits

EDU 385 Secondary Methods of Teaching Social Science  
Prerequisite: EDU 210 and EDU 370  
This course examines a variety of methods of teaching social science in secondary schools, including inquiry, cooperative learning, differentiation, and interdisciplinary, etc. as well as specific strategies unique to social science instruction. Students will also develop a Unit Plan for instruction.  
3 credits

EDU 386 Secondary Methods of Teaching Speech & Theatre  
Prerequisite: EDU 210 and EDU 370  
This course examines a variety of methods of teaching speech & theatre in high school, including inquiry, cooperative learning, differentiation, and interdisciplinary, etc. as well as specific strategies unique to speech & theatre instruction. Students will also develop a Unit Plan of instruction.  
3 credits

EDU 390 Field Experience II  
Prerequisite: EDU 210 and EDU 290  
This course provides involvement in a secondary classroom. Students will observe and participate in a variety of activities to become familiar with the total school experience. The student will be required to document 45 hours of observation and activity.  
1 credit

EDU 415 Classroom Management  
Prerequisite: EDU 210  
This course examines differentiated instruction and the role of the teacher in creating a classroom environment conducive to effective learning. Behavioral management techniques in classroom management will be included. The role of instructional technology (interactive whiteboard, clickers, podcasting, flipped classrooms, etc.) will be reviewed/introduced. Legal and ethical issues of technology in the classroom will be examined.  
3 credits

EDU 425 Literacy Intervention  
Prerequisite: EDU 210  
This course presents strategies to increase the reading ability of adolescent students. The focus is helping students gain more from their reading tasks, improve their motivation for and engagement in the learning process as well as assist struggling readers who may need intervention on an individual basis. Special consideration will be given to developing literacy skills of English Language Learners.  
3 credits

EDU 490 Student Teaching  
This culminating clinical experience involves observation and supervised teaching in a secondary school classroom. Students should have completed all courses required for the program prior to this course. Additional information on the student teaching application process and requirements can be found on the website. (Senior standing; Fee $100, non-refundable)  
8 credits
Cottey's English Department offers courses which recognize the integral relationship among thinking, reading, and writing. Students are given opportunities to engage in critical discussions, travel to literary sites, present papers at conferences, and edit and publish in our literary journal. In addition to developing in students the ability to read deeply, think critically, and write effectively, the English program helps students discover who they are, what they think, and what they are capable of achieving.

**ENG 103 Introduction to Literature (f)**
Examines fiction, poetry, and/or drama from a variety of perspectives. Covers components, devices, and vocabulary that characterize various literary genres. **3 credits**

**ENG 200 Introduction to the English Major (xf)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Introduces students to the discipline of English. Considers issues in the profession of English, and career options for English majors. Introduces students to academic journals, literary criticism, and literary theory. **3 credits**

**ENG 201 English Literature 1 (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Study of works by selected British writers who represent significant literary movements up to Romantic period. Includes some writing about British literature. **3 credits**

**ENG 202 English Literature 2 (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Study of works by selected British writers who represent significant literary movements from Romantic period to present. Includes some writing about British literature. **3 credits**

**ENG 205 American Literature 1 (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Study of works by selected American writers who represent significant literary movements up to the Civil War. Includes some writing about American literature. **3 credits**

**ENG 206 American Literature 2 (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Study of works by selected American writers who represent significant literary movements after the Civil War to present. Includes some writing about American literature. **3 credits**

**ENG 211 Excursions (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Faculty-led excursions enable students to “experience and do English” so they may understand issues in a more sophisticated and critical way. Excursions require a minimum of 15 hours of academic commitment in and out of the classroom per credit hour. Topics vary. **1-2 credits**

**ENG 215 Shakespeare (xs)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
In-depth study of selected plays and poems, with some consideration of historical and critical contexts. Includes some writing about Shakespeare’s work. **3 credits**

**ENG/WGS 220 American Women Writers (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Introduces students to American women writers in traditional and nontraditional genres. Focuses on the way women explore or subvert gender. Includes writing about women and literature. **3 credits**

**ENG/WGS 222 British Women Writers (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
Introduces students to British women writers from the 17th century to the present. Focuses on obstacles faced by British women writers and the way women historically have explored or subverted gender. Includes writing about women and literature. **3 credits**

**ENG 230 Studies in Ethnic Literature (y)**
Prerequisite: WRI 102, ENG 103, or permission of instructor
The content of this course varies, consisting of selected works of ethnic groups within or outside the United States. Includes consideration of the historical and cultural contexts in which the literature is produced. **3 credits**

**ENG 231 Studies in Ethnic Literature: African-American Literature (y)**
This course will survey the history of African-American Literature from the eighteenth century to the present. We will read a wide range of literary texts, as well as cultural and political documents. In analyzing these works, we will also consider art and music, literary and critical theory, and social responsibility. **3 credits**

**ENG 232 Studies in Ethnic Literature: Ethnic Women Writers (y)**
This course will focus on ethnic literature by women writers in the U.S. and abroad. We will read a number of novels; however, we will also consider stories, poems, and theoretical essays. In addition, we will discuss issues of women’s leadership, social responsibility, and global awareness. **3 credits**

**ENG 290 English Grammar and Usage (xf)**
This course will provide a review of the basics of grammar and mechanics for the purpose of knowing and explaining how English grammar and language works. Students will learn the Reed-Kellogg system of diagramming to understand the deep structure of language. Grammar will be presented from both a prescriptive and descriptive perspective. Ideal for students interested in language and writing, studying a foreign language, or wanting to teach English or a foreign language. **3 credits**
ENG 308 Young Adult Literature (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course introduces students to Young Adult Literature in a variety of genres. Includes discussion of various pedagogical methods for response-based teaching and issues in literary censorship. Fulfills post-1900 B.A. English requirement. 3 credits

ENG/WGS 310 Women in Shakespeare (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course stresses the plays where women play prominent roles, wield political power, or strongly determine the play’s outcome. Some writing about Shakespeare required. Fulfills pre-1900 BA English requirement. 3 credits

ENG 312 History of the English Language (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course investigates the three phases of the English language - Old, Middle, and Modern English - and the relations of language to history and culture. 3 credits

ENG 320 Topics in Fiction (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course focuses on an in-depth study of the novel from a thematic, generic, or developmental perspective. Topics vary. Close reading, active discussion, and researched analysis will be central to the class. 3 credits

ENG/WGS 321 Topics in Fiction: Eighteenth-Century British Women Writers (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This class surveys the novels of a variety of British women writing during the long 18th century. Works will be studied in context and, where applicable, in dialogue with one another and with other fiction of the time. Also examines select works of literary criticism and excerpts from contemporaneous nonfiction. Fulfills pre-1900 B.A. English requirement. 3 credits

ENG/WGS 322 Topics in Fiction: Future Women: Science Fiction by American Women (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course covers science fiction by American women from 1900 to the present. Emphasizes genre, gender issues, and theoretical models of science fiction. Some writing required. Fulfills post-1900 B.A. English requirement. 3 credits

ENG 323 The Modern Global Novel (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course covers diverse novels since 1900 that encourage global awareness. Some readings will be translations of novelists who published work in foreign languages. Some writing on the global novel required. Fulfills post-1900 B.A. English requirement. 3 credits

ENG/WGS 324 On Location: British Women Writers at Home (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course explores how a writer’s environment shapes literary output. Texts covered include novels, theoretical essays, and literary criticism. In addition to classes on campus throughout the semester, students travel to England to visit the homes, hometowns, or other relevant sites closely linked to various British women novelists. In addition, the class promotes strategies of sustainable tourism such as public transportation, use of local hotels/bed and breakfasts, etc. Fulfills pre-1900 B.A. English requirement and excursion requirements. 3 credits

ENG/WGS 325 Topics in Fiction: The Transgender Novel (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course covers transgender themes, characters, and sexualities. Students will consider transgender theory and a wide range of literary texts and films. Fulfills post-1900 B.A. English requirement. 3 credits

ENG 330 Topics in Poetry (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
Thematic, stylistic, or period study of poetry. Topics vary. 3 credits

ENG 331 Topics in Poetry: Victorian Poetry (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
Survey of British poetry written during the Victorian period, covering authors such as Tennyson, the Brownings, Christina Rossetti, and Thomas Hardy. Explores the cultural, political, and social milieu of the time in order to gain a deeper understanding of the many themes and stylistic innovations of the period. Fulfills pre-1900 B.A. English requirement. 3 credits

ENG 332 Topics in Poetry: The Greening of American Poetry: 1945 to Present (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course will explore the attention post-World War II American poets gave to nature, renewal of habitats, and poetic perceptions of planetary wholeness. The rise of ecopoetics and writing as activism will be considered. Fulfills post-1900 B.A. English requirement. 3 credits

Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course will explore the poetry of four important mid-twentieth-century American women poets: Gwendolyn Brooks, Anne Sexton, Adrienne Rich, and Sylvia Plath. We will employ close readings of their work, feminist literary theory, and interdisciplinary approaches to understand their position in literary history, their response to American...
culture, and their “revisioning” (to use Adrienne Rich’s term) of women’s experience. Special attention will be given to women’s leadership and social responsibility. Fulfills post-1900 B.A. English requirement. 3 credits

ENG 350 Topics in Pre-1900 Literature (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
Thematic, stylistic, or period study of poetry, narrative (fiction or nonfiction), or drama. Topics vary. 3 credits

ENG 351 Topics in Pre-1900 Literature: The Gothic Revival (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course covers Gothicism as a literary movement, mode, and ideology. Traditional and contemporary theories related to the Gothic will be included, and drive research projects. Fulfills pre-1900 B.A. English requirement. 3 credits

ENG 352 Topics in Pre-1900 Literature: American Realism and Naturalism (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
Course will consider American literature written between the Civil War and World War I. The class will analyze its literary, historical, cultural, social, and theoretical contexts, and special attention will be given to gender, race, class, and sexuality. Fulfills pre-1900 B.A. English requirement. 3 credits

ENG 360 Topics in Post-1900 Literature (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
Thematic, generic, stylistic, or period study of post-1900 literature. Topics vary. 3 credits

ENG 363 Topics in Post-1900 Literature: World War I (y)
Prerequisites: ENG 103, second-year standing, OR permission of instructor
World War I marked a pivotal moment in world history as technology and industrialization led to the first large-scale use of heavy artillery and other weapons of mass destruction. In this course, we will trace these developments and their effects on the human psyche. Readings include poetry, novels, journals, letters, and other nonfiction. Fulfills post-1900 B.A. English requirement. 3 credits

ENG/WGS 364 Topics in Post–1900 Literature:
“Make it New!”: Women and Literary Modernism (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course surveys the wide range of Modernist literature that responds to the social, artistic, technological, intellectual, and economic changes that took place in the early 20th century. Students will use literary theory and criticism, as well as other cultural artifacts, to understand the ways in which writers make sense of their rapidly-changing world. Special attention will be given to women’s leadership, social responsibility, and global awareness. Fulfills post-1900 B.A. English requirement. 3 credits

ENG 370 Major Authors (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
In-depth study of a single author or a pair of authors. Topics vary. 3 credits

ENG/WGS 371 Major Authors: Jane Austen (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
Class will explore the development of Jane Austen’s literary career through a focus on her six major novels and some of the juvenilia. Background information on Austen’s life and times will enable students to appreciate the many themes and subtexts of these works. Fulfills pre-1900 B.A. English requirement. 3 credits

ENG/WGS 372 Major Authors: Toni Morrison (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
Exploration of the development of Toni Morrison’s literary career, focusing primarily on her novels and criticism. Fulfills post-1900 B.A. English requirement. 3 credits

ENG/IDS 380 Interdisciplinary Topics in Literature (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course focuses on the ways in which English can work with other disciplines to gain a better understanding of literature and the world. Topics vary. 3 credits

ENG/IDS 382 “Where the Truth Lies”:
Mad Men, Gender, and the American Dream (y)
Prerequisite: ENG 103, any 200-level ENG course (except ENG 290), or permission of instructor
This course will consider the award-winning AMC series Mad Men from a variety of perspectives. We will examine the cultural and historical context of the show, analyze key scenes, and discuss topics such as advertising, identity, nostalgia, design, fashion, visual style, race, class, gender, and sexuality. Fulfills post-1900 B.A. English requirement. 3 credits

ENG 410 Critical Theory (y)
Prerequisite: ENG 200, second-year standing, OR permission of the instructor
Provides a historical and thematic survey of critical theory and an interdisciplinary theoretical framework for the analysis and understanding of literature and the world beyond the text. 3 credits

ENG 490 Capstone Research Project (s)
Prerequisite: Open only to senior English majors.
Culmination of the student’s work in the major. Allows student to complete a thesis under the direction of an English faculty member. Class meetings will guide and support the thesis-writing process by creating regular writing workshops for students and allowing for various kinds of feedback during each stage of the process. Students will also develop résumés, application letters, and portfolios, and they will present their theses to the campus community. 3 credits
ENVIRONMENTAL STUDIES (ENV)

Degree: Bachelor of Arts in Environmental Studies (page 24)
Certificate: Certificate in GIS (Geographic Information Systems) (page 53)
Faculty: Professors Firkus, Jones, Peterson, and Ross; Associate Professor Fernando; and Assistant Professor Das (coordinator)

The Environmental Studies Department prepares students for environmental leadership careers in civic or federal services, environmental consulting, entrepreneurial industries, or emerging “green” industries and services, as well as for postgraduate studies of environmental assessment and management, environmental law, fish and wildlife and international relations and business.

ENV 110 Introduction to Environmental Studies (s)
This is a 100-level introductory course that will introduce the field of environmental studies. Environmental studies is an interdisciplinary field and it borrows concepts from multiple disciplines such as environmental sociology, human ecology, geomorphology, development studies, environmental health, and environmental planning and design. This course will introduce the various dimensions of the field including environmental ethics, ecosystem studies, earth and atmospheric sciences, globalization and environment, environmental movements, environmental policy, political ecology, environmental health, environmental justice, environmental economics, environmental planning and GIS. It will also discuss the possible career opportunities that exist in the field. 3 credits

ENV/BIO 120 Introduction to Environmental Science (xs)
Involves all basic sciences (geology, physics, chemistry, and biology) in introducing scientific study of biogeochemical cycles and energy flow through ecosystems. It especially considers impact of human activities on populations, communities, and ecosystems. 3 credits

ENV 125 World Regional Geography (fs)
This course will introduce students to the different world regions including regions in Asia, Africa, North America, Latin America and Europe. Students will learn the history, culture, population, territory, economy, and the environment of each region that will provide them with a comprehensive understanding of each. This course will make them globally aware of the different regions of the world and also keep them well informed of some of the current events that are affecting the regions. 3 credits

ENV/CHE 130 Introduction to Environmental Chemistry (f) Corequisite: CHE 131 Intro to Environmental Chem Lab Presents chemical principles at an introductory level with an emphasis on the use of these principles to understand and describe chemical processes that occur in the environment. Covers fundamentals including atomic and molecular structure, measurement and stoichiometry, solutions, acid-base chemistry, nuclear chemistry, energy, and behavior of gases. Not open to students with credit in CHE110, CHE 120, or CHE 210. 3 credits

ENV/CHE 131 Introduction to Environmental Chemistry Laboratory (f) Corequisite: CHE 130 Intro to Environmental Chem Introduces basic chemistry laboratory work with experiments designed to show applications of chemistry to the investigation and analysis of the environment. 1 credit

ENV/PHE 134 Outdoor Skills and Adventure Activities (y)
Prerequisite: Walk two miles in 32 minutes or less Introduces outdoor safety, first aid, survival skills, appropriate clothing and outdoor equipment, orienteering, use of a compass, GPS, and map reading skills. Activities will consist mainly of day hiking with an additional opportunity each semester for caving, geocaching, or night hiking. Course combines lecture, activity, and required weekend participation. Meets for 8 weeks. 1 credit

ENV 225 Environmental Awareness and Ethics (f)
Environmental awareness and ethics goes hand in hand. Environmental awareness develops with understanding of ethical relationships that humans share with the non-human world. This course will examine frameworks in environmental ethics, intergenerational justice, food justice, animal rights, land ethics, and ecological justice. This course will have a service learning component. 3 credits

ENV 270 Introduction to Geographic Information Systems (GIS) and Geospatial Technology (f)
GIS is being widely used in the United States and elsewhere in the world. In academia and in the public and the private sector including health care and government services, industry and others GIS use is becoming very popular. In environmental studies, the use of GIS has increased in the recent years. This course will enable students to learn the basics of GIS theory, GPS and remote sensing technologies; prepare and analyze maps using spatial analysis tools; and be familiar with the recent trends in the field. 3 credits

ENV 310 Mastering Geographic Information Systems (GIS) (xs)
Prerequisite: ENV 270 Intro to GIS and Geospatial Technology This course focuses on Geographic Information Systems (GIS) as an essential interdisciplinary tool in environmental studies, business, art and other disciplines. Through practical applications of ESRI Arc View students learn GIS fundamentals and will become proficient in using GIS in many professional and academic fields. Topics include cartography, geodatabases, metadata and spatial analysis, as well as, building, editing, and analyzing GIS. Students will complete a final project with a topic of their choice. 3 credits

ENV/IDS 315 Ecosystems, Function, and Management (xf)
Prerequisite: Intro to Env. Studies ENV 110 or ENV 125 This course is divided into three sections. The first part will examine ecosystem functions, concepts and services. The second part will explore human impact on the ecosystems and its management approaches. The third part will investigate...
major ecosystems including aquatic, forest, prairie, desert and cave ecosystems. Case studies analyzing problems and management issues of these ecosystems will be discussed. The practical aspect of this course will include fieldtrip to a major ecosystem. 3 credits

ENV/HIS 320 American Environmental History (xf)  
Prerequisite: ENV 110 Introduction to Environmental Studies AND either HIS 111 United States History to 1877, HIS 112 United States History since 1877, or HIS 150 Introduction to Historical Methods  
In this course, students will analyze changing perceptions and uses of the environment in the United States from pre-contact time to the present. Emphasis will be placed on examples of sustainability and conservation practices. 3 credits

ENV/CHE 330 Environmental Chemistry and Social Justice (xs)  
Prerequisite: ENV 110 Introduction to Environmental Studies, CHE 130/131 Introduction to Environmental Chemistry  
An interdisciplinary course focused on the specific ways that human activity can lead to the accumulation, depletion, and alteration of chemicals in the environment, and the resulting effects of changed chemical levels on both the environment and the people who live in the environment. The intersection of environmental chemistry and social justice will be explored through an examination of the disparate ways in which members of different groups, both nationally and internationally, experience acute and/or chronic negative effects from living in degraded and contaminated environments. Supporting topics will include activism, environmental remediation, law and policy. 3 credits

ENV/IDS 331 Sustainable Tourism (y)  
Prerequisites: Intro to Env. Studies ENV 110 or ENV 125  
This course will critically examine the extent to which the tourism industry has been sustainable. Students will first learn the history of the tourism industry and then examine how the idea of sustainable development has been attached to the industry. Next, the course will analyze the different dimensions of sustainable tourism including socio-cultural, environmental, and economic dimensions. Finally, the course will examine how and to what extent the tourism industry has been sustainable in different settings such as urban, rural, mountain, and wilderness areas. 3 credits

ENV 335 Earth Science: Soil, Water, Atmosphere (y)  
Prerequisites: Intro to Env. Studies ENV 110 or ENV 125  
This course will examine the physical geographic aspects including various dimensions of the atmosphere; solar energy, seasons and global temperature; water, weather and climate systems; and earth-soil dynamics. Therefore, this course is divided into three parts: atmospheric system, water weather and climate system, and earth-soil dynamics. The practical aspect of this course will include fieldtrip to geological facilities in Missouri. 3 credits

ENV/IDS 345 Economics of the Environment (y)  
Prerequisite: ECO 202 Principles of Economics 2: Microeconomics or ENV 110 Introduction to Environmental Studies  
The course introduced economic models and their applications to the management of the environment. It includes analytical tools for environmental planning, investigates applications to air quality, water quality, solid wastes, toxic substances, and surveys global environmental management issues. 3 credits

ENV/IDS 350 Environmental Conditions and Global Economic Development (xs)  
Prerequisites: Intro to Env. Studies ENV 110 or ENV 125  
In this 300-level course, students will first learn about the concepts of globalization and population dynamics and then examine how environmental resources are impacted due to population pressure and the forces of globalization. They will also learn how environmental movements worldwide are responding to the forces of globalization. This course is divided into several sections. Concepts of globalization and population dynamics comprise the first section. The second section examines the effects of globalization on water resource, food system and biodiversity, waste, and energy resources. The third section will investigate the connection between globalization and environmental politics with a focus on the politics over climate change. The final part will study environmental movements in the United States and beyond. 3 credits

ENV 360 Environmental Planning/Environmental Impact Assessment (y)  
Prerequisite: ENV 110 Introduction to Environmental Studies  
This course analyzes basics of the environmental planning process and how to create and foster development and redevelopment that meets social, ecological and economic goals. Students will become familiar with Environmental Impact Assessment and how it should be carried out. Topics covered include: architecture – environmental aspects; historic buildings preservation and adaptive reuse of the historic build environment; urban environmental and social issues; building gender equality in urban life; globalization and its regional and international impacts on urban processes; pressure on the environment caused by human activities and structures. 3 credits

ENV 365 Environmental Justice (y)  
Prerequisites: Sophomore or higher, or permission of the instructor  
Environmental Justice will focus on the works of the first generation EJ scholars who were inspired by environmental racism; conceptions of environmental inequality formation by the second wave of EJ scholars; and how environmental justice activism and theory expanded to include new empirical spaces in different national contexts. 3 credits

ENV 390 Environmental Studies Forum (s)  
Prerequisite: General education requirements completed  
This course will focus on advances in the field of environmental studies, professionalism, research ethics, and preparation of students for graduate school and environmental studies oriented jobs. 3 credits
ENV 485 Capstone Research/Outreach Project (Part I) (f)
Prerequisite: General education requirements completed
The Capstone is the culmination of the student’s work in the major. Over a period of two semesters, students will complete a thesis under the direction of an Environmental Studies faculty member or professional expert. This course will focus on the first part of the project. Students will be exposed to peer-reviewed scientific papers and will be able to strengthen their presentation skills. Students will learn how to write a research proposal which will include identifying a research title, writing a concise introduction, a background section, research questions, literature review, data collection and analysis methods, significance of the study and a conclusion. Students will present their progress regularly and their research proposal at the end of the semester. 3 credits

ENV 490 Capstone Research/Outreach Project (Part II) (s)
Prerequisites: ENV 485 Capstone Research/Outreach Project (Part I)
This course is the second part of the capstone research project. Students will work on the research proposal that they wrote in capstone research part I. This process will include writing IRB application, getting IRB approval, data collection and analysis, and thesis writing. Finally, students will present their final thesis to the faculty, students and academic staff of Cottey College at the end of the semester. 3 credits

FILM STUDIES (FLM)
Faculty: Professor Emery and Assistant Professor Mba

The film studies program offers a variety of courses designed to give students a solid foundation in film. The film courses offered each semester over a two-year period will help students appreciate and analyze cinematic art from historical, theoretical, thematic, and technical perspectives. These courses are designed to prepare students to go on to pursue majors in film studies and filmmaking.

FLM 101 Introduction to Film Studies (xy)
Introduction to the basic critical and technical vocabulary, modes of analysis, theoretical approaches, and historical background required for academic film studies. 3 credits

FLM 251 International Film (xy)
Introduces international cinema, which initially developed in isolation from, then in opposition to, the narrative and cinematic techniques of dominant Hollywood cinema. Includes Soviet montage, German Expressionism, Italian Neo-Realism, French, New Wave, Latin American-Third World (African) Cinema. Films by critically acclaimed directors from Japan, Sweden, and elsewhere may be included. 3 credits

FLM 252 American Film (xy)
Introduction to American motion picture. Trends in each decade will be explored, from the 1920s to 1990s. Backgrounds on filmmaking and film adaptation from other sources will be explored. 3 credits

FLM/WGS 253 Women and Cinema (xy)
Focused on films by or about strong female leading characters, real and fictitious, good and bad. Includes basic critical vocabulary and skills, as well as a general background of some of the important writers, directors, and actors in this genre. 3 credits

FOREIGN LANGUAGES
Faculty: Associate Professor Bourbon and Assistant Professor Mba

Foreign languages are an integral part of liberal arts studies. Increasingly, foreign languages are either a requirement in a chosen area of study or a valuable skill for careers in specific fields. Many graduate programs require a reading knowledge of one and sometimes two foreign languages. The program is adapted to those students interested in language as part of a liberal arts education and those planning to major in foreign languages. Possible career fields for a student majoring in foreign languages include teaching, interpreting or translating, law, international relations, foreign affairs, government, international business, comparative literature, fine arts, library science, travel and tourism, journalism, and health care services.
FRENCH (FRE)
Faculty: Assistant Professor Mba

FRE 101 Elementary French 1 (f)
Essentials of grammar and composition with progressive practice in listening, speaking, reading, and writing. 4 credits

FRE 102 Elementary French 2 (s)
Prerequisite: FRE 101 Elementary French 1
Continuing emphasis on grammar, composition, reading, speaking, listening, and culture competence. 4 credits

FRE 201 Intermediate French 1 (f)
Prerequisite: FRE 102. Elementary French 2 or four years of High School French (With Instructor’s approval).
Systematic review of grammatical structures and principles with vocabulary building; developing skills and techniques to learn French as spoken and written language. 3 credits

FRE 202 Intermediate French 2 (s)
Prerequisite: FRE 201 Intermediate French 1
This course is a continuation of the skills and themes taught in FRE 201. Students will refine their understanding of grammatical structures; they will expand their vocabulary; and they will improve their reading and conversational skills. 3 credits

FRE 211 French Literature 1 (xy or independent study)
Prerequisite: FRE 202 Intermediate French 2
Survey of French poetry and theater from its origins to present day. Course includes lectures, reading, and discussion of representative works. 3 credits

FRE 212 French Literature 2 (xy or independent study)
Prerequisite: FRE 202 Intermediate French 2
Survey of French short story and novel its origins to present day. Course includes lectures, reading, and discussion of representative works. 3 credits

FRE 213 Oral French (xy or independent study)
Prerequisite: FRE 202 Intermediate French
Develops comprehension of spoken French as step toward further developing oral expression. Includes review of difficult grammar concepts. 3 credits

FRE 214 French Civilization (xs or independent study)
Prerequisite: FRE 202 Intermediate French 2
French history and geography from the medieval age to the present; Past history as introduction to the present political, economic, and social life; French culture and its diffusion in the world. 3 credits

FRE/WGS 215 Francophone Women in Translation (s)
This course introduces students to influential women writers and film directors from several different Francophone countries. This course explores the themes of class, race, gender, identity, family, language, education, culture, and social progress. It will explore the history, geography and socio-cultural dynamics of the Francophone country or area from which the work being studied originates. Students will read a variety of genres: novel, short story, autobiography, memoir, drama, and poetry. In addition, they will watch several films by female directors or that have female protagonists. All works will be read and discussed in English. 3 credits
The history program offers students the opportunity to study the major institutions, ideologies, philosophies, politics, culture, social features, religious beliefs, and the art and literature contributing to the development of Western Civilization, the United States, and Asia. An informed awareness of historical developments will prepare students for a diverse range of careers as well as for lives of action and contribution in contemporary society. Students’ learning goals in these disciplines involve three principal areas: critical thinking skills, communication skills, and material knowledge.

**HIS 101 History of Western Civilization to 1500 (f)**
Survey of Western Civilization from its ancient origins to A.D. 1500. 3 credits

**HIS 102 History of Western Civilization Since 1500 (s)**
Survey of Western Civilization from A.D. 1500 to present. 3 credits

**HIS 110 World History 1 Civilizations and Peoples of the World, Prehistory to the Renaissance (y)**
This course will survey the rise and fall of all the major civilizations of world history from pre-History to the Italian Renaissance. 3 credits

**HIS 111 United States History to 1877 (f)**
Survey of the development of United States from its colonial origins to end of Reconstruction. 3 credits

**HIS 112 United States History Since 1877 (s)**
Survey of development of United States from Reconstruction to present. 3 credits

**HIS 121 Native American History (f)**
Study of the experiences of and policies toward Native Americans of North America. 3 credits

**HIS 125 Asian Civilization (f)**
Study of the culture and history of China, Japan, Korea, and Southeast Asia. 3 credits

**HIS 150 Introduction to Historical Methods (s)**
How do historians know what they know? This course will introduce the field of history and its methods. Learn about local history as projects are completed, each incorporating a different type of historical presentation. 3 credits

**HIS 202 Europe Today (f)**
Prerequisite: HIS 102 History of Western Civilization Since 1500 OR HIS 112 United States History Since 1877
Study of historical development of twentieth-century European society and its relation with world society. 3 credits

**HIS/WGS 211 History of Women in the United States (s)**
Survey of women in United States from colonial to modern times. Introduces political, social, religious, and economic factors that influenced women’s roles in and contributions to U.S. society. 3 credits

**HIS 252 Medieval Europe (s)**
Surveys civilizations of Christian Europe, Byzantine Empire, and Islam during the Middle Ages (from C.E. 500 to 1500). Introduces social, religious, cultural, and economic factors that laid foundations of modern West. 3 credits

**HIS 255 Renaissance & Reformation Europe (xs)**
Survey of history of Renaissance & Reformation in Europe from late 14th to mid-17th centuries. Religious, political, social and cultural conflicts will be studied to reveal their important role in forging modern western world. 3 credits

**HIS 320 American Environmental History (xs)**
Prerequisites: BIO 120 Introduction to Environmental Science, or previous history class
In this course, students will analyze changing perceptions and uses of the environment in the United States from pre-contact time to the present. Emphasis will be placed on examples of sustainability and conservation practice. 3 credits

**HIS/WGS 330 Women's Suffrage Movement (xf)**
Prerequisites: HIS 150, WLS 102, or a previous history class
In this course students will explore the leaders of the “Votes for Women” movement in the United States and their methods, 1848-1920. 3 credits
The Bachelor of Science degree in Health Sciences is designed to prepare students who wish to (1) enter post-graduate training in order to pursue professional careers in the medical fields, (2) pursue graduate study in interdisciplinary scientific fields or (3) enter the scientific workforce immediately after completion of a bachelor’s degree. The curriculum is strongly based in the natural and physical sciences in order to ensure that graduates are well-prepared to begin a career or pursue post-graduate education. In addition to classroom and laboratory coursework, our program provides students opportunities to engage in undergraduate research in biology, chemistry, and the health sciences; explore potential career options during internships; get involved in the local health-care community through service-learning, and develop a more global perspective through study abroad.

**HSC 290 Seminar I (s)**
Prerequisite: CHE 210 General Chemistry I with grade of C or better
Presents an introduction to the health sciences through examination of the professional literature. The class will focus on the development of scientific writing and oral presentation. One hour per week. 1 credit

**HSC 390 Seminar II (s)**
Prerequisite: HSC 290 Seminar I with grade of C or better
A continuation of Seminar I, students will begin to define and research a topic for their Capstone. They will develop the topic, creating written and oral presentations. One hour per week. 1 credit

**HSC 440 Molecular Mechanism of Disease (f)**
Prerequisite: BIO 301 and CHE 340
Provides insight into how molecular studies can be employed to expand medical research and aid in the development of novel treatments and therapeutics. The course will cover a number of areas selected by the participants. Possible topics include neurodegenerative disorders, prion diseases, cancer, and diabetes. Three hours per week. 3 credits

**HSC 490 Capstone Research Project/Outreach Project (s)**
Students will gain further understanding of the health sciences by conducting laboratory or field research, conducting library research, or completing a service-learning project or internship. The project will be completed with support of faculty members in the health sciences program and will culminate in a research paper or project report. 3 credits

**INTERDISCIPLINARY STUDIES (IDS)**

Interdisciplinary studies draw upon and combine coursework from multiple academic disciplines to provide both broad perspective and in-depth focus on an area of study. Through interdisciplinary courses, students can gain greater insight and understanding of cultures and perspectives different from their own.

**IDS 201 Step Into the World! (fs)**
Prerequisite: Preliminary paperwork, passport, insurance, and payment(s) for travel to selected destination.
Provides academic and logistical preparation for international travel. Students will become knowledgeable about specific aspects of the place(s) she visits, as well as the process of international travel. The former may include history, politics, economy, and geography. Students may also assess similarities and differences in the beliefs, behaviors, and customs of the place(s) she visits empowering her to be a more globally aware and socially responsible community member. Final project, e.g., article, video, journal, multi-media presentation required. 1-2 credits

**IDS 205 Introduction to the Liberal Arts Major (xf)**
Introduces students to the liberal arts and to interdisciplinary. Considers skills required for the major, contemporary issues through a variety of disciplines, career opportunities, and why the liberal arts matter. 3 credits

**IDS/ANT 291 Language and Culture (f)**
See course description under “ANTHROPOLOGY” 3 credits

**IDS 312 Qualitative Research Methods (y)**
Prerequisites: IDS/ENV 125 or Introduction to Environmental Studies ENV 110 or ANT 151 or SOC 101 or Permission of the Instructor
This course will introduce the students to qualitative research methods. This course is divided into three parts: first, the students will examine what qualitative research method is and how it is different from positivist research traditions. Next, they will examine different qualitative data collection methods including interviews, fieldnotes, observation and focused group. Finally, the course will explore different techniques in data analysis including constant comparative analysis, narrative analysis and ethnography. Lab exercises will include the practical dimension of this course. 4 credits

**IDS/ENV 315 Ecosystems, Function, and Management (xf)**
See course description under “ENVIRONMENTAL STUDIES” 3 credits

**INTERNATIONAL BUSINESS (INB)**

Degree: Bachelor of Arts in International Business (page 18)
Faculty: Professor Lunkenheimer (coordinator), Assistant Professor Chelminska, and Assistant Professor Clyde.

The International Business Department prepares students for postgraduate study as well as for careers in government, business, or any multinational endeavor. All International Business majors take courses in business and international business, in addition to completing a major capstone course. The major in International Business includes basic knowledge of accounting, marketing, management, and finance and extends this knowledge through classes in global business, multinational finance, and international management. This major includes meeting a foreign language requirement prior to graduation.

**INB 110 Introduction to International Business (f)**
This course focuses on providing students with basic knowledge and understanding of the complex environment of the international business field. It highlights the differences between the domestic and international operations, stressing the importance of cultural, social, political, legal and economic concepts in order to comprehend the compound functions of global operations. It serves as an introductory course into the international business major and as a foundation for subsequent higher level courses. 3 credits

**INB 250 Women & Economic Development (y)**
Prerequisite: at least sophomore standing
This course focuses on the status and roles of women in developing countries. Addressing the problems of poverty, population growth, rural-urban migration, human capital formation, agricultural transformation, and environmental degradation, it emphasizes women as a critical part of the solution. The course includes student presentations. 3 credits
INB 345 Export Policies and Procedures (y)
Prerequisite: Junior standing
In this course, students will obtain a thorough understanding of the exporting process. It provides knowledge, materials, and information about current tactics and solutions in order to equip students with the necessary skills to manage exports in a company with international operations. Subjects include: selecting foreign markets, the role of cultural differences, documentation and logistics, forms of payment, international pricing, channels of distribution, and legal considerations. 
3 credits

INB 420 Multinational Business Finance (s)
Prerequisites: BUS 340 Principles of Finance
This course focuses on the theory and practice of multinational financial management. It covers the management of foreign exchange risk, intracorporate fund flows, and working capital, and examines foreign direct investment, international project analysis, and foreign operations financing. 3 credits

INB/IDS 450 Corporate Social Responsibility (s)
Prerequisite: Senior Year
This course examines the responsibilities of business corporations to their many constituencies. Explores various theories and examines the state of current practice. Includes concepts of ethics, environmental and social responsibility, governance, compliance, and sustainability accounting.
3 credits

INB 480 International Management (s)
Prerequisite: Taken in final semester
This course analyzes cross-cultural and international management issues, and the problems of managing in a global environment. Focuses on cultural and regional differences, political and economic influences, global market factors, and other variables that multinational enterprises must face.
3 credits

INB 490 Global Business Strategy (s)
Prerequisite: Taken in final semester
This course applies decision-making processes to practical business situations, using knowledge gained in previous courses. Examines business strategy and policy at executive management levels. Students will be assigned to develop a capstone project which include managerial, marketing, financial, operational, and expansion analyses. 3 credits

INTERNATIONAL RELATIONS (INR)

Degrees: Bachelor of Arts in International Relations (page 26)
Minor: International Relations (page 44)
Faculty: Associate Professor Watanabe (coordinator), and Assistant Professor Roy.

The International Relations program emphasizes the study of areas such as relations among states, the influence of globalization, and comparative politics. It considers such issues as the status of women in developing countries, poverty, and inequalities. In addition, the interconnectedness of these areas is emphasized through complementary electives in areas including anthropology, sociology, psychology, history, environmental studies, geography, religion, and women’s studies.

INR 151 International Relations (fs)
This course introduces students to basic concepts, ideas, and debates that are central to the study of world politics. Knowledge of the theories of international relations and how those theories might be applied are important assets for all students at the college level in this globalized era. The semester will be divided into two parts. Part One will cover international security; identifying political theories; the international system; foreign policy; international conflict; military force and terrorism; and international organization, law, and human rights. Part Two will cover international political economy, considering international trade, money and business, international integration, environment and population, the North-South gap, and international development. 3 credits

INR 210 Model United Nations (y)
This course will provide students who will attend the Midwest Model United Nations Conference with information and practice in order to successfully participate in the conference. This course consists of delegate research, public speaking training, preparation for position papers, preparation for draft resolutions, and strategic training. 2 credits

INR/WGS 216 Women, Power, and Global Politics (xf)
In this course, students will compare women’s participation in, and contribution to their communities across different countries. In so doing, they will analyze how the political make-up and power structures of societies are systematically related to women’s empowerment or the lack of it. The main topics covered in this course will include women’s participation in institutional and non-institutional politics, the gendering of public policy, and the role of gender in the politics of development. Throughout the course, students will read case studies on a wide variety of important issues such as abortion laws in Ireland, sexual violence in post-conflict Sierra Leone, women-led successful microcredit movements in Bangladesh and Pakistan, and glass-ceilings in the United States.

After taking this course, students should be able to critically think about women’s issues across the world, and analyze the impact of political structures and institutions on the role that women play in their communities and beyond. They will also be trained to use their own identity as women to reflect on, and relate to the issues surrounding women’s empowerment. Assessment techniques used in this class will include critical reaction papers, an incremental policy brief, discussion
leadership, midterm, and final. This course will be appropriate for students interested in women’s empowerment, gender justice and most importantly, human rights. This course does not require prerequisites. 3 credits.

INR/POL 225 Asian Politics (xf)
Prerequisite: POL 121 Intro to Political Science OR INR 151 International Relations
This course concentrates on three Asian countries (India, China, and Japan) and the Asia/Pacific Rim. We will examine politics, governments, and societies in India, China, and Japan, including Korea and Taiwan in the discussions, and later, we will examine economic development and human development, policies for poverty reduction, and environmental policies in the Asia/Pacific Rim. This course addresses the multifaceted issues concerned with politics, economics, culture, and the society of Asia. Its thematic focus is valuing the diversity of human experience. Since one of the themes in this course is development and environmental sustainability, this course will also address the liberal studies theme of environmental consciousness. 3 credits

INR 310 International Organizations (f)
Prerequisite OR Corequisite: ECO 201 Prin of Econ 1: Macroeconomics OR IRB 151 International Relations
This course studies roles, effects, and problems of various international organizations. In the globalized world, each state cannot solve global problems beyond its borders. Therefore, roles and effects of international organizations have drastically increased in recent decades. Considering these new trends, this course analyzes and evaluates various international organizations through different theories of international relations and addresses problems of them and solutions for the problems. 3 credits

INR 320 Quantitative Research Methods in Social Sciences (y)
Prerequisites: POL 101, POL 121, POL 141, INR 151, or SOC 101
This course will introduce students to the fundamentals of quantitative research methods used in the social sciences including political science and international relations. The course will cover the essentials of research design, descriptive statistics, and inferential statistics. Additionally, students will be trained to use SPSS for statistical analysis.

This course will provide students with the skill set required for conducting original research. It will enable them to decipher and critique statistical analyses presented by scholars in social sciences. Hands-on training in SPSS will make them more marketable and prepared for future careers including graduate/law school. Assessment techniques in this course include reading quizzes, homework assignments using statistical analyses of datasets on SPSS, a midterm, and a final. Required for all INR majors. 3 credits

INR/SOC 330 Poverty and Inequality (xs)
Prerequisites: POL 101, POL 121, INR 151, or SOC 101
This course studies the situations of the poor in the world and their relations with inequality and globalization. Various theories introduce causes of poverty and inequality and suggest solutions. Students will analyze and evaluate which theory has a higher possibility to reduce poverty and inequality than the others. This course also explores relations between poverty and environmental degradation in order to understand the impacts of globalization. 3 credits

INR 335 Middle Eastern Politics: The Israeli-Palestinian Conflict (xs)
Prerequisites/Corequisites: INR151, POL201, or any recommendation from professors
This course is a basic course of the Middle Eastern politics, and students will use a multi-disciplinary approach to the study of the Middle East politics, considering history, geography, international relations, economy, political economy, sociology, women’s studies, religion, etc. Understanding the complexity of the area, students will study the Israeli-Palestinian Conflict, which is one of the most controversial conflicts in the world. 3 credits

INR 340 International Law (y)
Prerequisites: INR 151 International Relations
This is an upper-division course for students of international relations. In this course, we will discuss the nature, scope, and sources of international law. Major issue areas explored in the course will include protection of human rights, international environmental law, criminal law, and the law of treaties.

After taking this course, students should be able to critically think about the role of power politics in shaping the content of international law. They should also be able to analyze why states choose to comply with international law. Students will be evaluated on the basis of attendance and participation, critical reaction papers, two exams (midterm and final), a research project, and an oral presentation. This course will be appropriate for students interested in global governance, international law and organizations, and transnational policy domains such as human rights and environment. 3 credits

INR 345 Politics, Power, and Religion (xf)
Prerequisites: INR 151, SOC 101
This course will introduce students to the rich scholarship on the interaction between religion and politics in the United States and beyond. The first section will focus on classic and contemporary theories regarding the rational and functional approaches to religion, secularization, religious identity, religious worldviews and doctrines, and religious extremism. The second section will compare and contrast religion’s impact on policy formulation across - and within - Christian majority states in the developed world, Muslim majority states, and states with other religious majorities. The principal goal of the course will be to enable students to think critically about the multi-faceted impacts of religion on politics across a wide variety of socio-cultural contexts.

After taking this course, students should be able to think about the relationship among religion and politics within, and across different political systems. The assessment techniques used in this class will include oral participation, critical reaction papers, a literature review, a midterm, and a final. 3 credits

INR/IDS 350 International Political Economy (xs)
Prerequisite OR Corequisite: ECO 201 Prin of Econ1: Macroeconomics, ECO 202 Prin of Econ 2: Microeconomics, POL 121 Intro to Political Science, or INR 151 International Relations
This course will cover fundamental theories of international trade and finance, with attention to globalization, equity, development, and environmental sustainability. The questions of equity and sustainability are as important as goals of efficiency or profit. What may be best for the fast movement of capital, for example, may be the worst for sustaining basic livelihoods or the environment. The field investigates how to increase the general public good, rather than private profit, viewing the two as not necessarily incompatible, but also not automatically congruent. 3 credits

INR 355  Terrorism (xs)
In this course students will learn about competing theoretical perspectives on the meaning and causes of terrorism. The second part of the course will engage with the organizational aspects of the phenomenon, and the final part will provide a comparative assessment of counter-terrorism strategies pursued by national governments as well as international governmental organizations. 3 credits

INR 360  U.S. Foreign Policy (xs)
Prerequisites: INR 151 and HIS 112.
In this course, students will be trained to apply major theories of international relations to the analysis of the sources of U.S. foreign policy, and the consequences of those decisions for the international political system. The course content will be subdivided into three sections, namely, theoretical approaches, levels of analysis, and policy domains. Theoretical discussions will be complemented with case studies covering the role of the United States in global governance since the end of the World War II.

After taking this course, students should be able to apply the grand theories of international relations to the analysis of contemporary and historical developments in world politics concerning the United States. Students’ global awareness will be enhanced by challenging them to critically think about the implications of U.S. actions for an increasingly globalized world. 3 credits

INR/IDS 365  International Environmental Policy (s)
See course description under “INTERDISCIPLINARY STUDIES” 3 credits

INR 490  Capstone Research Project in International Relations (s)
Prerequisite: IRB 151 International Relations
This course is required for senior students who major in International Relations. Each student will write a thesis, including ideas and knowledge she has learned during her college education. 3 credits

JOURNALISM (JRN)

Faculty: Instructor Reed

JRN 229  Journalism Practicum (fs)
Prerequisite: Permission of instructor
May be repeated for credit. 1 credit

Yearbook Practicum (fs)
Students gain practical experience in writing, editing, layout and design or photography with the college yearbook, The Retrospect.

MATHEMATICS (MAT)

Faculty: Assistant Professors Dioses and Cui

The mathematics program helps all students develop the ability to think logically, solve problems, and understand numerical data. The curriculum provides the solid foundation in mathematics necessary for prospective majors in the mathematical sciences, the natural sciences, and engineering. Students may obtain the mathematical preparation needed for study in business, social sciences, and other quantitative fields.

MAT 101  Intermediate Algebra (fs)
Thorough review of basic principles of algebra. Three hours per week. 2 credits

MAT 103  College Algebra (fs)
Prerequisite: Two years of high school mathematics OR MAT 101 Intermediate Algebra
Basic concepts, linear and quadratic equations, inequalities, functions and graphing, exponential and logarithmic functions, systems of equations, word problems, complex numbers, polynomials, and binomial theorem. 3 credits

MAT 104  Trigonometry (y)
Prerequisite: Two years of high school mathematics OR MAT 101 Intermediate Algebra
Right triangle trigonometry, trigonometric functions, trigonometric identities and equations, graphing of trigonometric functions, law of cosines, and law of sines. 2 credits
MAT 112 Elementary Statistics (fs)
Prerequisite: MAT 103 College Algebra or equivalent preparation
Descriptive statistics, sampling, basic probability, random variables, binomial and normal distributions, confidence intervals, tests of significance, and introduction to regression and correlation. 3 credits

MAT 201 Calculus 1 (fs)
Prerequisite: MAT 103 College Algebra or equivalent preparation
Functions, limits and continuity, differentiation, applications of the derivative, integration, and applications of the definite integral. 4 credits

MAT 202 Calculus 2 (s)
Prerequisite: MAT 201 Calculus 1 and MAT 104 Trigonometry or equivalent preparation
Logarithmic and exponential functions, inverse trigonometric functions, techniques of integration, indeterminate forms and improper integrals, infinite series, polar and parametric coordinates. 4 credits

MAT 203 Calculus 3 (f)
Prerequisite: MAT 202 Calculus 2
Three-dimensional vector calculus, partial differentiation, multiple integration, applications, line integral, and Green’s Theorem. 4 credits

MAT 204 Differential Equations (s)
Prerequisite: MAT 203 Calculus 3
Ordinary differential equations, initial-value problems, first order equations, linear equations of higher order, Laplace transforms, numerical methods, and applications and mathematical models. 3 credits

MUSIC (MUS)

Degrees: Associate in Arts-Music (page 49)
Minor: Music (page 44)
Faculty: Professor Spencer, Assistant Professors Cook (coordinator) and Lordo, and Instructors Graves, Johnson, and Stanfield. Accompanists Fast and Leonard.

Cottey College is an accredited institutional member of the National Association of Schools of Music. The objectives of the music program are to afford all students a musical background which will assist in their understanding of the musical heritage of civilization, and to provide the first two years of a curriculum for students planning to complete music degrees at a four-year institution. A student at any level of proficiency may study with a professor in any applied music area offered at Cottey.

To achieve the College’s mission and goals as well as the music department’s goals and objectives, the department offers courses that assist students to:

• develop basic skills and understanding of harmony, melody, rhythm, form, and texture
• develop skills as listener, performer, composer, and scholar through interpretation, composition, analysis, and criticism of music
• develop performance skills in various styles of music
• develop ability to read music at sight and other technical skills sufficient for demonstrating aesthetic expression
• develop musicianship through ensemble performance each semester.

The music facilities at Cottey provide excellent support for all aspects of the program. The Judy and Glenn Rogers Fine Arts Building includes a choral rehearsal area, a band room, faculty teaching studios, a MIDI laboratory, keyboard laboratory, and individual practice rooms. The Haidee and Allen Wild Center for the Arts houses the two primary performance spaces, the Auditorium and the Missouri Recital Hall. Audiovisual resources, books, recordings, and scores are located in the Blanche Skiff Ross Memorial Library.

APPLIED MUSIC AND ENSEMBLE COURSES

Applied music courses offer practical instruction in the performance of instrumental and vocal music and are open to all Cottey students. Cottey music faculty offer music lessons at all levels. Repertoire and techniques covered vary according to the needs and competencies of the student. Ensemble courses provide students with opportunities for musical interaction and performance in group settings. To prepare adequately for transfer to a baccalaureate music major program, students should take applied music and ensemble courses each semester in residence.

All applied lessons require concurrent enrollment in an appropriate repertoire class. Refer to the applicable course syllabus for attendance, participation, and scheduling policies for repertoire classes. Lessons, ensemble courses, and repertoire courses may be repeated for credit. Woodwind lessons are available for saxophone, oboe, flute, clarinet, or bassoon. String lessons are available for violin, viola, cello, or string bass. Brass lessons are available for trumpet, trombone, French horn, and tuba. Voice, percussion, and piano lessons are also available.
MUS 101 Music Appreciation (fs)
This course is a basic survey of the music of the Western world. Emphasis is placed on the elements of music, terminology, composers, form, and style within a historical perspective. Upon completion, students should be able to demonstrate skills in basic listening and understanding of the art of music.  
3 credits

MUS 103 Fundamentals of Music (fs)
A study of music theory fundamentals (scales, key signatures, meter signatures, intervals, triads, and harmonic notation), aural skills fundamentals (ear-training and sight singing), and keyboard fundamentals (scales, intervals, and triads). May be taken by music majors as a required prerequisite for the MUS 111 Harmony I, MUS 109 Keyboard Harmony I, and MUS 110 Aural Skills I sequence. (May not be taken for credit by students who have earned credit for Harmony I-IV or Aural Skills I-IV.) Open to all other students for elective credit.  
3 credits

MUS 108 Popular Music in the U.S. (y)
Surveys American popular music from 1840 to present, as well as related musical styles that influenced its development. Emphasizes listening skills, historical awareness, and critical thinking.  
3 credits

MUS 109 Keyboard Harmony I (f)
Pre- or Co-requisite: MUS 111 Harmony I
Major and natural minor scales, cadence progressions, reading lead sheet symbols, harmonizing melodies, beginning transposition, and introduction to reading figured basses.  
1 credit

MUS 110 Aural Skills I (f)
Pre- or Co-requisite: MUS 111 Harmony I
Beginning interval recognition, melodic dictation, rhythmic dictation, harmonic dictation, sight singing, and rhythmic reading. Some computer-assisted instruction.  
1 credit

MUS 111 Harmony I (f)
Prerequisite: Placement Exam OR MUS 103 Fundamentals of Music
Intended for prospective music majors, but open to all qualified students with consent of the instructor. Review of music fundamentals, introduction to figured bass, analysis, melody writing, and elementary part-writing. Introduction to the Sibelius notation program and computer-assisted instruction.  
3 credits

MUS 112 Harmony II (s)
Prerequisite: MUS 111 Harmony I
Continued study of musical composition through part-writing and analysis. Includes triads in inversions, non-chord tones, seventh chords, and secondary functions. Continued use of the Sibelius notation program.  
3 credits

MUS 113 Keyboard Harmony II (s)
Prerequisite: MUS 109 Keyboard Harmony I
Harmonic and melodic minor scales, more advanced melody harmonization, and reading of lead sheets. Continued transposition, harmonic progressions, figured basses, and introduction to improvisation.  
1 credit

MUS 114 Aural Skills II (s)
Prerequisite: MUS 110 Aural Skills I
More advanced melodic, rhythmic, and harmonic dictation. Continued study of sight singing utilizing C clefs, and more advanced rhythmic reading. Continued use of computer-assisted instruction.  
1 credit

MUS 119 Beginning Class Piano (fs)
This course is taught in a classroom/piano laboratory environment, and is intended for those who have NO keyboard background. Students who previously have formally studied piano should enroll in a higher-level course. Theory covered in this class includes finger numbers, note reading, rhythm, dynamics, legato/staccato, key signatures, intervals, and rests.  
1 credit

MUS 120 Elective Lessons 1-2 credits (fs)
Prerequisite: Placement Interview
Corequisite: MUS 270
- Elective Brass
- Elective Percussion
- Elective Piano
- Elective Strings
- Elective Voice
- Elective Woodwinds

MUS 121 Applied Lessons 1-3 credits (f)
Prerequisite: Placement Interview
Corequisite: MUS 270
- Applied Brass
- Applied Percussion
- Applied Piano
- Applied Voice
- Applied Woodwinds

MUS 122 Applied Lessons 1-3 credits (s)
Prerequisite: Placement Interview
Corequisite: MUS 270
- Applied Brass
- Applied Percussion
- Applied Piano
- Applied Voice
- Applied Woodwinds

MUS 209 Keyboard Harmony III (f)
Prerequisite: MUS 113 Keyboard Harmony II
More advanced level melody harmonization, reading lead sheets, transposition, harmonic progressions, improvisation, and reading figured basses. Introduces score reading at the keyboard.  
1 credit

MUS 210 Aural Skills III (f)
Prerequisite: MUS 114 Aural Skills II
Melodic dictation with chromaticism, harmonic dictation with seventh chords, all interval dictation, and sight singing with chromaticism. Some computer-assisted instruction.  
1 credit
MUS 211 Harmony III (f)
Prerequisite: MUS 120 Harmony II
Continued study of musical composition through part-writing and analysis. Includes study of secondary functions and modulation. Emphasis on instrumental writing and further use of the Sibelius notation program. 3 credits

MUS 212 Harmony IV (s)
Prerequisite: MUS 211 Harmony III
Continued study of chromatic harmony through part-writing and analysis. Includes study of late nineteenth and twentieth century analytical and compositional techniques. Continued use of the Sibelius notation program. 3 credits

MUS 213 Keyboard Harmony IV (s)
Prequisite: MUS 209 Keyboard Harmony III
Advanced melody harmonization, reading lead sheets, improvisation, reading figured basses and score reading with transposed instrumental parts and with parts that use C clefs. 1 credit

MUS 214 Aural Skills IV (s)
Prerequisite: MUS 210 Aural Skills III
Advanced level melodic, rhythmic, and harmonic dictation. Harmonic dictation with chromaticism and modulations. Advanced sight singing with chromaticism and modulations. Some computer-assisted instruction. 1 credit

MUS 221 Applied Lessons 1–3 credits (f)
Prerequisite: Audition
Corequisite: MUS 270
MUS 221 B Applied Brass
MUS 221 C Applied Percussion
MUS 221 P Applied Piano
MUS 221 V Applied Voice
MUS 221 W Applied Woodwinds
MUS 221 R Recital (1 credit)

MUS 222 Applied Lessons 1–3 credits (s)
Prerequisite: Audition
Corequisite: MUS 270
MUS 222 B Applied Brass
MUS 222 C Applied Percussion
MUS 222 P Applied Piano
MUS 222 V Applied Voice
MUS 222 W Applied Woodwinds
MUS 222 R Recital (1 credit)

MUS 230 Basic Conducting
An introduction to techniques of conducting, including basic patterns, gestures, error detection, elementary score study, and transpositions. 2 credits

MUS 270 Repertoire Class 0 credit (fs)
MUS 270B Brass Repertoire Class
Corequisite: Elective or Applied Brass Lessons
MUS 270C Percussion Repertoire Class
Corequisite: Elective or Applied Percussion Lessons
MUS 270P Piano Repertoire Class
Corequisite: Elective or Applied Piano Lessons
MUS 270S String Repertoire Class
Corequisite: Elective String Lessons
MUS 270V Voice Repertoire Class
Corequisite: Elective or Applied Voice Lessons
MUS 270W Woodwind Repertoire Class
Corequisite: Elective or Applied Woodwind Lessons

MUS 285 Wind Ensemble (fs)
Prerequisite: Audition
Performance of standard and contemporary concert band music literature. Ensemble performs several times. 1 credit

MUS 287 Chamber Singers (fs)
Prerequisite: Audition
A women’s vocal ensemble dedicated to the study, rehearsal, and performance of a variety of choral literature specializing in music by and about women. 1 credit

MUS 289 Jazz Ensemble (fs)
Prerequisite: Audition
Ensemble performs a variety of styles, including jazz, rock and roll, blues, Latin, and R&B. Does not meet the ensemble requirement for the music major or minor. 1 credit

MUS 291 Women in Music (y)
Increased awareness of the contributions of women to the creation and performance of music. Fulfills both Women, Gender, and Sexuality Studies (WGS) and Fine Arts requirements. 3 credits.
PEER TUTORING (PRT)

PRT 210 Introduction to Peer Tutoring (fs)
Trains students who excel in one or more subject areas to serve as peer tutors. Concepts covered include learning and study skills strategies, diversity, educational theories, and leadership. To be eligible to participate, a student must be recommended by a faculty member and have a 3.00 cumulative GPA or higher. 1 credit; Pass/Fail

PRT 212 Intermediate Peer Tutoring (fs)
The second level of the three-part Peer Tutoring Program training; follows Introduction to Peer Tutoring (PRT 210) and continues students’ training in peer tutoring and offers additional practice in the Tutoring and Writing Centers as peer tutors. Students must complete PRT 210 to qualify for enrollment. 1 credit; Pass/Fail

PRT 214 Advanced Peer Tutoring (fs)
The third level of the three-part Peer Tutoring Program training; follows Introduction to Peer Tutoring (PRT 210) and Intermediate Peer Tutoring (PRT 212) while continuing students’ training in peer tutoring and practice while providing opportunities to assist with training and supervision of new tutors in the Learning Center. Students must complete PRT 210 and PRT 212 to qualify for enrollment. 1 credit; Pass/Fail

PHILOSOPHY (PHI)

Faculty: Professor Rouintree

Philosophy involves human quests for insight into such pivotal concerns as the nature of reality, the limits of human knowledge, and the nature of the good life for human beings. The concerns and outlooks of various philosophers have influenced the outlooks and practices of many persons and their societies. Entering into philosophical reflections, Cottey students wrestle with perspectives and theories that continue to exert influence in the world today. At Cottey, none of the courses in philosophy is devoted to a broad smattering of names, dates, and superficially examined problems. Instead, each course aims to confront the writings and outlooks of a limited number of thinkers, carefully selected to represent significantly different ways in which people try to understand the world.

Philosophy promotes the development of intellectual skills and insightfulness. More importantly, philosophy can promote deepening appreciations and understandings of the diversity of human concerns and possibilities. It can thus contribute to a more satisfying college experience, as well as to the achievement of a life of more thoughtful fulfillment. Study in philosophy offers excellent preparation for continuing work in any area that requires heightened critical thinking abilities, such as law, social science, theology, business, or education.

PHI 101 Philosophical Quests (f)
Explores questions about reality, the nature and limits of human knowledge, and the relevance of such concerns to human living. Aims to cultivate philosophical wonder and appreciation, as well as critical thinking and growing awareness of the historical and ongoing importance of philosophical views. Emphasizes select ancient and modern philosophers. 3 credits

PHI 112 Introduction to Logic (s)
Pursues factors proper to excellence in critical thinking and its written expression. Aims to heighten student skills in identifying, clarifying, and evaluating various kinds of arguments, chiefly deductive, but inductive as well. 3 credits

PHI 205 Ethics (f)
Examines select major ethical theories having both historical and ongoing importance. Confronts select socially unsettling moral issues as the death penalty, world hunger, or controversial business practices. Aims to relate competing outlooks to ongoing debates about human choices, needs, and communities. 3 credits

PHI 200 Human Nature and Society (s)
Examines competing philosophical theories of human nature and existence, exploring various possible implications for both individual and social life. Considers modern theorists, both mainstream and radical, as well as select traditional thinkers. 3 credits

PHI 305 Social and Political Philosophy (xf)
Prerequisite: Sophomore standing AND at least one previous course in PHI, POL, or INR. Surveys major philosophical primary texts concerning questions of justifiable fundamental social and governmental arrangements. Coverage will include such key thinkers as Plato and Machiavelli, the early modern contractarians (i.e., Hobbes, Locke, and Rousseau), and Marx. Some further later developments will be considered. 3 credits
PHYSICAL EDUCATION (PHE)
Minor: Fitness Education (page 44)
Faculty: Professors Burger and Polon

The mission of the general physical education activity program is to provide a variety of curricula from which the student may select to enable her to develop her cognitive knowledge of the activity, increase her psychomotor skills, increase her personal fitness and enhance her sense of value for the activity. Departmental goals are directed toward the student outcomes listed below.

Students in physical education courses will:

- improve or maintain skill acquisition in physical activity classes
- improve or maintain their fitness level in fitness-related classes
- meet the attendance policy of a physical activity course thereby participating in an activity for three hours per week
- increase their knowledge of a particular activity or sport

Some specialized courses in the program provide opportunities for leadership development and employment.

The physical education facilities, located in Hinkhouse Center, include: a large gymnasium, a 25-yard swimming pool, a fitness center that includes free weights, selectorized and aerobic equipment, three outdoor tennis courts, locker/dressing room, and an athletic field.

PHE 121: Swim 1: Nonswimmer (f)
For students with little or no experience and/or with fear of water. Not open to students who can tread water.
Includes personal safety skills in, on or around water, deep water orientation and skills, and introduces basic swimming strokes and skills. 1 credit

PHE 122 Swim 2: Stroke Development (fs)
Prerequisite: PHE 121 Swim 1: Nonswimmer OR ability to tread water for three minutes in deep end of pool
Includes all six swimming strokes, basic swimming skills as well as diving into water and review of personal safety skills. 1 credit

PHE 125 Fitness Swimming (y)
Prerequisite: PHE 121 Swim 1: Nonswimmer OR ability to swim front crawl stroke 50 yards with proper breathing
Designed to increase cardiovascular fitness and endurance through lap swimming. Concepts of fitness, fitness components and swim training discussed. Techniques for increasing speed and efficiency developed. Focus on increased swimming distances. 1 credit

PHE 131 Tennis 1/Badminton (y)
Theories and techniques of tennis and badminton with practical application of knowledge, principles, and analysis of skills. 1 credit

PHE 132 Toning and Flexibility (y)
Assists with development of muscular endurance and flexibility. Includes endurance, resistance, and floor exercises with static and PNF stretching. 1 credit

PHE 133 Jogging (y)
Designed to increase cardiorespiratory fitness through individualized jogging workouts. Includes jogging or other cardiorespiratory workouts three days per week. 1 credit

PHE/ENV 134 Outdoor Skills and Adventure Activities (y)
Prerequisite: Walk two miles in 32 minutes or less
Introduces outdoor safety, first aid, survival skills, appropriate clothing and outdoor equipment, orienteering, use of a compass, GPS, and map reading skills. Activities will consist mainly of day hiking with an additional opportunity each semester for caving, geocaching, or night hiking. Course combines lecture, activity, and required weekend participation. Meet for 8 weeks. 1 credit

PHE 136 Aerobic Exercise/Fitness Walking (y)
Designed to improve cardiorespiratory endurance, flexibility, and muscular endurance through fitness walking and different types of aerobic classes. 1 credit

PHE 138 Weight Training (y)
Designed to improve muscular strength and endurance through proper technique and progressions of weight training, with use of both selectorized and free weight equipment. 1 credit

PHE 139 Lifetime Fitness Concepts (fs)
Study and assessment of health and skill related components of physical fitness. Also considers importance of nutrition, consumer information, injury prevention, and behavior modification as they relate to fitness and wellness.
3 credits (1 credit Activity; 2 credits Theory)

PHE 142 Beginning Golf (y)
Includes fundamentals of the basic golf swing, explanation of rules, etiquette, practice at driving range, and nine holes of golf as culminating activity. 1 credit

PHE 143 Archery (y)
Theory and practice of archery, with emphasis on application of knowledge, principles, and analysis of skills. 1 credit
PHE 163 Adaptive Physical Education (y)
Designed for students with a documented disability or medical condition who may not be able to meet physical demands of activity class. Enrollment requires recommendation of physician and consultation with instructor. Course may be repeated for credit. 1 credit

PHE 174 Varsity Golf (fs)
Prerequisite: Permission of instructor
Intercolligate golf team. Membership in NJCAA. Participation in home and away golf matches and tournaments. 1 credit

PHE 175 Varsity Track & Field (s)
Prerequisite: Permission of instructor
Intercolligate track and field team. Membership in NJCAA. Participation in home and away track and field meets. 1 credit

PHE 176 Varsity Cross-Country (f)
Prerequisite: Permission of instructor
Intercolligate cross-country team. Membership in NJCAA. Participation in home and away cross-country meets. 1 credit

PHE 177 Varsity Softball (s)
Prerequisite: Permission of instructor
Intercolligate softball team. Membership in NJCAA. Participation in home and away softball games. 1 credit

PHE 178 Varsity Volleyball (f)
Prerequisite: Permission of instructor
Intercolligate volleyball team. Membership in NJCAA. Participation in home and away volleyball games. 1 credit

PHE 179 Varsity Basketball (fs)
Prerequisite: Permission of instructor
Intercolligate basketball team. Membership in NJCAA. Participation in home and away basketball games. 1 credit

PHE 180 Cycling (y)
Prerequisite: Bicycle
This course introduces the student to basic cycling skills, basic bicycle maintenance and repair, and cycling safety. Emphasis is placed on using cycling as a life-long fitness activity. It involves riding on local roads around campus. 1 credit

PHE 181 Cycling and First Aid (y)
Prerequisite: Bicycle
Fundamentals of cycling, bicycle care and repair, maintenance, and cycling safety. First aid unit includes American Red Cross CPR/AED First Aid training leading to optional certification. 2 credits (1 credit Activity; 1 credit Theory)

PHE 182 First Aid (y)
Training and opportunity for certification in American Red Cross CPR, AED and First Aid. 1 credit Theory

PHE 183 Beginning Bicycling (y)
This course teaches you how to ride a bike. It is intended for the student who never had the opportunity to learn to ride a bicycle as a child. Basic skills such as balance, posture, pedaling and maneuvering are covered as well as cycling safety. Emphasis is placed on learning to use cycling as a lifelong fitness activity. Requires riding on local roads. 1 credit

PHE 194 Current Issues in Fitness (y)
This is a seminar course that will look at issues and trends that are relevant to the fitness industry. 1 credit

PHE 201 First Aid/CPR/AED Instructor Course (y)
This course leads to certification as an American Red Cross First Aid/CPR/AED Instructor. It will introduce the student to current emergency care procedures and how to teach these procedures to others. The course also introduces the student to the American Red Cross organization. It develops understanding of how to use Red Cross course materials, the Red Cross support network, how to conduct training sessions, and how to evaluate participants’s progress. Once certified, a First Aid/CPR/AED instructor can teach and certify people in First Aid; Adult, Child, Cardio-Pulmonary Resuscitation; Automatic External Defibrillation; and Bloodborne Pathogens Training: Preventing Disease Transmission. 3 credits

PHE 220 Aquacises (fs)
Approach to figure improvement and fitness (non-swimmers included) by performing simple water exercises. Water resistance movements for muscle tone and coordination; stretching for flexibility and improved posture; brisk, lively movements to build endurance, increase circulation and stimulate internal body systems. 1 credit (Activity)

PHE 222 Synchronized Swimming (y)
Prerequisite: Intermediate skill OR skill testing
Rhythmic forms and analysis in relation to creative expression in swimming. Composed of basic body positions, swimming strokes and stroke variations, sculls for propulsion and support, and figures and hybrid figures. 1 credit

PHE 223 Lifeguard Training (y)
Prerequisite: Skill pretest -550 yards continuous swim using front crawl or breaststroke; 2 minutes tread water with legs only; swim 15 yards underwater, retrieve three diving rings; timed event-swim 20 yards, surface dive to bottom retrieve 10 pound brick and return to starting point keeping both hands on brick and face above water in 1 minute 40 seconds. Theory, practice and knowledge of lifeguarding and lifeguarding skills. Opportunity for completion of American Red Cross certification in Lifeguard training, CPR/PR, First Aid, AED, and Waterfront Lifeguarding. 2 credits (1 credit Activity; 1 credit Theory)

PHE 224 Swimming Instructor/WSI (y)
Prerequisites: Skill test AND knowledge pretest
Theory and practice of all swimming strokes, skills and diving. Application of knowledge, principles, and analysis of Red Cross Learn to Swim and Water Safety programs directed toward completion of American Red Cross Water Safety Instructor certification and authorization. 2 credits (1 credit Activity; 1 credit Theory)

PHE 301 Lifeguarding Instructor (y)
Prerequisites: PHE 223 Lifeguard Training or current American Red Cross Lifeguard, CPR, AED, and First Aid Certifications. This course leads to American Red Cross instructor certification as a Lifeguarding Instructor. The instructor candidates learn to respond to aquatic emergencies and to render emergency care...
procedures. It teaches instructor candidates to teach these skills to others. LGI’s can teach basic level Lifeguarding, Shallow Water Lifeguarding, First Aid, CPR/AED for the Professional Rescuer, Administering Emergency Oxygen, Bloodborne Pathogens Training, Preventing Disease Transmission, and Basic Water Rescue courses. The course develops understanding of how to use Red Cross course materials, how to conduct training sessions, how to evaluate participant’s progress and how to use the Red Cross support network. Students’ will have a unique leadership opportunity to actually teach a Lifeguarding course for the local community towards the end of the semester.

3 credits (1 credit Activity; 2 credits Theory)

**PHE 335 Personal Training (xf)**
Prerequisite: PHE 139 in addition to one of the following activity courses: PHE 138, PHE 132, PHE 136, PHE 220, or PHE 125; or consent of the instructor.
This course prepares students to become personal trainers. Course content includes but is not limited to screening and evaluating participants, creating exercise workouts for clients based on need, proper documentation, industry standards and guidelines, professional development and certification options. 3 credits

**PHE 491 Personal Training Practicum (xs)**
Prerequisite: PHE 335 Personal Training
The personal training practicum provides practical experience for students who have completed the personal trainer course. Practicum students will focus on the application and synthesis of information to develop fitness programming for Cotey College students and employees. 1-2 credits

---

**PHYSICS (PHY)**

Faculty: Assistant Professor Hyland

Physics develops an understanding of physical phenomena through study of classical and modern theory in conjunction with laboratory experience. It fosters intellectual curiosity and is important in the natural sciences, social sciences, engineering, law, and health fields.

**PHY 101 Introductory Physics (s)**
Corequisite: PHY 101L Introductory Physics Laboratory
Fundamentals and applications of conceptual physics. Descriptive explanation of mechanics, heat and thermodynamics, fluid mechanics, waves and sound, electricity and magnetism, light, and atomic and nuclear physics. Topics vary based on students’ direction. Not open to students with credit in PHY 205 General Physics I or PHY 206 General Physics 2. 3 credits

**PHY 101L Introductory Physics Laboratory (s)**
Corequisite: PHY 101 Introductory Physics
Elementary experiments in conceptual physics. Two hours per week. 1 credit

**PHY 205 General Physics 1 with lab (f)**
Pre- or Corequisite: MAT 201 Calculus I
A combined lecture and lab course (workshop) that combines lecture, problem solving, and lab activities. The course covers topics in laws and concepts of mechanics, wave motion, acoustics, and thermodynamics. It emphasizes a connection between microscopic and macroscopic phenomena, conservation laws, and development of problem-solving ability. Lab portions emphasize modeling, animations, data collection, and graphical representation of data. 4 credits

**PHY 206 General Physics 2 with lab (s)**
Prerequisite: PHY 205 General Physics 1 with lab
A combined lecture and lab course that combines lecture, problem solving, and lab activities. The course covers topics in electricity, magnetism, and optics. It emphasizes a connection between microscopic and macroscopic phenomena, conservation laws, and development of problem-solving ability. Lab portions emphasize modeling, animations, data collection, and graphical representation of data. 4 credits

---

**POLITICAL SCIENCE (POL)**

Faculty: Associate Professor Watanabe, and Assistant Professor Roy

Economic, social, and political relations within and across nations have shifted dramatically over the past two centuries, and they continue to change at a rapid rate. These actions within and between nation states no longer stay where they originated; technology has created instantly available global access with powerful implications.

Given the processes of globalization, there are expanding career possibilities for students with a strong background in International Relations and Political Science. These programs help provide the student with a strong foundation for understanding globalization in order to pursue further study and seek careers in an interrelated world.
POL 101 United States Government (s)
This is a basic course of United States government, covering structures and actual operations of it, as well as current political issues. Recognizing problems and issues and analyzing and evaluating them not only from American perspectives, but also from world perspectives, comparing them with the situations of other parts of the world. 3 credits

POL 121 Introduction to Political Science (f)
This course is designed to introduce students to issues in contemporary political analysis, human values, and political goals through a comparative study of different political systems. By using different theoretical and philosophical frameworks, we will discuss basic political concepts, terms, and theories. Specifically, this course looks at general questions, such as What is politics?, What is political science?, What is power?, and What is theory? Understanding the basic concepts will help students answer these questions, while building a foundation for the advanced study of politics. We will also learn how to connect the study of politics to history, economics, philosophy, and other disciplines. In this course, students will explore a wide variety of cross-cultural issues on political processes, and thus they will further realize the importance of politics in our lives. Particularly, we will examine specific political issues within the topic of globalization, which embodies politics in the international system today. 3 credits

POL 131 Public Administration (s)
The principal goal of the course will be to enable students to critically think about how the government, at multiple levels, provides services to its citizens. The course will focus on the nature and scope of public administration, organizational theory, the bureaucracy, policy implementation, and public accountability. Theoretical discussions will be routinely complemented with case-studies to establish the connection between theory and practice. Assessment techniques used in the course will include class participation, critical analysis of case studies, midterms, and a final.

After taking this course, students will acquire the background required for internships in public and non-profit sectors. Students will also be familiarized with various career options in the two aforementioned areas. 3 credits

POL 141 Public Policy (f)
This course will introduce students to the fundamentals of public policy. They will be familiarized with the purpose of public policymaking, the nature of the policy process, the positivist and post-positivist approaches to policy analysis, policy implementation, and evaluation. Students will be trained to apply the theoretical knowledge learned in class to the analysis of contemporary policy debates in the United States and beyond.

After taking this course, students should be able to critically think about the implications of important policy decisions. They should also be able to compare and adjudicate among different policy outcomes. The final grade for this course will be determined by the frequency of class attendance and participation, critical reaction papers, and two exams (midterm and final). This course will be appealing to any student interested in how common people are affected by governmental decisions, and how common people can affect those decisions, in turn. 3 credits

POL 201 Comparative Politics (s)
Prerequisite: POL 101 US Government OR POL 121 Introduction to Political Science OR INR 151 International Relations
Comparative politics is the study of domestic and regional political matters in each state and area. However, this course concentrates on the study of domestic governments and politics and its environment and culture in two or three states as specific case studies in six areas: Western Europe, Russia and Slavic Europe, Asia, Latin America, the Middle East, and Sub-Saharan Africa. Within each region, we will cover both past and current topics, issues, and events of the states. Other states are considered when suitable. Although the United States is not directly examined, it is referred to for comparison. The thematic focus of the course is valuing the diversity of human experience. 3 credits

POL/INR 225 Asian Politics (xf)
Prerequisite: POL 121 Intro to Political Science OR INR 151 International Relations
This course concentrates on three Asian countries (India, China, and Japan) and the Asia/Pacific Rim. We will examine politics, governments, and societies in India, China, and Japan, including Korea and Taiwan in the discussions, and later, we will examine economic development and human development, policies for poverty reduction, and environmental policies in the Asia/Pacific Rim. This course addresses the multifaceted issues concerned with politics, economics, culture, and the society of Asia. Its thematic focus is valuing the diversity of human experience. Since one of the themes in this course is development and environmental sustainability, this course will also address the liberal studies theme of environmental consciousness. 3 credits
PSYCHOLOGY (PSY)

Degree: Bachelor of Arts in Psychology (page 32)
Minor: Psychology (page 44)
Faculty: Professor Tietz, Associate Professor Kohel, and Assistant Professor Gilchrist

Psychology is the scientific inquiry into the nature of thought, feeling, and action. Because psychology developed from such disciplines as biology, physics and philosophy, students will find that the study of psychology enhances one’s understanding of a variety of subjects. Courses in psychology are designed to serve a number of purposes: to satisfy intellectual curiosity; to offer insights into human behavior, personal and social; to offer another dimension to the studies of those involved in education and nursing in particular, and all disciplines in general. Students with the baccalaureate degree in psychology have a firm foundation for entry-level careers in social service agencies, consumer advocacy, business (such as personnel work and organization development) and community improvement groups. In addition, the psychology degree constitutes strong preparation for enrollment in graduate education in such disciplines as psychology, education, social work, law, medicine, and business.

PSY 101 General Psychology (fs)
Introduces scientific study of behavior and mental processes. Overview of areas of neuropsychology, growth and development, perceptual processes, learning and thinking, motivation and emotion, intelligence and personality, social psychology, and mental disorders. 3 credits

PSY/SOC 232 Social Psychology (f)
Prerequisite: SOC 101 Introductory Sociology OR PSY 101 General Psychology
Social psychology examines how external forces shape our thoughts, feelings, and behaviors. Topics include social cognition; prejudice; human aggression; conformity; liking, loving, and interpersonal sensitivity; and mass communication, propaganda, and persuasion. 3 credits

PSY 235 Biopsychology (s)
Prerequisite: PSY 101 General Psychology
Survey of topics from the perspective of biopsychology, neuroanatomy, neural communication, sensation/perception, learning and memory, emotion, psychological disorders, and aging and neurodegenerative disorders. 3 credits

PSY 240 Cognitive Psychology (f)
Prerequisite: PSY 101 General Psychology
An introduction to the concepts in cognitive psychology including theories and applications of memory systems, pattern recognition, attention, decision-making, problem solving, language and text comprehension, reasoning, and neurocognition. 3 credits

PSY 245 Personality Psychology (xf)
Prerequisite: PSY 101 General Psychology
Personality psychology examines how internal forces shape our thoughts, feelings, and behaviors. Topics include traits, self and identity, genetics, neuroscience, intrapsychic foundations, regulation and motivation, cognition, and resilience. 3 credits

PSY 248 Sensation and Perception (f)
Prerequisite: PSY 101 General Psychology
This course focuses on how humans sense and perceive stimuli in the external environment through use of the senses. In addition to discussing different sensory systems (e.g., visual, auditory) and how they influence both the brain and behavior, the course will also cover historic and contemporary research in the field. Through lecture and hands-on demonstration, students will learn about topics such as: color and depth perception, how 3-D movies work, perception of pain, balance, and the link between scent and memory. 3 credits

PSY 307 Lifespan Development Across Cultures (s)
Prerequisite: PSY 101 General Psychology
Chronological approach to development from conception through death and dying. Theory and research relating to biological, psychological, and social change across the lifespan, with attention to cross-cultural similarities and differences. Includes service learning requirement. May not be taken for credit if credit has been received for PSY 308/Psychology of Child & Adolescent Development. 3 credits

PSY 308 Psychology of Child and Adolescent Development (f)
Prerequisite: PSY 101 General Psychology
Scientific study of basic factors in development from conception through adolescence. Examines biosocial, cognitive, and psychosocial development. Includes service learning requirement. May not be taken for credit if credit has been received for PSY 307/Lifespan Development Across Cultures. 3 credits

PSY 310 Research Methods in Psychology: Research Design and Ethics (s)
Prerequisites: PSY 101, MAT 112 Elementary Statistics (may also be corequisite)
Students will learn about the characteristics of science, various research study designs in psychology (e.g., surveys, observational research, single-factor experiments), and ethics in human subjects research. Students will plan a research study, complete an appropriate review of the literature and gain scientific writing skills. 3 credits

PSY 311 Research Methods in Psychology: Psychological Statistics (f)
Prerequisites: PSY 101, MAT 112
Students will learn about the characteristics of science, psychological statistics, and methods of data collection and analysis. Students will learn how to analyze their data through use of statistical software. They will also learn to write the results of these analyses and draw conclusions and complete a final written empirical research paper based on their findings. 3 credits
PSY 321 Human Sexuality (s)  
Prerequisite: PSY 101 or SOC 101  
Surveys topics from biological, sociological, anthropological, religious, and psychological perspectives. Examines sexual values in order to enhance students’ knowledge of sexuality and influences which affect it at personal, familial, and societal level.  
3 credits

PSY 325 Motivation & Emotion (xf)  
Prerequisite: PSY 101 General Psychology  
This course explores what drives our behavior, including the physiological mechanisms of motivation, behavioral and cognitive approaches to motivation, and the interaction of emotions with motivation.  
3 credits

PSY/WGS 331 Psychology of Women and Gender (f)  
Prerequisite: PSY 101 or WGS 105  
Critical examination of psychological theories and research on gender. Topics such as gender roles, development of gender identity differences and similarities between the sexes, relationships, mental health, and sexuality will be examined across the historical, social, and cultural contexts, with particular emphasis on women and feminist perspectives.  
3 credits

PSY 335 Drugs and Behavior (s)  
Prerequisite: PSY 101  
This course will examine how various types of psychoactive drugs will affect the brain, psychological processes, and behavior. Students will also learn about different neurotransmitters, the chemical messengers of the brain whose effects are modified by drug use. Course topics will include: pharmokinetics and drug action, classes of psychoactive drugs, drug abuse and addiction, and therapeutic treatments for various disorders and diseases.  
3 credits

PSY 345 Industrial-Organizational Psychology (xs)  
Prerequisite: PSY 101 or SOC 101  
This course is designed to examine the psychology of the workplace from the standpoint of a behavioral scientist. A majority of the course will be devoted to topics related to research methods and proper assessment of both employees and of jobs. This includes discussions related to hiring methods, performance appraisals, best practices for job training, and other similar topics. The latter portion of the course will discuss issues related to individuals and groups within the work setting. During this section of the course, students will learn about such topics as leadership, occupational safety, and employee productivity.  
3 credits

PSY 350 Abnormal Psychology (f)  
Prerequisite: PSY 101 General Psychology  
Abnormal psychology examines the characteristics of and biological, psychological, social, and cultural explanations and treatments for major psychological disorders. Disorders include anxiety disorders, obsessive compulsive disorders, stress disorders, dissociative disorders, mood disorders, eating disorders, substance-related disorders, schizophrenia, and personality disorders.  
3 credits

PSY 351 Cross-Cultural Psychology (f)  
Prerequisite: PSY 101 General Psychology  
Cross-cultural psychology examines how culture shapes our thoughts, feelings, and behaviors - focusing on similarities and differences among cultures. Topics include culture’s role in intelligence, emotion, motivation and behavior, human development and socialization, personality, attractiveness, gender and sex roles, and psychological disorders. This course requires regular practice of and reflection on intercultural communication skills.  
3 credits

PSY 355 Psychology of Intergroup Relations (s)  
Prerequisite: PSY 101  
Psychology of intergroup relations examines challenges and benefits related to diversity. Topics include the roles of personality, social cognition, social identity, biology, status, power, and institutions in bias, prejudice, and discrimination. Topics also will include social change efforts that may improve intergroup relations. This course requires regular practice of and reflection on intergroup dialogue skills.  
3 credits

PSY 405-S Service Learning: Assistant Coordinator (y)  
Prerequisites: Senior standing, previous service learning experience, and permission of instructor required. Students will increase leadership and teaching skills by leading a service learning program. Tasks will include coordinating and evaluating the efforts of other service learning students, communicating with the service learning partner, and assisting the instructor in implementing the service learning program. Students will also do reflective writing about their experiences. Senior standing, previous service learning experience, and permission of instructor required. Own transportation is desirable but not required.  
1-3 credits

PSY 420 Counseling/Clinical Psychology (xs)  
Prerequisite: PSY 101 General Psychology and PSY 350 Abnormal Psychology  
Counseling/clinical psychology examines how to explain and treat psychological disorders. Topics include neuroscience, microskills, the psychodynamic tradition, cognitive-behavioral counseling and therapy, the existential-humanistic tradition, feminist counseling and therapy, multicultural counseling and therapy, positive psychology and brief/solution-focused therapy, and family counseling and therapy. This course requires regular practice of and reflection on basic therapy skills.  
3 credits

PSY 430 Conflict Resolution (s)  
Prerequisite: PSY 101 and PSY/SOC 232, or PSY 101 and PSY/SOC 355, or permission of instructor. Conflict Resolution examines how to explain, approach, and resolve interpersonal conflict, primarily through communication. Topics will include communication options, theoretical perspectives, responding to conflict, violent tendencies, conflict climates, face, conflict in the workplace, mediation, and negotiation. This course requires regular practice of and reflection on interpersonal communication skills.  
3 credits
PSY 440 Learning and Conditioning (xs)
Prerequisites: PSY 101
Students will discover how new behaviors are acquired, and how existing behaviors can be changed, through different principles of learning and conditioning. Lectures will include such topics as habituation, sensitization, imprinting, classical and operant conditioning, observational learning, and applied behavior analysis. Students will also complete various hands-on computer modules that illustrate different principles of learning, and will write brief reports based on what they find. 3 credits

PSY 445 Emotional Intelligence (xs)
Prerequisite: PSY 101 General Psychology
Emotional intelligence is comprised of being able to perceive, understand, manage, and use emotions in beneficial ways. Topics will include multiple conceptualizations, measurements, and applications of emotional intelligence, regarding relationships, school, work, and mental health. 3 credits

PSY 450 Psychology of Sport & Physical Activity (xf)
Prerequisites: PSY 101 General Psychology
This course will examine the major psychological theories related to sport and exercise behavior. The course is designed to introduce students to the field of sports and exercise psychology by providing a broad overview of the major topics in the area, including the history of sports and exercise psychology, foundations of personality, motivation, coaching and leadership, gender and cultural issues, team dynamics, performance enhancement strategies, and sports as recreation. 3 credits

PSY 490 Senior Capstone (s)
Prerequisites: PSY 101; MAT 112; PSY 310; and PSY 311
Students will choose one of three tracks: a research project, a service-learning based volunteer experience, or an internship-based volunteer experience. Students will demonstrate their level of proficiency for each of the American Psychological Associations’ guidelines for the undergraduate psychology major, in conjunction with their chosen track. Students will develop a portfolio comprised of old and new work. 3 credits

RELIGION (REL)
Faculty: Professor Rouintree

Concerns for harmony with what is ultimately real, true, or powerful tend to mark major religious quests around the world. While often sharing significantly in such general kinds of concerns, religious communities and persons often differ greatly in the profoundest outlooks and approaches to which they come. In the religion courses at Cottey, we examine a number of major communities of religious faith and practice. We aim, however, not merely to examine diverse details, but to attain insights into the moving visions and practices of human beings as they face certain of life’s most pressing questions.

As is the case in our courses in philosophy, our courses in world religions introduce students to selected major texts, perspectives, and thinkers. By virtue of this common emphasis upon pivotal writings and writers, our combined course offerings in philosophy and religion offer the interested student an opportunity to pursue both breadth and depth in her understanding of some of the profounder currents of human thought and experience.

REL 105 World Religions 1 (s)
Initiates academic exploration of developments and practices within Judaism, Christianity, and Islam. Pursues intelligent appreciation of various religions’ perspectives, particularly as expressed in selected portions of their sacred literatures. Attempts to develop insights into present day religious struggles in the face of modern challenges. 3 credits

REL 106 World Religions 2 (xf)
Initiates academic exploration of some of the varied outlooks and practices of religious traditions originating in India and China. Pursues intelligent appreciation of the various religions’ perspectives, as these are conveyed through their sacred literatures. Emphasizes Hinduism, Buddhism, Confucianism, and Taoism. 3 credits

SOCIOLOGY (SOC)
Faculty: Assistant Professor Quick

The courses in sociology at Cottey provide the foundation for a major or minor in sociology while providing basic knowledge and skills needed to pursue a variety of applied careers such as social work, social services, correction and juvenile treatment, environment and resource allocation, social gerontology, and community health services. Sociology courses also contribute to students’ preparation in other professions including human resources and personnel management, marketing and advertising, education, law, and medicine. By developing a sociological perspective, students sharpen their powers of observation and analysis.
SOC 101 Introductory Sociology (fs)
This course introduces sociology as a way of investigating, critically understanding, and analyzing human social life. Sociologists examine how groups (organizations, institutions, and complex societies) are structured and how these groups interact with one another. They also consider how social contexts frame human behavior for individuals and groups. We will focus on several important sociological topics, including socialization, culture, inequality, race and ethnic relations, gender, poverty, and social movements. 3 credits

SOC/WGS 203 Family and Society (y)
This course provides an overview of the study of the family from a sociological perspective. It examines American families such as European American, Native American, African American, Asian American; Latino families; and the history of love, sex, and marriage. It examines the relationship between families and social class, race, gender, and work settings. Finally, it explores dating, parenting, marriage, remarriage, childhood, divorce, aging and death, as topics in relation to family structures. 3 credits

SOC/PSY 232 Social Psychology (f)
Prerequisite: SOC 101 or PSY 101
Social psychology examines how external forces shape our thoughts, feelings, and behaviors. Topics include social cognition; prejudice; human aggression; conformity; liking, loving, and interpersonal sensitivity; and mass communication, propaganda, and persuasion. 3 credits

SOC/WGS 235 Race, Class, Gender, and Sexuality (xs)
This course examines race, ethnicity, class, gender, sexuality and other identities as sociological concepts within a new interdisciplinary paradigm focusing on how these identities intersect. Students then learn to use the intersectional framework to interpret contemporary social issues and institutional settings to analyze how they together shape individual, institutional, and larger societal expectations. The course introduces students to the experiences of diverse groups in the United States and beyond. 3 credits

SOC/INR 330 Poverty and Inequality (xs)
Prerequisite: SOC 101; and POL 101, POL 121, or INR 151
This course studies the situations of the poor in the world and their relations with inequality and globalization. Various theories introduce causes of poverty and inequality and suggest solutions. Students will analyze and evaluate which theory has a higher possibility to reduce poverty and inequality than the others. This course also explores relations between poverty and environmental degradation in order to understand the impacts of globalization. 3 credits

SPANISH (SPA)

Minor: Spanish (page 44)
Faculty: Associate Professor Bourbon

SPA 101 Elementary Spanish I (f)
Structures of Spanish language are learned through aural-oral approach. Stresses creative use of Spanish. Reading and composition skills gradually acquired. Language laboratory assignments coordinated with classroom work. 4 credits

SPA 102 Elementary Spanish II (s)
Prerequisite: SPA 101 Elementary Spanish I
Emphasizes speaking and understanding through aural-oral study of the structure of the language. Reading and composition skills also acquired. Laboratory assignments coordinated with classroom work. 4 credits

SPA 201 Intermediate Spanish I (f)
Prerequisite: SPA 102 Elementary Spanish II
Includes a review of grammar, brief cultural readings, exercises in composition, vocabulary studies, and limited supplementary readings. 3 credits

SPA 202 Intermediate Spanish II (s)
Prerequisite: SPA 201 Intermediate Spanish I
Further review of grammar, numerous brief cultural readings, exercises in composition, vocabulary studies, and limited supplementary readings. 3 credits

SPA 211 Hispanic Literature (xf)
Prerequisite: SPA 202 Intermediate Spanish 2
Readings of short stories, novels, drama, and poetry. Literary works represent Spain or Hispanic America. Lectures, discussion, and oral and written reports. 3 credits

SPA 212 Hispanic Culture and Civilization (xs)
Prerequisite: SPA 202 Intermediate Spanish 2
Surveys Spanish and Hispanic American history, customs, geography, intellectual and artistic development, and social and psychological realities. 3 credits

SPA 213 Oral Spanish (xf)
Prerequisite: SPA 202 Intermediate Spanish 2
Develops fluency in speaking and comprehension with emphasis on use of contemporary vocabulary and idioms. Pronunciation included. 3 credits

SPA 214 Spanish Composition (xf)
Prerequisite: SPA 202 Intermediate Spanish 2
Develops ability in written expression while acquiring new vocabulary and reviewing problematic grammar structures. 3 credits

SPA 220 Medical Spanish I
Prerequisite: SPA 102
This course is designed to provide students with medical vocabulary and terminology needed to communicate with and
help treat Hispanic patients with limited English proficiency. Students will be exposed to pertinent information about Hispanic cultures. They will also participate in language tasks through listening, reading, writing and conversations in Spanish.  

3 credits

SPA 222 Medical Spanish II
Prerequisite: SPA 220 Medical Spanish I
This course seeks to complete the foundation of the basic skills in medical Spanish. Students will continue improving their Spanish language skills through the systematic and comparative study of medical terminology in Spanish.  

3 credits

SPA 320 Business Spanish (xs)
This course serves as an introduction to the business world in Latin American countries as well as to the interaction between U.S. and Latin American companies and professionals. Readings, journal articles, essays, and interviews with business professionals open students to the inner workings of small businesses and large corporations alike. Students will learn language relevant to business environments as well as gaining insight on contemporary business-related culture and social attitudes that reflect the commercial relations between the Spanish speaking countries and the United States.  

3 credits

SPA 330 The Chicano Experience (xs)
Prerequisite: SPA 202 Intermediate Spanish II
Thematic, stylistic, or period study of post 1960’s Chicano literature to the present. Course will emphasize major themes such as language, history, culture, identity and religion as related to the Chicano experience and literary heritage. Authors read in class include Sandra Cisneros, Ana Castillo, Ruben Martinez, Ignacio Padilla, and Gloria Anzaldua, among others. Emphasis varies.  

3 credits

SPA/WGS 345 Afro-Latina Women Writers
Prerequisite: SPA 202 Intermediate Spanish II
This class analyzes the literary production of Afro-Latina women writers. It reviews different literary periods and the images those periods created, and how oppression has marginalized the lives of this group. Also, by paying particular attention to race, gender, sexuality, and social issues in different regional contexts, the class will consider how Latin American women authors of African descent critically approach national discourses.  

3 credits

SPA 350 Major Authors of Latin America and Spain
Prerequisite: SPA 202 Intermediate Spanish II
The course will study the works of major authors from Latin America and Spain through readings of primary sources and an application of theoretical and critical material. Issues of style, gender, ethics, identity, politics and their influence in Hispanic literature. Authors may include; Gabriel García Márquez, Mario Vargas Llosa, Pablo Neruda, Alejo Carpentier, Juan Goytisolo, Jorge Guillén, Federico García Lorca, Luis Cernuda.  

3 credits

SPA 360 Spanish Golden Age
Prerequisite: SPA 202 Intermediate Spanish II
This course will investigate the main literary movements and the most significant authors of Spanish Literature during the XVI - XVII centuries. The most representative literary works in prose, poetry and drama will be studied. Students will look at the evolution of the different aesthetic concepts and fictional expressions in one of the most important periods of Spanish Literature. They will analyze the relationship between literary fiction and its historic and cultural determinations.  

3 credits

SPA 370 Contemporary Latin American/Spanish Women Writers (xs)
Prerequisite: SPA 202 Intermediate Spanish II
This course explores the narrative of contemporary Latin-American/Spanish women writers such as Griselda Gambaro, Rosario Ferre, Isabel Allende, Carmen Laforet, Rosa Chacel, Carmen Martin Gaite, and others. Will examine the articulation of gender, race, and class relations in different literary genres, and issues related to the role of women in Latin-American/Spanish society.  

3 credits

SPEECH (SPE)

Faculty: Professor Andrews and Associate Professor Chaney

The speech program is designed to increase the ability of students to communicate effectively with individuals in a variety of settings. Courses emphasize analysis and study of the elements of public speaking, interpersonal communication, and performance of poetry and prose. There are a variety of career options an individual might pursue using this background: communication studies, broadcasting, television journalism, mass media, public address, and rhetoric. It is also invaluable for those studying business, public relations, law, teaching, and theology. The fine arts faculty at Cottey teaches speech, but it is often classified as humanities or basic skills at other institutions.

3 credits

SPE 101 Fundamentals of Speech (fs)
Preparation and delivery of speeches in various contexts. Beginning techniques in research and criticism are included.  

3 credits

SPE 121 Interpersonal Communication (f)
Theory, practice, and exploration of interpersonal communications. Topics include perception; development of self-concept/self-esteem; verbal and nonverbal codes; effective listening techniques; conflict resolution; development of relationships; cultural and gender influences.  

3 credits

SPE/WGS 205 Gender and Communication (xs)
The relationship between gender and communication. Offered odd years.  

3 credits
THEATRE (THE)

Degree: Associate in Fine Arts with Theatre Emphasis (page 52)
Minor: Theatre (page 44)
Faculty: Professor Andrews and Associate Professor Chaney

Cottey’s theatre program is designed to provide all of the basic foundations for students interested in pursuing a career in professional or educational theatre or any related career field. Students can take classes in beginning and advanced acting, scene design and stagecraft, lighting and sound design, costuming, children’s theatre, and theatre history. Students also are provided the opportunity to participate actively at all levels in the College’s theatrical presentations, to serve on crews for visiting road shows and to qualify for entry into Delta Psi Omega, the national theatre honorary society.

THE 101 Introduction to Theatre (xf)
History of theatre from ancient Greeks into twentieth century. Includes discussion of basic playwriting, directing, acting, and theatre architecture and design. Offered odd years. 3 credits

THE 102 Twentieth Century Theatre (xs)
Theories of the major important playwrights and dramatists of the twentieth century, including Constantin Stanislavski’s professionalization of the dramatic art, Bertolt Brecht’s use of drama as a social and political tool, and Antonin Artaud’s theories of the use of drama for personal catharsis. The course will also include short experimental productions in the style of each of the movements and theories covered. Offered even years. 3 credits

THE 103 Acting Fundamentals (f)
Basic realistic acting techniques. Includes physical movement, voice and character development, scene preparation, and improvisation. 3 credits

THE 110 Stagecraft, Lighting and Sound (f)
Basic theories and techniques of set and prop construction, including the use of hand and power tools and rigging, and lighting and sound design theory and equipment use. Students provide technical assistance for Cottey theatre, music and dance performances and visiting professional road shows. 3 credits

THE 122 Performance of Literature (xs)
Performance of poetry, prose, and dramatic forms of literature and life texts. Includes analysis of conversational and literary forms, criticism, class presentations, and class response. Offered even years. 3 credits

THE 131 Dramatic Literature (xf)
Introductory techniques of reading dramatic literature from the major periods of play writing. Includes discussion of dramatic writing and instruction in stage practice as applied to text. Offered even years. 3 credits

THE 177 Theatre and Event Entertainment Technology (fs)
This course introduces students to event technology and management. The course will focus on the set-up, operation, and troubleshooting of basic audio visual equipment, including video and slide projectors, monitors, computers, and projection screens. Students will be introduced to basic lighting and sound equipment used in an event setup. 2 credits

THE 181 Theatre Production (fs)
Prerequisites: Audition AND Director’s permission
Guided participation in major theatrical production as actress, assistant director/stage manager, or technical support (minimum of 45 hours of work time as crew member or crew head). May be repeated. Maximum of 4 credit hours may be included in minimum of 62 credits required for an associate degree. 1 credit

THE 203 Acting: Character Development (xs odd)
Techniques of building character through analysis, improvisation, exercises, performance/critique, and scene workshops. 3 credits

THE 221 Costume Construction (xf)
Basic costume construction techniques. Including measuring the human body, hand sewing, machine sewing, use of serger, reading and following patterns, altering patterns to fit non-standard frames, mending, matching fabric to patterns, and finishing techniques. 3 credits

THE 230 Stage Makeup (xs)
Laboratory course providing students with fundamentals of the art of two dimensional character makeup. 3 credits

THE 251 Children’s Theatre (s)
Studies means and methods employed in various types of productions for youthful audiences. Includes extensive reading and analysis of children’s theatre literature, preparation, and presentation of children’s theatre production. 3 credits

THE 255 Scene Design (s)
Prerequisite: THE 110 or instructor approval
Basic theatrical set design theory and practice. Includes the construction of 3D set models, and the production of hand and computer generated set designs, and ways of integrating costume and stage lighting designs into the overall design picture. Students serve on crews for Cottey and visiting road show productions. 3 credits

THE 294 Stage Management (fs)
Prerequisite: THE 110 or THE 181
Discover the art and craft of stage management through class work, observation and production exploration. Learn practical techniques for managing theatrical productions in preparation for academic and professional production responsibility. Offered odd years. 3 credits

THE 325 Theatrical Costume Design (y)
An introduction to basic theatrical costume design. Students will use color, texture, line, and concept to create costume designs for plays. They will employ play analysis, character analysis, and production concept as basis for costume design. 3 credits
WOMEN’S LEADERSHIP STUDIES (WLS)

Degrees: Bachelor of Arts in Organizational Leadership (page 30) or Certificate in Organizational Leadership (page 54)
Faculty: Assistant Professor Clyde and Professor Ross
Faculty and staff members supporting leadership programs at Cottey College include: Bobbett, Tricia; Firkus, Prof. Angela; Hampton, Renee; Hedges, Denise; Korb, Kris; Phillips, Mari Anne; and Taylor, Prof. Kathryn

At Cottey, we believe all young women have the potential to be leaders. From the moment they step foot on campus, students are encouraged to begin thinking that way, too. Leadership courses and a B.A. and Certificate in Organizational Leadership function as the academic program component of the College’s overall leadership initiative; which also includes the Leadership, Opportunities (LEO) certification program and Student Life leadership development opportunities. Through leadership programming and education opportunities, students find their own voices and begin to define their place in and contributions to the larger world. They learn practical skills and behaviors that support their development into highly effective leaders and are exposed to research and theory associated with this field of study.

WLS/WGS 102 Foundations in Leadership (fs)
Introduces theoretical and practical understanding of leadership. Assists in defining personal leadership orientation and philosophy, building relationships, initiating change, and empowering others. Emphasis on women’s leadership. 3 credits

WLS 205 Social Justice and Civic Engagement (s)
Examines the ways in which individuals and groups are named and treated as “other” in communities and societies; explores the way in which this designation of otherness harms individuals, families, communities, and nations; and considers ways in which civic engagement and activism can be used to promote human dignity and a socially just world. 3 credits

WLS 211 Leadership Excursions
Prerequisite: WLS/WGS 102 or permission of instructor
Faculty-led excursions enable students to “experience and do leadership” so they may understand issues in a more sophisticated and critical way. Excursions require a minimum of 15 hours of academic commitment in and out of the classroom per credit hour. Topics vary. 1 credit

WLS/IDS 320 The Leader Within (y)
Prerequisite: WLS/WGS 102 or permission of instructor
The Leader Within will focus on concepts related to Self-leadership. Self-Leadership is the practice of intentionally influencing your thinking, feeling and behaviors to achieve your objectives (Bryant & Kazan 2012). This academically based service-learning course will provide an opportunity for students to examine their own leadership through concepts such as Emotional Intelligence and Authentic Leadership. The course will be grounded in both theory and practice utilizing experiential and discussion-based learning. Service-learning links the academic content of the course with experience in the community through intentional readings, discussion, and reflection on the service experience. 3 credits

WLS/IDS 332 Leadership for Social Change (f)
Prerequisite: WLS/WGS 102 or permission of instructor
Academically based service-learning course in which students examine leadership in the context of social change, both theoretically and through observation and interview. The course will be grounded in both theory and practice utilizing experiential and discussion-based learning. Service-learning links the academic content of the course with experience in the community through intentional readings, discussion, and reflection on the service experience. 3 credits

WLS/IDS 350 Team Leadership & Group Dynamics (y)
Prerequisite: WLS/WGS 102 or permission of instructor
Team Leadership and Group Dynamics is an academically based service-learning course in which students examine how group behavior affects organizational effectiveness, conflict management, decision making, and strategies for efficient group outcomes. Through activities in this course, students will explore their leadership skills specifically related to groups and group social process. Emphasis will be placed on such topics as group decision-making, participation in groups, power and authority, and a variety of communication styles. Service-Learning and group community observation activities will provide an opportunity to evaluate current group processes and apply learning to actual structures. 3 credits

WLS 399 Leadership Internship
Prerequisite: WLS/WGS 102 or permission of instructor
An internship is a supervised work/learning experience that is related to Organizational Leadership. It is supervised by a faculty member and an internship site supervisor and offers course credit. To be eligible to participate, a student must have second-year (or higher) standing by the beginning of the internship and have a 3.00 cumulative GPA or higher. 1 credit

WLS 420 Leadership Theories & Practices (y)
Prerequisite: WLS/WGS 102 or permission of instructor
An examination of the theories and skills necessary for the development of effective leadership with an emphasis on leadership, its theory and practice. The course includes opportunities for evaluating leaders and leadership behavior in a variety of contexts. Basic concepts of leadership theory will be discussed followed by an in-depth study of modern and historical conceptualizations of leadership and examination of the application of various leadership skills and approaches. 3 credits

WLS 490 Leadership Capstone Course
This course is required for fourth-year students who major in Organizational Leadership. 3 credits

2017-2018 Cottey College Academic Catalog 93
WOMEN, GENDER, & SEXUALITY STUDIES (WGS)

Major: Women, Gender, & Sexuality Studies (page 40)  
Minor: Women, Gender, & Sexuality Studies (page 44)  
Certificate: Women, Gender, & Sexuality Studies (page 54)  
Faculty: Professors Andrews, Emery, Firkus, Ross, Stubblefield (coordinator), Spencer, and Tietz; Associate Professors Bourbon and Pivak; and Assistant Professors Chelminska, Mba, Quick, Roy, and Verklan.

Women, Gender, and Sexuality Studies is an interdisciplinary field that examines the intersections of race, class, gender, and sexuality in women’s lives. It is an umbrella that conscientiously articulates the relationship between feminism, history, philosophy, literature, sociology, anthropology, psychology, media, and other areas of study to explore more fully the role of and issues facing women historically and in contemporary society.

Women, Gender, and Sexuality courses focus on the historical and/or contemporary experiences of women, gender, or sexuality. Students in these courses will be expected to devote significant time to at least two of the following activities:

- Analyzing the intersections of race, class, gender, and sexuality in people’s lives
- Examining institutional structures and structures of power from the perspective of women, gender, or sexuality
- Engaging with women, gender, and sexuality studies theory
- Considering how a focus on women, gender, or sexuality impacts the academic discipline being studied
- Linking course content about women, gender, or sexuality to their own experiences

WGS/WLS 102 Foundations in Leadership (fs)  
Introduces theoretical and practical understanding of leadership. Assists in defining personal leadership orientation and philosophy, building relationships, initiating change, and empowering others. Emphasis on women’s leadership.  
3 credits

WGS 105 Introduction to Women, Gender, and Sexuality Studies (s)  
An interdisciplinary introduction to the field of women’s studies. Considers and evaluates the impact of feminism on a variety of academic disciplines, on pop culture, and on daily life. Includes a service learning component. 3 credits

WGS/ANT 151 Introduction to Cultural Anthropology (fs)  
See course description under “ANTHROPOLOGY” 3 credits

WGS/SOC 203 Family and Society (f)  
See course description under “SOCIOLOGY” 3 credits

WGS/ANT 204 Gender in Cross-Cultural Perspective (y)  
See course description under “ANTHROPOLOGY” 3 credits

WGS/SPE 205 Gender and Communication (xs)  
Investigation of relationship between gender and communication. Offered odd years. 3 credits

WGS/WLS 205 Social Justice and Civic Engagement (s)  
See course description under “WOMEN’S LEADERSHIP STUDIES” 3 credits

WGS/HIS 211 History of Women in the United States (s)  
See course description under “HISTORY” 3 credits

WGS/FRE 215 Francophone Women in Translation (s)  
See course description under “FRENCH” 3 credits

WGS/INR 216 Women, Power, and Politics (y)  
See course description under “INTERNATIONAL RELATIONS” 3 credits

WGS/ENG 220 American Women Writers (xf)  
See course description under “ENGLISH” 3 credits

WGS/ENG 222 British Women Writers (xf)  
See course description under “ENGLISH” 3 credits

WGS/ENG 232 Ethnic Women Writers (y)  
See course description under “ENGLISH” 3 credits

WGS/SOC 235 Race, Class, Gender, and Sexuality (y)  
See course description under “SOCIOLOGY” 3 credits

WGS/INB 250 Women & Economic Development (y)  
See course description under “INTERNATIONAL BUSINESS” 3 credits

WGS/FLM 253 Women and Cinema (xs)  
Focused on films by or about strong female leading characters, real and fictitious, good and bad. Includes basic critical vocabulary and skills, as well as a general background of some of the important writers, directors, and actors in this genre. 3 credits

WGS/MUS 291 Women in Music (y)  
See course description under “MUSIC” 3 credits

WGS/ENG 310 Women in Shakespeare (y)  
See course description under “ENGLISH” 3 credits

WGS/ENG 321: Topics in Fiction: Eighteen-Century British Women Writers (y)  
See course description under “ENGLISH” 3 credits

WGS/ENG 322 Topics in Fiction - Future Women: Science Fiction by American Women (y)  
See course description under “ENGLISH” 3 credits
The ability to write clearly and persuasively is a valuable skill that is important for advanced study, professional advancement, and personal development. As such, Cottey strives to integrate writing into classes beyond the first-year writing program to ensure students develop and hone these skills. Therefore, students can expect to practice and learn about writing beyond their required first-year writing courses. See degree programs for details as individual programs may require WI courses.

Students can expect the following in any course marked with the WI designation:

- Writing will be an important part of the course and will constitute at least 30% of the course grade.
- Class time will be dedicated to teaching and/or talking about writing and the expectations for writing in the course.
- There will be a minimum of three (3) writing assignments of at least two (2) different genres. Length and type of assignments will vary based on professor and discipline.
- The professor will provide feedback on student writing. This feedback can happen at any stage in the writing process and may be either written comments or face-to-face discussion about the assignment.
- Students will have the opportunity to revise writing assignments. The number of revisions and the assignments with revision options is determined by individual professors.
WRI 102 College Writing (s)
Prerequisite: FWS 101 First-Year Writing Seminar
Continues the focus of FWS 101 by assigning writing based on reading. Includes formal documentation, research methods, and critical essays on nonfiction and literary works. 3 credits

WRI 200 Introduction to Writing Studies (f)
Prerequisite: WRI 102 or permission of the instructor
An introduction to the discipline of Writing Studies. Through immersion in and engagement with scholarship, students will gain more nuanced understanding of writing, the teaching and study of writing, and changing principles of the field; additionally, students will analyze and compose in a variety of academic genres. 3 credits

WRI 251 Creative Writing (xf)
Prerequisite: FWS 101 First-Year Writing Seminar, or permission of instructor
Introduction to writing of poetry and fiction, with emphasis on contemporary practice of both. Students will familiarize themselves with writers and poets in English, working to develop a personal aesthetic of the craft. 3 credits

WRI 290 Studies in Writing (s)
Prerequisite: WRI 102 or permission of the instructor
Studies in Writing courses provide students with the opportunity to explore various subjects in the field of Writing Studies. These courses introduce disciplinary knowledge and provide writing-intensive experiences in various genres. 3 credits

WRI 291 Introduction to Genre in Writing Studies (y)
Prerequisite: WRI 102 or permission of the instructor
This course introduces students to genre theory, research, and pedagogies situated within the field of Writing Studies, specifically Composition/Rhetoric. Coursework will include but is not limited to research projects, textual analysis, genre critique, and presentations. 3 credits

WRI 292 Introduction to Professional Writing (s)
Prerequisite: WRI 102 or permission of the instructor
Introduction to writing about technical subjects within a professional setting. Students create job documents and write reports, instructions, emails, and memos; develop audience awareness; receive instruction on document layout and design; and collaborate in a group project to produce a written report of and presentation on the group’s primary research. 3 credits

WRI 293 Introduction to Primary Research (y)
Prerequisite: WRI 102 OR permission of instructor
This course introduces students to the practice of primary research, focusing on qualitative research methods with some introduction to quantitative research methods. Students will learn about data collection methods, data collection tools, research ethics and IRB protocol, and how to write up and present the findings of original research. The course culminates in students proposing and conducting their own small primary research project. 3 credits

WRI 294 Introduction to Rhetorical Studies (y)
Prerequisite: WRI 102 OR permission of instructor
This course introduces students to the study of rhetoric by exploring its role in theoretical, pedagogical, and practical arenas. Students will attend to both historical and contemporary rhetorical situations. Coursework will include critical reading, rhetorical analysis, researched projects, and composition in multiple genres. 3 credits.

WRI 295 Writing Center Theory and Pedagogy (y)
Prerequisite: WRI 102 OR permission of instructor
This course introduces students to the theory and practice of Writing Center Studies. Students will learn about the history and emergence of writing centers in the United States, study seminal texts surrounding writing centers, learn the practices of working with writers in writing centers, observe tutoring sessions, and learn the specifics of the Cottey College Writing Center. Coursework will include critical reading and reflection, observations of recorded and live sessions, researched projects, implementation of tutoring strategies through participation in writing center sessions, and composition in multiple genres. 3 credits.

WRI 390 Special Topics in Writing (f)
Prerequisite: Any 200-level WRI course OR permission of the instructor. These courses provide a deeper exploration of special topics within the field of Writing Studies, reinforces disciplinary knowledge, and provides writing-intensive experiences in various genres. 3 credits

WRI 391 Style and Editing (y)
Prerequisite: ENG 290 OR permission of the instructor
Students will be introduced to the principles, methods, and styles of technical editing and will apply that knowledge by practicing editing techniques with real editing tasks and clients. Designed for students who want to learn more about writing and editing, become better writers, and/or assist others in becoming better writers. 3 credits

WRI 392 Environmental Writing and Rhetoric (y)
Prerequisite: Any 200-level WRI course OR permission of the instructor
This course focuses on how competing discourses define our relationship to the natural world, frame environmental problems, and argue for public action. Through readings and discussions, students will seek an awareness of environmental issues and develop a critical approach to the rhetoric used in these debates through textual and visual analysis. There will be a focus on historical naturalist essays as well as more recent pieces in environmental writing including more argumentative readings. 3 credits

WRI 393 Digital and Multimodal Composition (y)
Prerequisite: Any 200-level WRI course OR permission of the instructor
This course introduces fundamental concepts of digital and multimodal writing for audiences across a variety of platforms with an emphasis on the interaction of the medium and the message. Theories of digital and visual rhetorics will be presented as well as the effect...
of interactivity, both document-to-reader and reader-
to-document. Students in this course will develop the
classroom, collaborate on, and deliver digital documents in a variety of media to real
audiences and users. 3 credits

WRI 394 Authorship (y)
Prerequisite: Any 200-level WRI course OR permission of the instructor.
This course introduces students to the concept of authorship
as a theoretical lens. We will explore questions pertaining
to authorship, such as ownership, intellectual property,
plagiarism, remix, and who gets to be an author. Students
will read critically and write in multiple genres. 3 credits

WRI 395 The Rhetoric of Stand-up Comedy (y)
Prerequisite: Any 200-level WRI course OR permission of the instructor.
This course explores the genre of stand-up comedy by
focusing on specific types of rhetorical analysis. Students
will collect, analyze, and report on the performance work
of female comedians; read critically; and write in multiple
genres. 3 credits

WRI 396 Fiction Writing (y)
Prerequisite: WRI 251 Creative Writing
The course offers advanced study of writing literary fiction,
both the short story and the novel. Readings support the art
and craft of contemporary fiction writing. Workshops for
student writing will be conducted. 3 credits

WRI 397 Teaching Writing (y)
Prerequisite: Any 200-level WRI course OR permission of the instructor.
This course focuses on writing pedagogies.
Students will explore theories, research, and conversations
informing the teaching of writing in Higher Education, and
will prepare materials designed for high-school writing
instruction. 3 credits

WRI 400 Writing Minor Portfolio
Prerequisite: This course is open only to Writing Minor
students. Students must be in their final semester at Cottey to
enroll in WRI 400. Enrollment is by instructor permission only.
Culmination of the student’s work in the Writing Minor.
Under the direction of an English faculty member, students
will compile a selection of written materials to demonstrate
understanding of the Writing Studies field; successful
composition in multiple genres; ability to make effective
rhetorical choices; and pursuit of Cottey learning outcomes.
1 credit; pass/fail
SPECIAL COURSES

EDUCATION
Cottey has developed a resource sharing agreement with Crowder College of Neosho, Missouri. Cottey shares its library resources with Crowder College’s Nevada students. In return, interested full-time Cottey students may take pre-professional education courses offered by Crowder College at the Nevada campus at no additional charge. The pre-professional education courses include: Introduction to Teaching, Literature for Elementary Children, Technology in Teaching, Educational Psychology, and Educational Field Experience. Although these courses are approved by the Missouri Department of Elementary and Secondary Education, interested students should contact their transfer institution concerning the transferability of these courses. Students should also contact their academic advisers to discuss Education courses offered through Cottey’s Secondary Education program. The Cottey-Crowder resource sharing agreement is coordinated by the coordinator of advising.

DIRECTED STUDY
Directed Study is available in all disciplines:
298 Directed Study: “[Title Of]”
Under the auspices of a faculty member, a second-year (or higher) student with a cumulative GPA of 3.0 or higher may receive academic credit for pursuing an individual topic or project related to, but beyond the scope of, regular course offerings. Curriculum Committee approval required. No more than three hours of Directed Study counts toward graduation, nor may more than one such course be taken in same semester. May not be used to meet distribution requirements. 1-2 credits

EXCURSIONS
Excursions are available in all disciplines.
211 Excursions (y)
Excursions enable students to experience and understand issues in a more sophisticated and critical way. Excursions require a minimum of 15 hours of academic commitment in and out of the classroom per credit hour. Topics vary, and may include Willa Cather’s Prairie (Red Cloud, NE), Mark Twain in Hannibal (Hannibal, MO), The World War I Museum (Kansas City, MO), The Nelson Atkins Museum of Art (Kansas City, MO), Walden Woods (Lincoln, MA), and Sophia Smith Collection (Northampton, MA). 1-2 credits

INTERNSHIP
Internships are available in all disciplines:
199/299/399/499 Internship
An internship is a supervised work/learning experience that is related to a student’s major or area of career interest. It is supervised by a faculty member and an internship site supervisor and offers course credit. Associate degrees may earn 4 hours of credit, and bachelor’s students will be allowed to earn 12 credits during their college experience. To be eligible to participate, a student must have first-year, second-semester or second-year (or higher) standing by the beginning of the internship and have a 3.00 cumulative GPA or higher. 1-2 credits per fall & spring semester; 1-3 credits in summer; Pass/Fail

LEARNING THROUGH SERVICE
IDS 192 Learning Through Service
Experiential learning designed to develop or increase understanding between students and the communities to which they provide service. Service may take a variety of forms, including, but not limited to, community service, non-profit or volunteer work, cultural exchange and project support or management. 1 credit

NON CREDIT (NC)
NC 001 Strategies for Academic Success (fs)
Focuses on student and learning skills needed for success in college. Includes preferred learning styles, time management, stress management, note-taking skills, methods for test preparation and test taking, textbook reading methods, memory techniques and effective listening skills. Meets one hour per week. 0 credit

RESEARCH OPPORTUNITIES
This course can be used by any faculty member to develop an experiential learning opportunity for students designed as a collaboration between a faculty member and one or more students.

IDS 190 Opportunities in Undergraduate Research (fs)
Prerequisites: Completion of 12 hours with a cumulative GPA of 2.5 or higher (enrolled in the second semester of the first year of study or beyond). In collaboration with a faculty member, a student may receive academic credit for participation in an undergraduate research project in the faculty member’s field of interest. May be repeated for a total of 3 credits. 1 credit per semester

SPECIAL TOPICS
A 19x/29x Special Topics course designation indicates courses that are new or that may only be offered one semester. Designed to take advantage of visiting professors or special cultural events, as well as permitting faculty latitude to experiment with a new course.
ACADEMIC POLICIES AND RESOURCES

LIBRARY SERVICES

The Ross Library is a student-centered hub for information and collaboration, open daily for over 85 hours per week. The flag-draped Information Commons provides a dynamic learning environment for student interaction, staff assisting with questions or problems, library research sessions, and both group and individual study areas. Abundant natural light, computers, wireless access for personal devices, traditional quiet study carrels, comfortable seating areas, and group meeting rooms appeal to diverse student learning styles. The on-campus Library Web site links to very large databases of scholarly resources including Academic Search Complete, JSTOR, Business Source Premier, Hoover’s Environment Complete, Humanities International Complete, PsycINFO, and Public Affairs Index as well as news articles from NewsBank’s Access World News. Along with books, movies, and music found using Cottey’s library catalog at http://www.cottey.edu/future-students/library, Cottey students enjoy free access to books found in the MOBIUS library consortium catalog of over 23,000,000 items. Materials outside the MOBIUS system are also available to students through the Library’s interlibrary loan service. Cottey’s Library staff frequently work with student organizations, faculty, and the Cottey community to host special events, meetings, and educational programming.

ACADEMIC COMPUTING AND INFORMATION TECHNOLOGY

Cottey is committed to preparing students for a world with rapidly emerging technological challenges and opportunities. The College provides a giga-bit ethernet fiber-optic network environment and all members of the College community have access to computing and multi-media technology. Networked computers are located in academic computer labs, laboratories, computer suites in the residence halls, Ross Library, smart classrooms, and other general areas. There is one computer to every four students. More than half of the students connect their personal computers via the wireless network to the campus intranet and the Internet on the main campus. An electronic mail system facilitates the flow of information and Moodle, the Web-based course management system, enhances learning on campus.

ACADEMIC ADVISING

At Cottey College, academic advising assists each student in the developmental process of clarifying and achieving her educational goals. Each student is assigned a full-time faculty member as an academic advisor.

It is the responsibility of the student to work closely with her academic advisor throughout the advising process. The more clearly a student can articulate her vision and goals, the more productive the relationship will be. Together the advisor and student devise a balanced academic program. The advisor reviews all registration decisions, including changes made after the beginning of a semester. After consultation with her advisor, it is the student’s responsibility to choose and implement her academic program. In addition to aiding in the selection of courses, the advisor reviews the advisee’s academic progress and may suggest major, transfer, and/or career options. At the student’s request, the advisor may refer her to other resources on and off campus.

ASSESSMENT

Cottey’s academic assessment program is designed to evaluate progress toward achieving those goals related to the academic program. The measures to assess these goals and their related objectives are found in course syllabi where appropriate and otherwise in documents describing the assessment program. Students attending Cottey support this effort by participating in activities designed to assess specific courses and programs as well as the overall academic program. These activities are aimed at evaluating the effectiveness of and improving the academic program.

TUTORING AND WRITING CENTERS

Located in the lower level of the Ross Memorial Library, the Tutoring and Writing Centers are a place where students can meet with trained peer tutors in a variety of subjects to enhance their learning experience.

The Centers also double as a learning space where students can work independently or collaboratively with peers. We have open work areas as well as study rooms for working one-on-one with peer tutors or individually. The space is specifically designed to be a welcoming learning environment, and we strive to maintain a professional, educationally-centered atmosphere.

Though our services change from semester to semester depending on peer tutors’ schedules, we typically offer assistance with all levels of math, chemistry, biology, Spanish, French, art history, psychology, and writing in all disciplines.
CAREER COUNSELING

Career planning information and counseling are available at the Kolderie Academic Assistance Center. The transfer and career planning coordinator helps students explore their interests, skills, values and personality preferences related to career goals through individual and group counseling. Students use the many resources available to identify majors and careers which include current publications on careers, majors, internships, study abroad and scholarships. The career lab hosts an interactive computer program that allows students to relate their interests and values to career planning. Workshops on résumé preparation, interviewing skills and major selection are offered throughout the academic year. Opportunities for community volunteering, part-time and summer employment, study abroad and internships are also available.

STUDENT DISABILITY SERVICES

It is the policy of Cotey College to comply with Sections 503 and 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA), as amended by the ADA Amendments Act of 2008, and other applicable federal and state regulations that prohibit discrimination on the basis of disability. The Rehabilitation Act and the ADA require that no qualified person shall, solely by reason of disability, be denied access to, participation in, or the benefits of, any program or activity operated by the College. Each qualified person shall receive the reasonable accommodations needed to ensure equal access to educational opportunities, programs, and activities in the most integrated setting feasible. Students seeking accommodations for a disability may contact the Coordinator for Student Disability Services in the Kolderie Center (RBAC 164) or by calling (417) 667-8181, ext. 2131.

ACADEMIC RECORDS

The registrar and the Office of Academic Records provide service and support to students and alumnae. The registrar is responsible for all aspects of student registration and records. These responsibilities include: course scheduling, registration and course enrollment changes; grade reporting and transcript service; enrollment and eligibility certification; interpretation and application of academic rules and regulations; transfer credit evaluation; and certification of degrees.

INTERNATIONAL STUDENT COORDINATION

Cotey College is authorized under federal law to enroll nonimmigrant students. Please contact the international student coordinator for assistance with matters relating to U.S. Citizenship and Immigration Service policies and procedures.

STUDY ABROAD PROCESS

Students interested in studying abroad should make an appointment to meet with the International Education Coordinator to discuss their options.

Students planning to study abroad will submit the Study Abroad Application to the International Education Coordinator’s office. Students who meet the study abroad eligibility requirements will be notified of their approval to study abroad.

Once a student is notified of her approval, she must complete the Study Abroad Program Approval Form. Students should discuss any programs they might be interested in with the International Education Coordinator. Students will then work with their academic advisors to discuss any degree requirements that must be met while studying abroad to approve a program in order to make sure that students can complete those degree requirements while abroad.

After submitting the Study Abroad Program Approval Form to the International Education Coordinator, students are able to apply directly to their approved study abroad program. Students will need to follow the admission requirements and deadlines for their chosen study abroad programs.

After being admitted into the student’s specific study abroad program, students will work with their advisors and the Registrar to determine which specific classes they should take while participating in the program and how those courses will transfer back to Cotey College. This will be documented by completing the Permission to Transfer Credit Form and obtaining the appropriate signatures. The completed form should be submitted to the International Education Coordinator.

All students will need to attend a study abroad pre-departure session at the end of the semester immediately preceding their study abroad experience.
While abroad, students are required to be enrolled in a minimum of what Cottey College considers to be full-time enrollment (12 credit hours). Some study abroad programs consider full-time enrollment to be higher. If this is the case for a student’s specific program, then the student will be required to be enrolled in the higher number of credit hours. Some study abroad programs consider full-time enrollment to be lower. If this is the case for a student’s specific study abroad program, the student will still be required to meet Cottey College’s full-time enrollment standard of 12 credit hours. Once students have arrived at their host university, they will be required to complete the Study Abroad Enrollment Verification Form, obtain the appropriate signatures, scan, and submit the form to the International Education Coordinator by email.

It is important to note that grades and credit hours will only transfer back to Cottey if the student receives a grade of “C” or above.

STUDY ABROAD REQUIREMENTS

To be eligible to be approved for a study abroad program, students must meet the following requirements:

- Have completed at least one semester at Cottey College;
- Be in good academic and disciplinary standing; and,
- Have a cumulative GPA of at least 2.5 (including the semester immediately preceding the study abroad program).

Additionally, Cottey has the following rules in place for study abroad experiences:

- Any student, as long as they meet the requirements listed above, may participate in a summer study abroad program;
- Students interested in studying abroad, while also meeting the requirements listed above, must be at the junior-level or above at the time of their study abroad program*

**International Business/International Relations Majors**

- Students must meet with their academic advisor to determine which semester their required study abroad experience must be taken. It most typically takes place in the spring semester of the student’s junior (third) year.

*While students at the senior-level are eligible to study abroad, studying abroad during this year is not encouraged. Any student considering study abroad in their senior year needs to consider that credits earned during a study abroad program may not transfer back to Cottey prior to graduation, therefore delaying the student’s graduation. Additionally, students need to be aware of any requirements they need to meet and classes they need to take in order to complete their degree. Students might not be able to meet some degree requirements while abroad.

ACADEMIC POLICIES

CONFIDENTIALITY OF STUDENT RECORDS

The Family Educational Rights and Privacy Act of 1974 as amended [commonly called FERPA or the Buckley Amendment] is designed to protect the privacy of educational records, to establish the rights of students to inspect and review their records, and to provide a means of correcting inaccurate or misleading data. “Educational records” include any records in the possession of an employee which are shared with or accessible to another individual. Certain “student records” are not included among educational records under the Buckley Amendment. Among these student records are records held by educational personnel (such as faculty) that are not accessible to or revealed to any other person. Cottey College makes every effort to comply fully with this legislation.

FERPA regulations make clear that, in the case of students who are dependents of their parents for Internal Revenue Service purposes, information from the educational records of the student may be disclosed to the parents without the student’s prior consent. It is the policy of Cottey College to notify both the student and her parent(s) or legal guardian in writing of certain academic warnings from the Office of Academic Affairs, probationary status, and dismissal. Any student who is not a dependent of her parent(s), as defined by the Internal Revenue Code, must notify the registrar of the College in writing, with supporting evidence satisfactory to the College, by October 1, of each academic year. In the absence of such notice and supporting evidence, the College will assume that a student is a dependent of her parent(s). If the dependency status changes after October 1, the student shall notify the registrar in writing.

In communications with parents concerning campus life and academic matters other than those listed in the preceding paragraph, it is normally college policy to respect the privacy of the student and not to disclose information from student records without the prior consent of the student. At the student’s request, such information will be provided to parents and guardians.
Certain information is considered public and is released by the College at its discretion. A student must formally request that the registrar withhold disclosure of “directory” information, except to College officials with legitimate educational interests and certain others as specified in the regulations. Directory information includes:

- student’s full name
- campus address
- permanent address
- date and place of birth
- assigned student e-mail address
- campus phone listing
- permanent phone listing
- dates of attendance
- enrollment status
- expected date of completion of degree requirements and graduation
- degrees and awards received
- classification
- previous educational institution attended
- participation in officially recognized activities and sports
- weight and height of members of athletic teams
- photographic, video or electronic images
- class roster (only released to students in the class)

Transcripts of academic records and statements of academic status are released to third parties only with written authorization from the student. A student has the right of access to her academic records. A student has the right to challenge and request the correction of any contents of her educational records that are considered to be inaccurate, misleading or in violation of the student’s privacy or other rights. Such a challenge should be directed to the registrar.

ACADEMIC CLASSIFICATION OF STUDENTS

First-Year Students (freshmen) ..............................0-27 credit hours earned
Second-Year Students (sophomore) ......................28-56 credit hours earned
Third-Year Students (junior) .................................57-86 credit hours earned
Fourth-Year Students (senior) ...............................87-120 credit hours earned

REGISTRATION AND CHANGES IN REGISTRATION

Students register on campus for the next semester during academic advising periods scheduled by the registrar. After developing a plan of study with her academic advisor, a student must finalize her course schedule by submitting a signed copy of her registration to the Office of Academic Records.

After the official registration period, a student may add or drop courses. The registrar publishes class schedules, academic advising and registration periods, and add and drop dates.

A student may add courses during the first six days of instruction if facilities, equipment, and enrollment permit. Both the academic advisor’s signature and the course instructor’s consent are required. Students may appeal a denial of consent to the division chair and the vice president for academic affairs. After the sixth day of instruction, a student may not add a course unless her academic advisor agrees, the instructor consents, and the vice president for academic affairs approves.

A student may drop courses during the first ten days of instruction without penalties or charges. These courses do not appear on the transcript.

The eleventh day of instruction through the twelfth week of instruction, a student withdrawing from a course must pay a $15 per course withdrawal fee. A grade of W will be recorded on her transcript.

Permission to withdraw from a course after the twelfth week of a semester is possible only in extenuating circumstances by special permission of the vice president for academic affairs.

COURSE LOAD

A full-time student load is defined as 12-18 credit hours with the typical student load being 15-16 credit hours each semester. To register for more than 18 credit hours, students must have a 3.0 GPA and advisor approval. Special permission must be granted by the vice president for academic affairs. The maximum is 18 credits for a student’s first semester at Cottey and 21 credit hours per semester thereafter. To maintain residential status, Cottey students must be enrolled for a minimum of 12 credit hours per semester, unless that requirement is waived by the vice president for student life. All international students must maintain at least 12 hours of enrollment at all times.
TRANSFER CREDIT

Transfer students are welcome at Cotney College, and the College will make every effort to see that all transferable credit is accepted. Final determination of transfer credits to be accepted is made by the registrar, subject to approval by the vice president for academic affairs in consultation with the appropriate faculty. Transfer work from other institutions will not be officially credited to the Cotney College record until the student has enrolled at Cotney College. Official transcripts must be received directly from all colleges and universities attended. Credits may be accepted for transfer if these criteria are met:

1) The institution at which the credits were earned is accredited by a regional accrediting association.

2) Credit hours taken at another institution may be transferred to Cotney only if the grade earned is a C or above. Courses from another institution in which a grade of “C-“ or lower was earned are not acceptable for transfer credit.

3) Credits earned while enrolled in high school (dual enrollment) may be accepted in transfer and may be used for fulfilling degree requirements.

4) There are additional circumstances surrounding transferring writing courses at Cotney:

   a. All incoming Cotney students are required to take FWS 101 First-Year Writing Seminar their first fall semester at Cotney (this class is offered only in the fall semester). This Cotney-specific first-year writing course focuses on more than writing skills, it also introduces students to the guiding themes of the College as well as the importance of a liberal arts and women’s-only education. This requirement cannot be fulfilled with transfer credit. Students who do not receive a passing grade in FWS 101 may take the course in the subsequent fall semester.

   b. Students may transfer an entry-level writing course (i.e., Freshman Composition, First-Year Writing, English Composition I, English 101, etc.) as elective credit.

   c. Students may receive transfer credit for WRI 102 College Writing if the student can document that the course was completed after completion of the high school diploma, or that the class was taken on a college campus. If the class was taken on a college campus, it also requires an official letter from the college or university confirming that the course was taught on its campus. If the course does not meet these requirements, students may appeal for the transfer of these credits (see next point).

   d. To appeal for the transfer of WRI 102 College Writing, a student should complete a petition form from the Academic Records office and submit a portfolio that includes the course syllabus, all graded writing assignment, and a letter to the Writing Program Director, explaining how the course meets the WRI 102 requirements at Cotney. Students are encouraged to speak with the Writing Program Director prior to completing their petition. The petition should be submitted to the Office of Academic Records by October 1 of the semester in which the student transfers into Cotney. The petition and any attachments will be forwarded to the Writing faculty for evaluation.

Credit is transferred on a course-by-course basis, when the subject matter applies to Cotney’s degree programs. In some cases courses with subjects that do not match the curriculum for the degree may be transferred as elective credit.

Transfer credits accepted by Cotney College are not calculated in the student’s Cotney College grade point average (GPA). Cotney College awards credits in semester credit hours. Quarter hours will be converted into semester credit hours at the rate of two-thirds of a semester credit hour per quarter hour.

COURSE PLACEMENT

Placement in computer science, foreign languages, English composition, laboratory science, mathematics and music is determined by the student’s past level of achievement and/or scores on auditions or tests administered at Cotney. Credit is not given for the lower-level courses not taken due to placement in an advanced course.

ADVANCED PLACEMENT (AP)

Cotney College accepts credit completed through the Advanced Placement Program administered by the College Entrance Examination Board. Credit hours granted are entered on the student’s transcript. See chart on the following page for minimum scores required, credits granted and special conditions (if any).

Requests for credit based on the College-Level Examination Program (CLEP) or other examination programs will be considered on a case-by-case basis.

*must complete >202 at Cottey to receive credit
INTERNATIONAL BACCALAUREATE (IB)

Students who have earned an IB diploma and have earned a score of 5 or higher on the IB Higher Level examination will receive transfer credit for one course in each of the appropriate disciplines. Additional credit may be granted with faculty approval. No credit will be granted for subsidiary level courses. The maximum amount of IB credit is 30 semester hours.

FOREIGN LANGUAGE REQUIREMENT

Knowledge of a language other than English has long been integral to the traditional Associate in Arts and/or Bachelor of Arts degree. Students who wish to broaden their understanding of human complexities or communicate effectively in a global marketplace are strongly encouraged to familiarize themselves with at least one foreign language.

To complete an Associate in Arts degree, students must demonstrate proficiency in one foreign language through the second-semester level.

To complete a Bachelor of Arts degree, students must demonstrate proficiency in one foreign language through the second-semester level (see major requirements for additional requirements).

If the requirement is waived, no credit is earned, and the hours required will be turned to electives.

Students who wish to obtain a foreign language waiver must submit the appropriate materials to the Curriculum Committee no later than the end of the student’s first year at Cottey College:

Native Speakers or Heritage Speakers with Proof of Formal Education in a Language Other than English

Native speakers or heritage speakers of languages other than English who completed part of their education in an English educational system need to submit proof of enrollment in classes in which the primary language of instruction was not English until the completion of at least elementary school or at least two years of middle school or high school. Classes and primary language of instruction are expected to be provided through formal documentation, e.g., a transcript. In consultation with your advisor, please develop and submit a petition to the Curriculum Committee, care of the registrar.

Native Speakers or Heritage Speakers without Proof of Formal Education in a Language Other than English

- If native speakers’ or heritage speakers’ languages other than English are offered by the Cottey College Language Department, they will be able to complete the foreign language requirement through the regular placement tests, with placements results of intermediate language or higher. OR
- If native speakers’ or heritage speakers’ languages other than English are not offered by the Cottey College Language Department, they will be able to complete the foreign language requirement through placement tests given by other colleges/universities at their own expense, with placement results of intermediate language or higher. OR
- Native speakers and heritage speakers will be expected to complete the foreign language requirement in another language other than English.
- Students who wish to obtain a foreign language waiver must submit the appropriate materials to the Curriculum Committee no later than the end of the student’s first year at Cottey College.

AUDITING

In order to audit a course, a student must obtain permission from the instructor. Permission is contingent upon whether, in the instructor’s judgment, the course is suitable for an audit and whether space is available. The instructor determines what requirements the student must fulfill. Audits do not earn credit hours or grade points but do appear on the transcript. If by auditing a course a student exceeds the normal course load, she must obtain permission from the vice president for academic affairs. Changes from audit to credit, or credit to audit, must be made in accordance with the schedule change policy. Audit request forms are available from the Office of Academic Records.

CLASS SIZE

Enrollments in Cottey courses typically range from 5 to 30 students. The average class size ranges from 10 to 15. The College reserves the right to cancel any course for which fewer than five students register.
CLASS ATTENDANCE

Cottey College, while emphasizing academics, believes in the education of the whole student and values activities beyond the classroom such as participation in athletics, arts performances, leadership opportunities, connecting with P.E.O. constituencies, and attendance at professional/scholarly meetings. The faculty and sponsors of such activities endeavor to reach a compromise concerning absences that respects both the importance of class attendance and the benefits of co-curricular opportunities.

It is the responsibility of students to:
- attend classes
- complete all assignments
- be aware of their instructors’ attendance policies
- keep track of their absences
- in advance, inform their instructors of any absences they anticipate for co-curricular activities
- in advance, arrange to make-up missed work

It is the responsibility of sponsors of College events to:
- provide schedules that minimize class absences
- in advance, inform the faculty of any planned group absences
- recognize that student absences for college-sponsored activities must be minimal, and that faculty members may set limits on absences (including absences for college-sponsored events). A student may choose to attend class rather than a college-sponsored activity, and she should not be punished for making this choice.

It is the responsibility of faculty members to:
- recognize the value of participation in college-sponsored activities, and consider allowing students to hand in assignments or take exams at alternative times with advanced notice
- allow course appropriate flexibility for absences due to co-curricular learning opportunities.

EARLY WARNING OF ACADEMIC DIFFICULTIES

Cottey College believes that its admission criteria are sufficient to assure the success of each matriculant. Recognizing that the new student’s adjustment to the college environment varies with each student, the College has developed an early warning system to provide feedback to the student, the academic advisor, the academic support staff, and the student life support staff that a student is having difficulty.

Cottey’s early warning system includes:
- notification by an instructor of his/her concern about a student’s academic performance at any time during the semester,
- mid-term down grade notification by an instructor for each C- or lower grade,
- special warning by the vice president for academic affairs if a student receives three or more faculty concern notices, and
- special warning by the vice president for academic affairs if a student receives three or more mid-term down grade notifications.

(This warning requires that the student meet with each instructor, her advisor, and her academic advisement coordinator to secure their advice and signatures on the warning letter; and that she return the signed letter to the vice president for academic affairs.) A copy of each warning is sent to the student, her academic advisor and the academic advisement coordinator for her class. Registration for the following semester will not be permitted until the letter is returned to the Office of Academic Affairs.

WITHDRAWAL FROM COLLEGE

In order to withdraw from the College any time during the semester and avoid punitive grades, a student must obtain a withdrawal form from the Office of Academic Records and obtain the required signatures. No refund will be given (if applicable) until this form is processed.

LEAVE OF ABSENCE

Medical Leave of Absence
A student with a medical or psychological condition that severely impairs her ability to be a successful student at the college may petition for a Medical Leave of Absence. The student may be granted a medical leave of absence with the approval of the vice president for academic affairs and in consultation with the registrar and her college instructors. A medical leave of absence
is for finishing out the current semester and may be in effect for a maximum of two consecutive semesters unless approval for additional time is granted. A student asking for medical leave of absence must provide written documentation from a medical health professional recommending the medical leave of absence.

Leave of Absence
When a financial or other problem makes it impossible or unwise for a student to continue at Cottey, she may apply for a leave of absence. A leave of absence permits the student to return to Cottey without reapplying for admission, to register as a continuing student, to be guaranteed campus housing, and to complete her degree under the degree requirements of the catalog in effect when she matriculated. Leaves may be approved for a period of up to one year. A petition for leave of absence should normally be submitted before the end of the semester preceding the semester for which the leave is requested. The vice president for academic affairs will not approve such petitions unless the student has a cumulative grade point average which would allow her to return in good standing.

TRANSCRIPTS

An academic record (transcript) is permanently maintained for each student who enrolls at Cottey. This record includes a list of courses in which the student has enrolled as well as the credits and grades earned in those courses. Transfer work is included on transcripts with the courses listed with hours accepted by Cottey (earned hours). Transcripts are issued by the Office of Academic Records upon written request of the student (with their signature) and payment of the transcript fee.

GRADE REPORTS

In lieu of a grade report, an unofficial transcript is sent each semester to the student.

GRADEPOINT AVERAGE (GPA)

A student’s GPA is calculated by dividing the total number of GPA credit hours into the total grade points received. The following table explains the assignment of grade points per credit hour:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.00</td>
</tr>
<tr>
<td>A-</td>
<td>3.70</td>
</tr>
<tr>
<td>B+</td>
<td>3.30</td>
</tr>
<tr>
<td>B</td>
<td>3.00</td>
</tr>
<tr>
<td>B-</td>
<td>2.70</td>
</tr>
<tr>
<td>C+</td>
<td>2.30</td>
</tr>
<tr>
<td>C</td>
<td>2.00</td>
</tr>
<tr>
<td>C-</td>
<td>1.70</td>
</tr>
<tr>
<td>D+</td>
<td>1.30</td>
</tr>
<tr>
<td>D</td>
<td>1.00</td>
</tr>
<tr>
<td>D-</td>
<td>0.70</td>
</tr>
<tr>
<td>F</td>
<td>0.00</td>
</tr>
</tbody>
</table>

The following do not calculate in the grade point average:

- **P**: Pass (0 grade points)
- **AU**: Audit (0 grade points)
- **I**: Incomplete (0 grade points)
- **W**: Withdrawal without penalty (0 grade points)
- **WIP**: Work in progress, no grade

INCOMPLETE

A student, who has done satisfactory work for at least 12 weeks but because of illness or other circumstances beyond her control is unable to complete all course requirements, may request a grade of Incomplete. The instructor, not the student, makes the decision to grant an Incomplete. Incompletes must be completed by the end of the subsequent semester and summer or the grade will be changed to F. Faculty will submit an “Incomplete Grade Notification” form with the grade roster if a student receives an Incomplete.

REPEATING AND BACKTRACKING

A student may attempt to improve her grade by repeating a course for which she received a C- or lower. A higher grade will replace her earlier grade. The lower grade will be eliminated from GPA calculations, credit hours attempted and earned will remain the same, and the higher grade earned at Cottey will be used to calculate her cumulative GPA.
If the course is repeated at another college or university, and a grade of C or better is earned, the repetition is handled as if it were a credit transfer. Credit hours earned for the course will transfer to Cottey, but the grade will not. Even though the grade earned elsewhere does not replace the Cottey grade, a repetition elsewhere will nevertheless improve a student’s cumulative GPA, because both the original C- or lower Cottey grade and the credit hours attempted at Cottey will be ignored in GPA calculations.

Regardless of whether she failed or passed (with a low grade) in a previous attempt, a student can get a better grade and improve her GPA by repeating a course, but “passed” courses count toward graduation only once. Students who repeat and pass a course they have failed will then receive credit for that course, but they do not earn any additional credit hours by repeating courses they have passed before. Only one repetition of a previously passed course may be included in the student’s enrollment status for federal financial aid.

A student may not take for credit a course that is a prerequisite for a course she has already completed satisfactorily. Exceptions will be permitted only by permission.

LATE GRADUATION

Students who will not complete all requirements for graduation (requirements, hours, and GPA) must file for “Late Graduation.” Late graduation petitions or exceptions must show that the student will be within nine (9) hours of completion of all requirements after Commencement in May. Students who receive approval from Academic Affairs and have a cumulative grade point average of 2.00 or higher may participate in Commencement.

ACADEMIC APPEALS AND PETITIONS

Academic appeals fall under two categories, course grade re-evaluation and academic dishonesty sanctions. The Academic Appeals Board considers both types of appeal petitions. In the case of a course grade re-evaluation petition, the board makes a recommendation to the vice president for academic affairs (VPAA). In the case of an academic dishonesty sanction appeal hearing, the decision of the Academic Appeals Board is final. It is the choice and responsibility of the student to file an appeal petition. The student is also encouraged to consult with her advisor or the VPAA.

COURSE GRADE RE-EVALUATION APPEAL

Such appeals must be based either on clerical or bookkeeping errors or on allegations of capricious, illogical, unjust or unprofessional grading. No appeal can be made until a final course grade is assigned. Prior to beginning a course grade re-evaluation petition, the student must first review their assignments with the course instructor to determine if a clerical or bookkeeping error has occurred. If the student cannot be physically present for the review conference, other forms of communication are acceptable.

If it is determined that a clerical or bookkeeping error has occurred, the course instructor will submit a grade correction to the registrar. If, after the assignment review, the final course grade is still in dispute, the student may choose to prepare a course grade re-evaluation petition.

COURSE GRADE RE-EVALUATION PETITION PROCESS

• The student will inform the Office of the Academic Affairs of her intent to file a course grade re-evaluation petition no later than the end of the fourth week of the semester following the course grade in question.
• The Office of Academic Affairs will then inform the Academic Appeals Board and the course instructor that an intent to appeal a course grade has been submitted.
• The Office of Academic Affairs will share the membership of the Academic Appeals Board, including the alternate, with the student. Within two working days, the student may request one member of the board be replaced with the alternate.
• The student must submit all petition materials to the Office of Academic Affairs within two weeks of submitting her intent to petition.
• When all student petition materials are received by the Office of Academic Affairs, they are shared with the course instructor and the Academic Appeals Board.
• The course instructor has two weeks to prepare materials she/he would like the board to consider.
• The board may consider only the materials which have been submitted to the Office of Academic Affairs.
• The Academic Appeals Board will submit their recommendation to the VPAA no later than the end of the twelfth week of the semester in which the petition was submitted.
SATISFACTORY PROGRESS AND GOOD STANDING

Each student is expected to make satisfactory progress toward degree completion. To be in good academic standing, a student must have at least a 2.00 cumulative GPA. Satisfactory academic progress requires the completion of at least 12 credit hours per semester for full-time students, with a progressive minimum cumulative GPA and a progressive minimum earned credit hours that would not subject her to academic dismissal. Full-time students normally acquire the number of credit hours necessary for an associate degree in four semesters. Full-time students should acquire the number of credit hours necessary for a bachelor’s degree in eight semesters. Students should complete a minimum of 15 to 16 credit hours per semester to achieve their degree in these time frames. The Federal Department of Education has specific guidelines for determining satisfactory progress for financial aid eligibility. Please see page 124 for information on standards of progress for students receiving federal financial aid.

PROBATION

A student whose GPA for a semester falls below 2.00, or a full-time student whose earned credits for the first semester fall below 9 credit hours, is notified by the vice president for academic affairs that she is on academic probation. College policies require that limitations be placed upon the activities of students who are on probation. The purpose for these limitations is to enable students who are experiencing academic difficulty to focus time and energy upon course work and to take advantage of help available from instructors, advisors, the Academic Assistance Center, the Counseling Office and other resources of the College.

The first semester that a student fails to meet the requirements listed above, the student will be placed on probation. If after the first semester on probation a student fails to remove herself from probation she will be continued on probation. Failure to make satisfactory academic progress or to fulfill College policies regarding the terms of probation will result in dismissal if on probation for two consecutive semesters. When her semester and cumulative GPA equals or exceeds the 2.00 required and/or when her semester and cumulative credits equals or exceeds the requirement, the student is released from academic probation during the subsequent semester.

DISMISSAL

A student failing to have a 1.00 GPA at the end of her first semester will be dismissed. A student failing to have a 1.50 cumulative GPA at the end of her second semester may be dismissed. A student failing to have a 1.80 cumulative GPA at the end of her third or succeeding semesters may be dismissed.

A full-time student failing to earn six (6) credit hours in her first semester will be dismissed. A full-time student failing to earn nine (9) credit hours in her second or succeeding semesters will be dismissed.

A full-time student on probation for two consecutive semesters will be dismissed after the end of the second semester if satisfactory academic progress regarding the terms of probation are not made.

REINSTATEMENT

A student who has been dismissed from Cottey College due to lack of academic progress will be given the opportunity to appeal the dismissal. A letter must be written to the vice president for academic affairs and outline what circumstances negatively impacted the academic performance that created the dismissal, as well as steps that will be taken to address the issues identified.

Students who have not been enrolled for at least one semester must complete a special application for readmission (see page 121). Note: Submission of an appeal does not guarantee reinstatement.

ACADEMIC ASPECTS OF THE HONOR CODE

The following items are considered examples of academic dishonesty.

1. Dishonest preparation of course work. In the preparation of assignments, intellectual honesty demands that a student not copy from another student’s work. When writing a paper, it is proper to acknowledge all sources of information.

2. Dishonest examination behavior. The unauthorized giving or receiving of information during examinations or quizzes (this applies to all types, such as written, oral, lab or take-home) is dishonest examination behavior. Unauthorized use of books, notes, papers, etc. is not acceptable.
3. **Papers borrowed or purchased.** It shall be considered an act of dishonesty for a student to submit to a teacher any paper which has been borrowed or purchased from any source whatsoever. Such a work is not the true work of the student who submits the paper, and such action is as reprehensible as copying from another paper during a test.

4. **Excessive Help.** It shall also be considered an act of academic dishonesty for a student to receive excessive help with the preparation, writing, or revision of any assignment which is to be submitted to an instructor. Excessive help shall be held to exist when a student receives input on an assignment that goes beyond brainstorming, feedback, or revision suggestions. Excessive help includes (but is not limited to) having another student rewrite a passage of an essay or using another’s exact words as if they were the student’s own.

   In short, excessive help is when the helper rewrites all or any portion of an assignment. Students should remember that when it comes to defining the parameters of excessive help, the preferences of individual instructors may vary. When in doubt, students should consult with the individual instructor.

   Finally, students should also be aware that the assistance they receive from the Cottey College Writing Center does not under normal circumstances constitute excessive help. Students should think of the Writing Center as a collaborative resource to further their development of a wide array of rhetorical skills and not merely as a proofreading or editing service.

5. **Plagiarism.** Plagiarism is a form of stealing in which another person’s ideas or even his/her very words are borrowed without acknowledgement or credit being given. Plagiarism may go all the way from directly copying an entire paper from a single source to a merging together of quotations from many sources; it exists when these sources are not properly identified and when quoted material is not put in quotation marks or indented. Even when the student paraphrases the ideas of another writer, she is obligated to credit that writer.

6. **Aiding and Abetting.** Aiding and abetting, that is participating in any way in cheating, is considered academic dishonesty and shall be treated with the same consequences.

7. **Unauthorized Collaboration.** A test or assignment is given to the individual with the expectation that it be completed independently without assistance from another student or outside sources of information unless collaboration with others or use of resource materials is specified by the instructor.

The above-mentioned items are not the only violations to be considered. The Cottey College community maintains that any violation of the spirit of the Honor Code is a violation. If a student is in doubt about some practice, she should consult her advisor and/or instructor.

**Disciplinary Action for Honor Code Violations Including Academic Dishonesty**

Students who violate the Honor Code are subject to a grievance being filed against them. The grievance will be reviewed by the Judicial Board of the College. The exception is the case of academic dishonesty.

With respect to academic dishonesty, faculty members of Cottey College are responsible for determining if a situation has risen to the level of academic dishonesty (cheating) and for the discipline of students whom they believe to be guilty of academic dishonesty in their classrooms.

The consequence of academic dishonesty at Cottey College will depend on whether the violation is a single incident in a class or is the result of multiple violations that occur in one or more than one class. The result of a single violation in a class should be appropriate to the level of the violation. In cases that seem such problems as somewhat careless or uninformed failures to cite sources appropriately, the instructor may opt for a mild consequence or even just a warning and a careful explanation. However, in cases in which the violation was clearly intentional and knowingly deceptive, the consequence should be more serious. In such a case, an instructor may choose to give either no credit on the work that was involved in the violation (with no possibility of redoing that work) or may even choose to give the student a course grade of F and expulsion from the course.

Any student found to have committed an act of academic dishonesty will be reported by the faculty member to the vice president for academic affairs. If it is determined by one or more members of the faculty that a student has been responsible for academic dishonesty more than once during her enrollment at Cottey, the vice president, in his or her discretion, will determine, in consultation with the faculty members in whose classes the academic dishonesty occurred, whether the consequences for the dishonesty will exceed those for the individual class or classes. Depending on the severity of the violations, the vice president for academic affairs, in his or her discretion, reserves the right to expel the student committing the offenses from the College.

Any student who has had sanctions imposed by a faculty member and/or the vice president for academic affairs may appeal her case before an Academic Appeals Board to be appointed by the vice president for academic affairs (VPAA) each academic year. The VPAA will appoint two students recommended by the vice president of student life, and two faculty members from the Faculty Curriculum Committee to serve on the Board. The Academic Appeals Board will be chaired by a faculty member elected by vote of the Faculty each year, who will serve in a nonvoting capacity except in cases of a tie vote. If the Chair of the Appeals Board, other faculty member, or student member is involved in the case, the VPAA will appoint an alternate member(s) to serve. The student
appeal must be submitted in writing to the Chair of Academic Appeals Board within three school days of the date that the sanction was imposed. A hearing will take place within three school days of the submitted appeal. The decision of the Academic Appeals Board will be final.

Students are ethically responsible under the terms of the Honor Code for reporting occurrences of academic dishonesty to the faculty member in whose classes the alleged cheating may have occurred.

GENERAL POLICY ON EXCEPTIONS AND WAIVERS

Requests for exceptions to, deviations from and waivers of these academic policies will be addressed to the vice president for academic affairs and referred to the Curriculum Committee for consideration.

STUDENT RIGHT TO KNOW

Student Right to Know (SRTK) refers to a Federally-mandated public disclosure of a college’s Completion Rate and Transfer Rate. The intent of SRTK is to provide to the consumer a statistic of comparable effectiveness that they can use in the determination of college choice. All colleges nationwide are effectively required to participate in the disclosure of rates.

SRTK is a “cohort” study; that is, a group of students who are first-time freshmen who are enrolled full-time and are degree-seeking as identified in a fall term and their outcomes are measured over a period of time. The outcomes that the two SRTK rates measure are Completion (the total number of students in the cohort who earn a degree) and Transfer (the total number of cohort non-completers who were identified as having enrolled in another institution). The tracking period of the cohorts is three (3) years, at which time the SRTK rates are calculated and made public.

SRTK has its merits in that it attempts to provide a standardized measure of college effectiveness nationwide. However, in order to fully understand what SRTK rates mean for a college, one should also know its limitations. There can be data collection issues involved in the acquisition of valid numbers used in deriving SRTK rates; since there is no central nationwide “clearinghouse” of transfer data, it is impossible to generate accurate transfer-out rates.

In compliance with the Student Right to Know and Campus Security Act of 1990, Cottey College makes available its completion and transfer rates to all current and prospective students.

The graduation rate for first-time, full-time, degree-seeking students who entered Fall 2011 was 72%. The graduation rate for first-time, full-time degree seeking students in athletic programs was 70%.
ACADEMIC RECOGNITION

PRESIDENT’S LIST

The President’s List honors those students whose semester grade point average is 3.75 or above and who completed at least 12 credits in the previous semester.

DEAN’S LIST

The Dean’s List honors those students whose semester grade point average is between 3.50 and 3.74 and who completed at least 12 credits in the previous semester.

HONOR SOCIETIES

Cottey is privileged to have the oldest existing chapter of Phi Theta Kappa in the world. This international academic honor society recognizes outstanding students at two-year colleges offering associate degrees. Membership in Cottey’s chapter, which was founded in 1918, is by invitation and is based upon high levels of academic achievement.

Alpha Chi Chapter, (Missouri Tau, Chapter 406) is a scholarly, national-level honor society for juniors and seniors pursuing their bachelor’s degrees and for graduate students. Alpha Chi was established in 1922, and currently has 300 chapters across almost all 50 states. Alpha Chi is committed to promoting scholarship and service for the overall good of the larger society. Induction to the society is highly competitive and limited to the top 10% of juniors and seniors with at least 24 semester hours completed at the institution sponsoring the chapter.

Alpha Mu Gamma is a national honorary fraternity for lower-division students of foreign languages, including international students for whom English is a foreign language. Requirements for membership are excellence in the study of foreign languages at Cottey and overall excellence in college classes. Membership in Cottey’s chapter, Kappa Gamma, is by invitation.

Delta Psi Omega, the national honorary Dramatics fraternity for junior colleges, was created to honor its members for their work in college theatre productions. Members are selected through a points system based solely on work done in Cottey’s theatre productions. Members promote the performing arts as well as serve as technical crews for special campus events.

Mu Sigma Epsilon, a campus honorary music society, recognizes excellence in performance and bases membership on performance points and academic standing. The organization presents a musicale of student performances each semester and assists with the performances and receptions for other students and faculty.

Psi Beta, the national psychology honorary society for junior colleges, bases membership on grade point average and participation in psychology courses. Cottey’s chapter is a charter member of the national organization.

Sigma Kappa Delta is the national honor society for English for two-year college students. This society recognizes excellence in English and overall scholarship, giving students the opportunity to celebrate and promote English language and literature at Cottey. Cottey’s chapter, the first in the nation, publishes the literary magazine The Image Tree annually and sponsors speakers and events for the Cottey community.

Golden Key is Cottey’s honorary service organization. Each year students are selected to represent Cottey. Membership is based on application, grade point average, leadership ability and involvement in campus activities. Members conduct campus tours for visitors, host prospective students for overnight visits and serve as hosts for official College functions.

GRADUATING STUDENT AWARDS

Citizenship Award, established by Chapter Y, District of Columbia, P.E.O. Sisterhood, in tribute to its past presidents. This award is given annually (by vote of the student body) to a graduate on the basis of campus citizenship.

First Lei Award, one of two Hawaiian leis provided by Chapter C, Honolulu, Hawaii, P.E.O. Sisterhood. It is presented annually to the associate degree graduate with the highest scholastic average.

Second Lei Award, provided by Chapter C, Honolulu, Hawaii, P.E.O. Sisterhood. It is given annually to the associate degree graduate considered (by vote of the faculty) to be outstanding in the areas of leadership, student government, and academic, social and community affairs and who best exemplifies the spirit and ideals of the College.

Margaret Fritchler Zeran Award, established by Dean Franklin R. Zeran of Oregon State College in memory of his wife. It is presented annually to the graduate judged (by vote of the faculty) to approach most nearly an ideal of intellect and spirituality and to have exerted the most wholesome influence upon her associates.

Graduation Honors

Summa Cum Laude is granted to students graduating with a bachelor’s degree with a cumulative grade-point average of at least 3.90, Magna Cum Laude to those with a 3.70 to 3.89, and Cum Laude to students who have earned a cumulative grade-point average of 3.50 to 3.69 through the final semester of their college career. To be eligible for this honor, the student must apply for baccalaureate graduation by the published deadline.
THE CAMPUS AND STUDENT LIFE

THE CAMPUS

Nevada, Missouri, is the small community Virginia Alice Cottey chose as the home for her college. Today comprising 8,400 citizens, Nevada is the major population center between Kansas City and Joplin. Located in a residential section, Cottey’s campus has 14 buildings on an 11-block tract and a scenic 33-acre wooded area, B.I.L. Hill and Lodge. The Hill is a favorite place for campus gatherings and retreats, and serves as a nature laboratory.

Historic Main Hall, built in 1884, is the College’s original building. Completely renovated in 2002, it currently houses administrative offices, the Service Center, and the Bookstore.

The Rubie Burton Academic Center is composed of two wings. Alumnae Hall, built in 1974 and renovated in 1998, contains classrooms, faculty offices, the student art gallery, and the computer lab. Offices for Academic Affairs, the registrar, and the Kolderie Academic Assistance Center are also in this building. Grantham Hall, completed in 1998, houses well-equipped science and computer laboratories, the majority of the classrooms and faculty offices, and student and faculty lounges.

Neale Hall, built in 1922, was renovated in 2015 as part of the construction of the Judy and Glenn Rogers Fine Arts Building. Originally constructed as a gymnasium, today this beautifully repurposed facility houses the studios and offices of the dance department.

The Judy and Glenn Rogers Fine Arts Building, built in 2015, was constructed to bring all of the fine arts together under one roof. Joined to the renovated Neale Hall by an atrium, the facility houses the music and art departments. It includes studios for the visual arts and practice rooms for the music department as well as classrooms and faculty offices. It is joined to Main Hall by an elevated glass walkway.

The central place for academic research is the Blanche Skiff Ross Memorial Library, constructed in 1963. It houses over 50,000 books, covering the breadth of the arts and sciences on the undergraduate level, including the Women’s Studies Collection, the Juvenile Collection, and the Popular Reading Collection in addition to music scores and recordings and over 1,200 videos and DVDs. A conference room and group study rooms provide a variety of meeting spaces. All three floors have study tables, easy chairs, private study areas, and computers.

The Haidee and Allen Wild Center for the Arts, completed in 1989, provides facilities for the performing arts. It features a 495-seat auditorium, a climate-controlled art gallery, a recital hall with seating for 150, and a large scenery shop and costume shop.

The Chapel, built and donated in 1956 by the B.I.Ls, seats 480 in the nave and houses the Dysart Memorial Organ, a 21-rank Hammer-Reuter organ, and the Nell Farrel Stevenson Grand Piano. The Chapel, which is nondenominational, also contains a smaller side chapel and parlor (the Canadian Room).

Hinkhouse Center, built in 1971 and renovated in 1992, houses a gymnasium, swimming pool, fitness center, classrooms, and faculty and coaches’ offices. The spacious student lounge and the Chellie Club coffee house were newly refurbished in 2011. The Student Life Center is housed in Hinkhouse Center. The complex also includes three tennis courts, softball and recreational fields, and the Vanek Family Memorial Softball Field, dedicated in 2013.

The Cotty House (renovated in 2013), located to the east of Main Hall on Cherry Street, houses up to seven fourth-year students and is designed to provide residents a more independent living/learning experience.

P.E.O. Hall (1939), first building erected after Cottey was accepted as a gift by the P.E.O. Sisterhood in 1927. Approximately 100 students live in ten suites: Arkansas, California-Gardner, California-Remy, Illinois, Iowa, Minnesota, Missouri, Oregon, Pope, and Yellowstone.

Reeves Hall (1949), named for Winona Evans Reeves. Approximately 100 students live in ten suites: California-Weller, Kansas, Michigan, Nebraska, New Mexico, Ohio, Rubie, Seaboard, Texas, and Washington.

Robertson Hall (1959), named for Elizabeth Robertson. The Bessie Raney Dining Room is on the lower level. Robertson Hall houses approximately 150 students in 14 suites: Arizona, Colorado-Minor, Colorado-Thompson, Dakota, Florida, Indiana, Louisiana, Oklahoma, Rosemary-Alumna, Santa Barbara, Southeastern, Wallace, Wheatlake, and Wisconsin. This facility is partially accessible to individuals with physical mobility disabilities and is air-conditioned.

The Helen and George Washburn Center for Women’s Leadership, acquired in 1998, is located just south of the campus at 400 S. College. The beautiful home and grounds are used to host campus retreats, seminars, and to house visiting faculty. It is also home to the Serenbetz Institute for Women’s Leadership, Social Responsibility, and Global Awareness.

2017-2018 Cottey College Academic Catalog

113
STUDENT LIFE CENTER MISSION AND GOALS

The student life staff is committed to the development of the whole person. While the formal academic experience is the centerpiece of collegiate life, the student life staff strives to support and complement the academic program to make it as meaningful as possible. Our primary mission is to assist students in making a successful adjustment to collegiate life.

In order to promote the greatest possible learning and developmental growth of students within our academic community, the staff members are committed to creating an environment that encourages learning, involvement, introspection, maturation, and a balanced lifestyle. To fulfill our mission, we will strive to achieve the following goals:

To Provide Services
- and resources designed to assist students in making a successful adjustment to collegiate life.

To Increase Awareness
- of personal, community, and social issues and encouragement to respond to those issues.
- of different or divergent opinions and ways of life which lead to a better understanding of and tolerance for others.

To Create Opportunities
- for inquiry and expression on matters of interest to students.
- to form self-governing student groups that initiate and pursue activities of interest to students.
- to be active contributors toward positive change through leadership, teamwork, and civic engagement.
- that promote personal growth and development.
- that encourage lifetime health and wellness.

To Offer Activities
- that promote interaction among students, faculty, staff, and the larger community both on and off campus.
- that foster an appreciation of cultural and ethnic diversity in our global community.
- that enhance student learning through active participation.

To Conduct Assessment
- as a means of identifying students’ needs and continuously improving services to meet them.
- to document the student learning outcomes gained through participation in student life programs.

NEW STUDENT ORIENTATION

Throughout a student’s time at Cottey, she will have the assistance and support of the College community. The first year at college is a time of change and growth for both students and families. All new students and their families are encouraged to participate in the New Student Orientation program held before each semester. The goal of New Student Orientation is to help the new student and her family make a successful transition to college life. New Student Orientation includes academic and student life programs for the new students and their families.

HEALTH SERVICES

Cottey College contracts with local physicians to provide limited health services for students. The semester health fee allows a student to see the physicians in the Health Services Office during the scheduled time with no office visit charge. They provide treatment for minor illness and injuries, health counseling, and referral services. The student (or her family) is responsible for medical expenses involving additional consultations with physicians outside of the normal health services hours, X-ray and laboratory work, prescription medications, and other medical procedures or services as required. Health services offered by the College should not be viewed as a substitute for health insurance. Students who experience a serious illness or injury may be referred for treatment, at their expense, to the Nevada Regional Medical Center, located only 12 blocks from campus. The College reserves the right, if parents or a guardian cannot be reached, to make decisions concerning emergency health problems for any student.

COUNSELING OFFICE

Cottey College counseling services is committed to fostering the growth and development of Cottey students. By providing mental health services in a safe, supportive, and confidential environment, the counseling staff strives to help students acquire the skills, attitudes, and insights that will enable them to meet the challenges of life in an academic community. The counseling staff encourages personal, campus, and community responsibility, and promotes the wellness of the whole student - emotional, social, spiritual, intellectual, physical, environmental, and occupational. Counseling sessions at Cottey support diversity and inclusivity and is a safe zone for all students.
The Peer Empowerment Program (PEP) consists of second-, third-, and fourth-year students who have been carefully selected and trained and have volunteered to help their fellow students with problems. Members listen open-mindedly, assist students in sorting out issues, and make referrals when appropriate. Peer listeners will not tell you what to do, but they can help you decide on a course of action. Peer assistance is private and confidential. Peer listeners are supervised by the coordinator of counseling.

RESIDENTIAL LIFE

Residential life at Cottey provides students a vibrant and dynamic learning environment. Although a very small number of Cottey’s students commute to campus from home, most come from other parts of the country or world and live on campus. All first- and second-year students must secure and maintain campus residency throughout their enrollment unless they can commute from their homes, or an individual exception to the requirement has been approved by the College administration. Third- and fourth-year students may choose to live on or off campus. The unique suite-style living contributes to the development of interpersonal skills and thus adds to the pleasure and value of a Cottey education.

Residential students live in P.E.O. Hall, Reeves Hall, Robertson Hall, and the Cottey House. These halls are divided into suites which are comfortable and beautifully decorated, made possible by P.E.O. chapters, individual donors, and others. Individual suites house eight to 16 students from diverse backgrounds and geographic locations in single, double, or triple rooms. There is a computer suite in each residence hall with eight to ten networked computers, printers, and scanners available on a 24-hour basis. For students bringing personal or laptop computers, the option of accessing a high-speed wireless network system within the residence halls and campus wide is available. All residence halls are nonsmoking and Robertson Hall is air-conditioned. The Cottey House, located across from Main Hall, houses up to seven fourth-year students, and is designed to provide students a more independent living/learning experience.

A residence hall director and student resident assistants live in each residence hall to supervise and be of assistance to the residents. Residence halls are recognized as student organizations, and officers are elected to conduct hall business. Suite residents also elect a suite chair to act as the coordinator for the suite.

The College has established student regulations, consistent with living cooperatively in a community, designed to support the mission of the College. The use of alcoholic beverages, illegal drugs, and repeated disregard for procedures and regulations have a negative impact on the educational process. The possession or use of alcohol or illegal drugs is prohibited on campus. Along with other guidelines for campus living, the specific policies, regulations, and the disciplinary system are contained in the Student Handbook which is available online. Students are urged to become familiar with these policies and regulations and to support them. Enrollment at the College constitutes an agreement on the part of the student to comply with the policies in this catalog and in the Student Handbook.

Eating in Raney Dining Room is also a part of residential life at Cottey College. All meals are served in Raney Dining Room which is located in Robertson Hall. Meals are provided three times per day Monday through Saturday and twice on Sunday. Extra care is taken to provide a pleasant dining experience. Weekly special buffets such as make-your-own stir-fry, southern food, and soup, salad & wings are highlights for Cottey students. Lunch and dinner include a wide variety of entrees, including vegetarian, vegan, gluten and dairy free options in addition to soup, salad, and deli bars. A Centennial Room dinner is a special event for suitmates to dine together in a more formal and private setting. Personally prepared by Cottey’s chef, students select a six-course meal sure to delight.

The Chellie Club, the campus coffee house located in Hinkhouse Center, features deli items and a wide variety of coffees and drinks. A stereo provides musical entertainment, and the adjacent lounge area includes a big screen television and game area.

SPIRITUAL LIFE AND CAMPUS DIVERSITY

The director of spiritual life and campus diversity provides primary leadership and support for the spiritual life of the campus community, and helps create a community where diversity and inclusion are appreciated, celebrated, and advanced.

The College recognizes spirituality as an important component of personal development. Cottey strives to provide educational opportunities for increased understanding of the significance of spirituality and an appreciation for its many forms by creating opportunities for spiritual development in a nonsectarian atmosphere that is inclusive of a multi-faith perspective reflective of Cottey’s diverse cultural, ethnic, religious, and spiritual community. The director of spiritual life and campus diversity provides leadership for Cottey’s spiritual life program and collaborates with others to plan activities throughout the year.

Cottey has a long tradition of student involvement with the Nevada faith community. This rewarding relationship remains a cornerstone of Cottey’s spiritual life program. Many churches have “host family” programs that serve not only to enrich the experience of the students and families involved, but also enhance the relationship between Cottey and the Nevada community.

The director also offers programs that increase awareness and appreciation of diversity and support multicultural understanding.
leadership development, equity, inclusion, social justice, peace, and community building. There are also many opportunities for students to be involved in outreach to the Nevada and surrounding communities that promote diversity and inclusion.

**STUDENT ORGANIZATIONS & CAMPUS ACTIVITIES**

Student organizations are an integral part of the Cottey experience. There are numerous recognized student organizations on campus. All provide additional opportunities for the extension and enrichment of the individual’s education. They represent a broad spectrum of interests, ideas, and activities. These organizations make significant contributions to the intellectual, cultural, recreational, social, and spiritual life of students. Students are encouraged to participate in at least one organization, and to serve in leadership positions. Programming assistance, organizational support, and leadership information are provided to student organization officers and sponsors. The Student Government Association (SGA) is recognized by the College as the official voice of the students. Through SGA, students participate in shared campus governance, in the management of student organizations, and in student discipline. The basic role of SGA is to work cooperatively with the College administration to improve the quality of student life. It also serves as an “umbrella” organization to all other student organizations in terms of determining officer criteria, budget issues, and other common concerns. The SGA president works closely with the vice president for student life and the President on issues of importance to students and is also invited to discuss student life issues with the Cottey College Board of Trustees.

Numerous performers appear on campus. The Student Activities Committee (SAC) plans, promotes, and produces events featuring bands, comedians, coffeehouse singers, and novelty entertainers. The Cottey College Performing Arts Series sponsors performances each year. Performances span the realm of music, theatre, and dance. Students are admitted free to all campus performances, except student organization fundraisers. Some performances will sell out.

Family Weekend is a special weekend created for families to spend on campus with students. Parents, siblings, grandparents, other relatives, and friends are all invited. Family Weekend, traditionally held in early October, is a great opportunity for families and friends to meet suitemates and college friends and get a taste of life at Cottey.

Much of Cottey’s character can be attributed to its traditions. Cottey traditions, some of which date back to its founding, serve as a symbolic expression of the rich and unique heritage shared by the College community. Others have evolved through the years and are perpetuated by students. Cottey life is enriched and made more special by many traditions. Participation in student traditions is optional.

**ATHLETICS**

Cottey offers intercollegiate athletic programs in basketball, volleyball, softball, and cross-country/track. Cottey will be offering golf beginning in 2017-18, and tennis beginning in 2018-19. Cottey is a member of the National Junior College Athletic Association (NJCAA), Division II, Region XVI. Members of the Cottey community enjoy supporting the Cottey Comets at home and on the road.

**LEADERSHIP DEVELOPMENT**

The Cottey College Leadership Program empowers, equips, and educates women and girls to be confident leaders in their communities, careers, and beyond. The Cottey campus provides a dynamic environment for students to learn and practice leadership through the efforts of the Helen and George Washburn Center for Women’s Leadership; the Serenbetz Institute for Women’s Leadership, Social Responsibility, and Global Awareness; and the academic and student life programs.

The Leadership, Experiences, and Opportunity (LEO) certification program, modeled on the Leadership Identity Development Model, is a four-level leadership certification program providing students opportunities to explore and enhance their leadership philosophy and skills. The learning outcomes of the LEO program are to be able to identify and develop a personal leadership style; introduce students to a network of successful women leaders; exposure to new experiences, ideas, and cultures; and develop leadership skills that are transferrable to personal life, community service, and future careers/professions. A personalized approach rich in hands-on experience includes participation in enrichment events, field trips, community service, and the opportunity to build relationships with fellow student leaders make the LEO program distinctive.

Several opportunities for leadership development are available to Cottey students through involvement in a variety of student organizations, and campus and community committees and boards. Students have many opportunities to meet and learn from distinguished women leaders through the Leaders-in-Residence program and the Distinguished Speakers Series.
VICE PRESIDENT’S DISMISSAL

The vice president for student life may dismiss any student if she behaves in a manner that:

a. creates an unreasonable risk or danger to the safety of herself, other students, or College personnel; or
b. causes her to disrupt the academic or social process of other students at the College.

When a student who has received this type of dismissal believes she is ready to resume her enrollment at the College, she must make a formal written request to the vice president for student life for readmission.
EQUAL OPPORTUNITY POLICY

Cottey College is committed to providing equal opportunity to its students and employees in all aspects of campus life. The College does not unlawfully discriminate in educational programs, recruitment and admissions of applicants, school-administered activities or programs, or employment opportunities, policies, or practices on the basis of race, religion, color, national origin, citizenship, age, disability, veteran status, sexual orientation, or any other status protected by law.

The coordinator for equal opportunity is the director of human resources, Main Hall, Cottey College, Nevada, MO 64772; telephone (417) 667-8181, ext. 2103. Students may contact the coordinator of student disability services, academic advising, and student success programming, located in the Kolderie Center in the Rubie Burton Academic Center, at (417) 667-8181, ext. 2131.

In addition, and in accordance with Title IX of the Educational Amendments of 1972, Cottey College does not unlawfully discriminate on the basis of sex in its educational programs, school-administered activities or programs, or employment opportunities, policies, or practices.

Cottey College has designated Title IX coordinators to handle all inquiries regarding its efforts to comply with and carry out its responsibilities under Title IX of the Educational Amendments of 1972. As such, the coordinators are the best contact for employees and students who believe they have suffered discrimination or harassment on any protected basis, including sexual harassment and sexual violence. The Title IX coordinators may be contacted as follows:

**Title IX Coordinator Contact: Mark Burger**
Director of Campus Security, Clery, and Title IX Compliance
Cottey College
1000 W. Austin Blvd.
Nevada, MO 64772
(417) 667-8181, ext. 2292
mburger@cottey.edu

**Employee Title IX Deputy Coordinator:**  
**Betsy McReynolds**  
Director of Human Resources  
Cottey College  
1000 W. Austin Blvd.  
Nevada, MO 64772  
(417) 667-8181, ext. 2103  
bmcreynolds@cottey.edu

**Student Title IX Deputy Coordinator:**  
**Mari Anne Phillips, Ed.D.**  
Vice President for Student Life  
Cottey College  
1000 W. Austin Blvd.  
Nevada, MO 64772  
(417) 667-8181, ext. 2126  
mphillips@cottey.edu

Inquiries concerning the application of Title IX may also be directed to:  
The Assistant Secretary  
U.S. Department of Education  
Office for Civil Rights  
Lyndon Baines Johnson Department of Education Building  
400 Maryland Avenue, SW  
Washington, D.C. 20202-1100

Cottey College seeks to provide an environment where every student and employee will have an equal opportunity to reach her/his full potential and contribute to the College’s success. To that end, Cottey College will not tolerate any form of unlawful discrimination, harassment, or retaliation. It is incumbent upon all students and employees to report any discrimination, harassment, or retaliation that exists so that it can be addressed. These reports can be made directly to your supervisor or the director of human resources or to the vice president for student life. Any alleged violation of this policy will be investigated, and disciplinary action will follow as appropriate.

For more information regarding Cottey College’s commitment to an environment free of discrimination and harassment and a full explanation of its grievance procedures for students, see the Cottey College Student Handbook at www.cottey.edu or visit the Cottey College intranet.
ADMISSION AND FINANCIAL AID

ADMISSION TO THE COLLEGE

GENERAL POLICY

Cottey College encourages applications from students seeking an independent, private, residential women’s liberal arts and sciences college committed to global awareness, social responsibility and women’s leadership.

All candidates for admission must be graduates of accredited high schools, or have satisfied high school graduation requirements through the G.E.D., by special official arrangements or through an accredited online or home school organization.

Admission is based on prior performance and one’s potential to succeed at Cottrey. Cottrey College is committed to equal educational opportunity and does not unlawfully discriminate in its educational policies and practices on the basis of race, religion, color, national origin, age, disability, veteran status, sexual orientation, or any other factor protected by law.

Application for admission from each candidate should be on file in the Office of Enrollment Management as early as possible; the College accepts students for admission only until it reaches capacity. Early application is, therefore, recommended.

THE APPLICATION PROCESS

Students must apply online through the Cottey College website, www.cottey.edu or through the Common Application at www.cottey.edu/commonapp.

A student applying for admission needs to submit:

1. the application for admission;
2. official high school transcript (including course work through 11th grade); with a final high school transcript sent after graduation (showing the graduation date).
   (a) A grade point average (GPA) of at least 2.6 is required in order to be admitted.
   (b) official college/university transcripts for any college/university coursework taken while in high school
3. the $25 nonrefundable application fee; and
4. results from the ACT Assessment Test (ACT) or the Scholastic Assessment Test (SAT) of the College Entrance Examination Board.
   (a) A minimum ACT score of 21 or a combined minimum reading and math SAT score of 970 is required in order to be admitted.
5. Students who do not meet the above minimums or for whom the admission committee feels additional personal information is warranted may be required to submit supplemental materials like personal statements, letters of recommendation, essays, samples of graded coursework, Advanced Placement (AP) or College Level Examination Program (CLEP) scores, etc.

It is recommended that candidates take either the ACT or SAT in the spring semester of the junior year or the fall semester of the senior year of high school. Multiple test results are accepted. When taking the test, request that an official copy of the scores be sent to Cottrey.

Scores may also be sent through the high school counselor by request and scores appearing on official high school transcripts will be accepted for admission purposes.

The ACT code for Cottrey is 2286 and the SAT code is 6120. Arrangements for these tests may be made with the student’s guidance counselor. The admission committee will consider the highest test result through the December test for admission and scholarship purposes.

APPLICATION GUIDELINES

First Time Students

All applicants for admission to Cottrey College should take a college preparatory course sequence. The required high school curriculum includes:

- four years of study in English composition and literature,
• two years in history and government,
• three years in mathematics (Algebra I, Algebra II and Geometry),
• two years in laboratory science and
• two years of study in one foreign language.

A student will be notified of an admission decision shortly after receipt of her completed application, if she has:

(1) undertaken a college-preparatory high school curriculum,
(2) achieved a high school grade point average of at least 2.6, AND
(3) received standardized test results that meet our current eligibility requirements (ACT composite of 21 or better, SAT math and critical reading combination of 970 or better)

Students whose academic credentials fall below these guidelines may be asked to provide additional information for consideration by the Admissions Committee. Students admitted by Committee may be admitted contingent on adhering to specific conditions and instructions throughout the first 27 semester hours earned.

Students who are accepted will receive notification that a nonrefundable tuition deposit is due (see Nonrefundable Application Fee and Tuition Deposit) to secure a place in the incoming class.

Students accepted for admission also receive a health form (requiring a doctor’s examination), which must be completed before enrollment at Cottey College. Health information is confidential.

TRANSFER APPLICANTS

Cottey College welcomes transfer applicants to study for their associate or baccalaureate degrees.

NOTE: Cottey College will accept no more than 75 hours from other institutions toward a degree, based on the requirement that 27 hours be earned at Cottey for an associate degree and that 45 hours must be earned at Cottey for the baccalaureate degree.

No grade of “C-” or lower will be accepted as transfer credit. Transfer students who have been academically dismissed from a previous institution must seek special permission from the vice president for enrollment management to be considered for admission to Cottey College.

Transfer applicants will have their transcripts evaluated on a course-by-course basis. Prospective transfer applicants can receive a Cottey Unofficial Transcript Evaluation, by sending a transcript (unofficial is acceptable) to our registrar at eval@cottey.edu.

Transfer students must take all courses listed as graduation requirements. Transfer applicants will be admitted unconditionally to Cottey College as transfer students if the following criteria have been met:

(1) The applicant has earned a minimum of 12 semester hours of college-level work (excluding remedial courses) from a regionally accredited college or university after completion of high school or receiving GED and
(2) The applicant has achieved a 2.00 G.P.A. or higher on all college-level work.

Transfer applicants with 11 or less transferable credits from a regionally accredited college or university will have the admission decision based on a combination of secondary and post-secondary transcripts, plus ACT/SAT scores. Students will need to:

(1) Submit all official college or university transcripts; including any courses taken for college credit while in high school and all credits taken after completion of high school,
(2) Submit final high school transcript showing graduation date, and
(3) Submit ACT/SAT scores.

Applications from students with a cumulative college GPA of 1.6 – 1.9 will be reviewed by the Admissions Committee for an admission decision. Students with a transfer GPA of less than 1.6 will not be admitted.

SPECIAL ADMISSION

Cottey College will accept the General Educational Development test (G.E.D.) with the following stipulations:
(1) the G.E.D. scores as well as an official copy of the certificate are required;  
(2) the applicant must also submit either the ACT or SAT scores or an official college transcript showing at least one full-time semester successfully completed with a minimum GPA of 2.00.

Based on the above requirements, each applicant will be individually evaluated for admission by the admission committee.

HOME SCHOOL POLICY

Students who have been home schooled and have completed high school graduation requirements under a home-school program may be considered for admission. Historically, Cottey has accepted and enrolled home-schooled students. Home-schooled students follow the same application guidelines and procedures as all other applicants. In order to be considered for admission, home schooled students will need to submit:

(1) Application form and $25 application fee.
(2) ACT or SAT standardized test scores.
(3) Home school credit evaluation form (including at least 6 semesters of course work in 9th, 10th and 11th grades) prepared and signed by home-schooling parent/guardian.

The Office of Enrollment Management may also ask for a portfolio detailing all high school work completed (including courses studied, textbooks, assignments, extracurricular activities and writing samples). Evidence must show completion of courses in English, social studies, mathematics, science and foreign language. The student may also be required to furnish proof that home schooling requirements within their state of residence have been satisfied.

Home-schooled students who have received a General Educational Development test (G.E.D.) may also be admitted to Cottey. In this situation, copies of the G.E.D. scores as well as an official copy of the certificate will be required.

FORMER STUDENT READMISSION

Former Cottey College students who have not been enrolled for at least one semester (not to include the summer) and who do not have an approved leave of absence must be readmitted by the College. A student must reapply using the online application. In addition to submitting an application for readmission, students who were dismissed from Cottey College for any reason must apply by letter to the vice president for academic affairs.

HIGH SCHOOL JUNIOR EARLY ADMISSION

Exceptionally mature and academically able students who have completed all but one year of high school, have the endorsement of their high school officials for early entrance to college and can produce stellar letters of recommendation may be considered for admission to Cottey.

With the approval of the high school, courses successfully completed at Cottey may be counted toward a student’s high school graduation. Students interested in applying for early admission should contact the Office of Enrollment Management as early as possible.

INTERNATIONAL STUDENT ADMISSION

Cottey College welcomes applications from prospective international students and encourages international applicants to communicate with the Office of Enrollment Management at least six months in advance of their proposed entrance. There is a limited amount of financial aid available for international students, so if financial aid is needed, this fact should be made clear in initial correspondence. International applicants may be asked to submit the following

- Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) scores, if one’s first language is not English
- Certified records of external examinations, when applicable

International applicants must submit certification of finances and the CSS Profile.
NON-DEGREE SEEKING HIGH SCHOOL STUDENT ADMISSION

Cottey provides an opportunity for qualified local high school students to enroll in a maximum of six credit hours per semester, at a reduced tuition rate. Such students must apply using a special application form available in the Office of Enrollment Management.

Admission will be based on a combination of factors, including an evaluation of previous academic work, an interview with the admissions committee, available standardized test scores, and a recommendation from the high school counselor.

AUDITING STUDENT ADMISSION

A student who wants to audit a course at Cottey (and is not a currently enrolled student) must complete an application and submit an unofficial copy of their high school or post-secondary transcript. Once the student is admitted to the College, she needs to obtain permission from the instructor to audit and return the completed Audit Form to the Office of Academic Records. See page 105 in the catalog for details. The fee for auditing a course is listed under “Incidental Fees.”

NONREFUNDABLE APPLICATION FEE AND TUITION DEPOSIT

A nonrefundable application fee of $25 must accompany each application for admission to Cottey College. If the fee presents a financial hardship to the family, the fee may be waived with a written request from the student’s high school counselor.

A nonrefundable tuition deposit of $125 is due to hold a place in the incoming class after the candidate has been notified of her acceptance for admission and has decided to enroll. Payment of this fee ensures a student’s place in the student body and housing assignment. The nonrefundable tuition deposit is credited to the student’s bill for the first semester.

For students admitted prior to April 15, nonrefundable tuition deposits are due on or before May 1. For students admitted after April 15, nonrefundable tuition deposits are as soon as possible to secure a place in the class and accept any financial aid offered.

FINANCIAL AID

Financial aid programs at Cottey include federal, state, institutional and external resources. Eligibility for aid is determined on the basis of financial need, academic ability and/or special abilities like those inherent in student athletes, artists and/or performers. The four types of financial assistance are grants, scholarships, loans and work programs. Approximately 98% of the student body receives assistance from at least one of these sources.

Students seeking need-based financial aid must complete the Free Application for Federal Student Aid (FAFSA). Students and their families are encouraged to complete and submit the FAFSA at fafsa.ed.gov as soon as it’s available on October 1. International students should complete the CSS Profile.

Financial need is the difference between the cost of attendance and the expected family contribution (EFC) which is calculated from the information reported on the FAFSA. The cost of attendance includes tuition, fees, room, board, books and supplies, personal expenses, and transportation expenses.

TYPES OF FINANCIAL AID AVAILABLE

Grants do not have to be repaid. The types of grants available are Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Cottey Grants, and grants from the state of Missouri.

Scholarships do not have to be repaid. A variety of scholarships are available to qualified students. Some scholarships may require applications, auditions, etc. More information on scholarships can be found in the next section.

Loans must be repaid with interest. The types of loans available are Federal Direct Subsidized and Unsubsidized Loans and Federal Direct Parent Loans for Undergraduate Students (PLUS).

Work programs are provided through Federal Work Study and Campus Employment.
SCHOLARSHIPS

Academic Scholarships
Academic Scholarships are awarded to qualified students when they are accepted for admission. Awards are made on the basis of high school GPA and ACT/SAT scores. For 2017-2018, there are four levels of academic scholarships:

- Trustees’ Scholarship $10,000/year
- President’s Scholarship $7,500/year
- Founder’s Scholarship $5,000/year
- Achievement Award $2,500/year

Summer Workshop Scholarship
Participants of Cottey’s Summer Workshop will receive a $3,000 scholarship when they enroll at Cottey College as full-time students. This scholarship is renewable for up to four years. Please visit the workshop website for registration and more information: www.cottey.edu/workshop.

Transfer Scholarships
Students who have attended another college since graduating from high school and before coming to Cottey College will be considered for the following scholarships:

- $10,000 Scholarship per year
  - Average Student Profile: College cumulative GPA 3.5-4.0
- $7,500 Scholarship per year
  - Average Student Profile: College cumulative GPA 3.0-3.49
- $5,000 Scholarship per year
  - Average Student Profile: College cumulative GPA 2.5-2.99

Fine Arts Scholarships
Fine Arts Scholarships are available in art and art history, dance, music, and theatre and speech. Applicants must be accepted for admission prior to the scholarship deadline at the beginning of the spring semester. The application is available online. Recipients must make satisfactory academic progress and meet departmental requirements for renewal of the scholarship.

Alumnae Scholarships
Alumnae Scholarships are awarded to relatives of alumnae who are accepted for admission by March 1. Awards are $500 per academic year and are awarded to daughters, granddaughters, sisters, great-granddaughters, and nieces, as funding allows.

Athletic Scholarships
Athletic Scholarships are awarded for basketball, cross country, volleyball, softball, golf, and tennis based on demonstrated ability. Awards can range from $500 up to the amount of tuition and books.

Honors and Awards
Several scholarships are awarded each year at the Honors and Awards Convocation in May. Recipients are selected on the basis of outstanding achievement in various academic areas and/or campus activities.

Opportunity Scholarships
Opportunity Scholarships are available to students who stay at Cottey to pursue a bachelor’s degree. These $3,000 scholarships are for 3rd- and 4th-year students who have a 2.5 GPA or higher. A faculty member must nominate the student by submitting a letter of recommendation to the vice president for academic affairs by February 15.

P.E.O. Scholarships
Many Cottey students receive scholarships from state, provincial, and local chapters of the P.E.O. Sisterhood. A student does not need a P.E.O. affiliation to qualify. Application deadlines and procedures vary by chapter, so early application for admission is encouraged.

Girl Scout Leadership Award
Cottey College offers a $1,000/year award to Girl Scout Gold Award recipients. The Gold Award certificate or letter must be presented to the financial aid office prior to enrollment at Cottey.

NOTE: When a student has no demonstrated financial need and institutional scholarships are awarded, the total amount of scholarships may not exceed the total fee amount.
VALIDITY OF THE HIGH SCHOOL DIPLOMA FOR TITLE IV AID

Colleges and universities must develop and follow procedures to evaluate the validity of a student’s high school program completion, if the college or university or the Department of Education has reason to question the legitimacy of the student’s diploma. The FAFSA on the Web will collect the name of the high school the student graduated from and the state where the school is located for first-time undergraduate students. Students will select their high school from a drop-down list populated by the National Center for Education Statistics (NCES). Students who cannot find their high school will input the name, city, and state of their high school. The absence of a high school on the dropdown list does not mean that it is not legitimate; a copy of the student’s final high school transcript will serve as proper documentation.

Cottey must have an official final high school transcript showing the student’s graduation date. No financial aid can be disbursed and enrollment will not be finalized until this has been received. The deadline is the last day of the period to add or drop classes without a fee each semester. If Cottey is unable to determine whether the student’s diploma is valid, the student will be ineligible for federal Title IV aid.

SATISFACTORY ACADEMIC PROGRESS

Federal regulations require that financial aid recipients make satisfactory academic progress toward earning a degree in order to remain eligible for assistance. Satisfactory academic progress (SAP) standards apply to students receiving financial assistance from all federal, state, and institutional aid programs. The SAP Policy has two components: qualitative and quantitative. Students must meet the requirements for both components as outlined below.

Qualitative requirements:

- A student with less than 57 credit hours must have a cumulative grade point average (GPA) of at least 1.75.
- A student with 57 or more credit hours must maintain a cumulative GPA of at least 2.00.

Quantitative requirements:

- A student must have completed 67% of the credit hours attempted.
  - For example, if after the second semester the student has attempted 32 credit hours, she must have completed 21 hours (32 x 67%).
- A student must complete a program within an established time frame.
- Financial aid will be awarded according to the number of the required credit hours for the program multiplied by 150%.
- A student will lose eligibility for financial aid for all future semesters after the semester in which the maximum hours allowed are exceeded.
  - For example, the Associate in Arts degree requires 62 credit hours. A student could receive aid for up to 93 (62 x 150%) credit hours.
- The Bachelor of Arts degree requires 120 credit hours.
  - A student could receive aid for up to 180 (120 x 150%) credit hours.

1. Both qualitative and quantitative progress will be checked at the end of each semester.
2. Students meeting the standards listed above will be in good standing.
3. If a student does not meet the above standards, she will be placed on financial aid warning. During the financial aid warning semester, the student will continue to receive aid, if otherwise eligible, but they must meet SAP standards by the end of the warning semester or have an academic plan in place.
4. If at the end of the financial aid warning semester the student has not met the SAP standards, she will be placed on financial aid suspension. Financial aid suspension means a student will receive no further federal, state, or institutional aid until the minimum standards have been met.
5. Courses shown as failed, incomplete, audited, or withdrawn are not included in the number of credit hours earned. Repeated courses which were previously passed will not add to the credit hours earned.
6. There are selected courses which may be repeated for credit and those are specified in the catalog.
7. Credit hours earned by testing will be included in the number of hours earned. This includes Advanced Placement (AP) and International Baccalaureate (IB).
8. Financial aid suspension may be appealed if unusual circumstances affected academic progress. Such circumstances may include a severe illness/injury to the student or immediate family member, the death of a student’s relative, or other special circumstances. A letter of appeal must be submitted to the director of financial aid within the time specified on the notice of financial aid suspension. The letter should include why the student failed to meet SAP standards and what has changed that will allow the student to be successful at the next evaluation.
9. Transfer students with no grade history at Cottey will enter on SAP good standing. Complete academic transcripts for work attempted at other institutions must be submitted to the enrollment management office before the beginning of the first semester at Cottey. Transfer students will be evaluated at the end of the first semester at Cottey just like all other students.

10. Former Cottey students who were not enrolled at Cottey for the most recent semester will re-enter at the SAP status earned at the end of their last Cottey enrollment.

FINANCIAL AID REFUND POLICY (RETURN OF TITLE IV FUNDS)

Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws prior to completing 60% of the semester, the student may no longer be eligible for the full amount of Title IV funds that were originally awarded. Title IV assistance at Cottey includes Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal Direct Loans (Subsidized and Unsubsidized), and Federal Direct PLUS Loans.

The amount of Title IV aid earned by the student must be determined as of the date of withdrawal. If the amount disbursed to the student is greater than the amount earned, unearned funds must be returned to the funding agency. The percent earned equals the number of days completed up to the withdrawal date divided by the total days in the semester.

The school has 30 days from the date the institution determines that the student withdrew to return all unearned funds. The order of the return of Title IV funds by the school is as follows: Unsubsidized Direct Loan, Subsidized Direct Loan, Direct PLUS Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant. When aid is returned, the student may owe a balance to the College.
FINANCIAL MATTERS

STUDENT FEES PER SEMESTER

Student billing for the fall semester occurs in July and in November for the spring semester. A student/parent may elect to pay the balance in full or make three monthly payments with a 1% monthly, or 12% annualized interest charge. Fall semester payments are due August 15, September 15, and October 15. Winter/spring semester payments are due December 15, January 15, and February 15. The advance tuition deposit of $100 for returning students and $125 for new applicants is credited to the student’s bill for the first semester. This deposit is nonrefundable after May 1. Information and questions regarding the payment of fees should be directed to the Business Office.

An administrative charge of $100 will be charged for all students who withdraw prior to the first day of class.

If a student receives financial aid, the College must refund the granting agency or agencies in accordance with the regulations and/or restrictions placed upon such funds prior to refunding any remaining refundable balance to the student and/or parents or guardians. When a student registers at the College, it is understood that the student and her parents or guardians accept the terms of payment and refund in this catalog.

INCIDENTAL FEES

| Identification Key Card                   | $10             |
| Withdrawal Fee Per Course (third through tenth week) | $15             |
| Auditing Course – Per Semester Hour       | $70             |

SECURITY/DAMAGE DEPOSIT

To provide security against loss to the College or damage to Cottey College property, each residential student living in P.E.O., Reeves, or Robertson Hall is required to deposit $125 with the College prior to her first registration. Each residential student residing in Cottey House is required to deposit $200 with Cottey College. Each non-residential (commuting) student is required to deposit $50 with Cottey College. This fee is in addition to the total fee.

Any charges made against the security/damage deposit must be restored prior to the subsequent academic year in the case of residential students or by the subsequent semester in the case of non-residential students. The unused portion of the deposit will be refunded when the individual ceases to be a student at Cottey College.

SINGLE ROOM FEE

The additional fee for a single room is $500 per semester for 2017-2018, and is nonrefundable after September 30 and February 15. When Cottey College assigns a single room, no fee is assessed.
COTTEY COLLEGE’S ENDOwed Funds Listing updated: 02/28/17

Cottey College places special emphasis on the endowed funds established at the College. These endowments allow Cottey to maintain and invest the principal of the fund while using earnings to underwrite special programs, faculty salaries and scholarships. These permanently held funds demonstrate people’s commitment to Cottey College and their confidence in its future. Cottey gratefully acknowledges the generosity of its many supporters.

unrestricted endowments

The earnings from the following unrestricted endowments are used to support the general operations of the College.

Anniversary Fund, the College’s first unrestricted endowment established to celebrate 50 years of ownership by the P.E.O. Sisterhood and the 100th Anniversary of the founding of Cottey College.

Katy Archer Fund, established in 2001, by Mary Archer and Chapter DB, Texas, as a tribute to Katy Archer, past president of Texas State Chapter.

John K. and Rebecca W. Baird Fund, established in 2015 through the estate of John K. and Rebecca W. Baird.

Luella F. Bushey Endowment, established in 2015 by Scott Bushey. The gift was given in memory of his mother Luella, a member of Chapter F, Florida; and in honor of his sister Ellyn S. Drummond of Chapter CY, Florida, and his niece Deborah L. Smith of Chapter CA, Ohio.

Claribel Cully Endowment, established in 2014 through the estate of Claribel Cully.

Elizabeth Ann Turner Dillon Fund, established in 1997 by her husband, Merrill B. Dillon. Mrs. Dillon served as a Cottey College trustee from 1972 to 1979.

John A. & Clover E. Downs Fund, established in 2007 with funds bequeathed to the College by Clover E. Downs.

Lucy G. Balthrope and Grace Hortense Greenley Fund, established in 2016 through the estate of Grace Hortense Greenley.

Jane Ellen Wolfe Hoffman Fund, established in 2003 by her sister and brother-in-law Betty Wolfe Windham and L. Burke Windham. Mrs. Hoffman was a member of CX, California.

Nina Thompson Hughes Memorial Fund, established in 2015 through the estate of Nina Thompson Hughes.

William and Nancy Harvey Mendenhall Fund, established in 1999 by William and Nancy Harvey Mendenhall, Class of 1944.

Mary Louise Remy Endowment, established in 2001 by the College’s investment consulting group and investment money managers as a tribute to her service to the P.E.O. Sisterhood and Cottey College. Mrs. Remy, a member of Chapter E, California, is past president of International Chapter of the P.E.O. Sisterhood and past chairman of the Cottey College Board of Trustees.

Ruth L. Roush Fund, established in 2015 through the estate of Ruth L. Roush, a member of AV, Pennsylvania.

Tri-Generation Endowment, established in 2006 by Elizabeth Andrews Leland. This fund is in memory of her mother Abby Lauzer Andrews and in honor of her daughter, Suzanne Elizabeth Leland-Lym, representing three generations of membership in P.E.O.

C.O. and Lou Ollie Waters Fund, established in 2001 through the estate of C.O. Waters.

Charles and Thelma Whiteford Fund, established in 2000 by Thelma Whiteford, a 70-year member of the P.E.O. Sisterhood and member of Chapter DW, in Nevada, Missouri.

Endowed Chairs

Iva Corpstein Chair in Science, established in 1980 by Chapter D, Arizona, in memory of Iva Corpstein, a longtime member of Chapter D, with a bequest from her estate.

Eloise M. Cost Chair in Science, honoring and in memory of her husband, James N. Cost, was established in 1994 by gifts from Eloise Cost, a P.E.O. member since 1935 and longtime supporter of Cottey College.
Harmon Chair in English, established in 1994 by a bequest from Frances Harmon Whisamore, a 1922 Cottey graduate. It is in honor of the following Cottey College alumnae: Sally Houston St. John, Dr. Lucy Harmon, Rachel Harmon Bethel, Katherine Harmon Robertson, Allie Harmon Grey, Frances Harmon Whisamore, Laverne Harmon, Marie Harmon Butner, Leota Harmon Kropp, Marjorie Harmon Thweatt, Katherine Robertson Young, Teresa Howard Wolfe, and Tracy Thweatt Davis.

Jeanette and Joseph Head Chair in Business, established in 2014 by a bequest of Joseph and Ellen Head.

Sherlock Hibbs Chair of Economics, dedicated to the espousal of Ludwig von Mises (Austrian) School of Economics, was established in 2003 through the estate of Sherlock Hibbs.

Claire (Clara) Dooner Phillips Chair in Social Science, established by the Arizona State Chapter in 1971 in memory of Claire Dooner Phillips.

Virginia Alice Cottey Stockard Chair in Religion and Ethics, established in 1960 through the generous gifts of the Cottey College Alumnae Association, together with the cooperation of Supreme Chapter, P.E.O. Sisterhood, in honor of the founder of the College.

Margaret Emily Stoner Chair in Speech and Drama, established in 1968 in honor of Mrs. Margaret Emily Stoner, past president, Indiana State Chapter, and past president, Supreme Chapter, P.E.O. Sisterhood, by Chapter I, Indiana, and the Indiana State Chapter.

Gene Wild—Missouri Chair in Fine Arts, established by the Missouri State Chapter, P.E.O. Sisterhood, in 1975 in honor of Miss Gene Wild, Past President, Missouri State Chapter.

ENDOWED FACULTY DEVELOPMENT FUNDS

David G.C. Cassa Faculty Development Fund, established in 1997 by his wife, Cary B. Cassa, a member of Chapter L, New Jersey. The earnings are used to promote Cottey College faculty research and professional development.

Clover Faculty Development Fund, established in 2006 by friends and Dr. Haworth Clover in tribute to his wife, Carol Ann Anderson Clover, a 1958 graduate of Cottey College, and to his daughter, Catherine Alette Clover, a 1992 graduate of Cottey College, and both members of Chapter CX, California. The earnings are used to enhance pedagogy by providing training to the faculty on emerging teaching techniques and technologies.

Lillian Corley Faculty Development Fund, established in 1987 by Indiana State Chapter in honor of Lillian Corley, president of International Chapter of the P.E.O. Sisterhood, 1985-87. The income is used to provide awards to Cottey College faculty for research and professional development.

Donald H. Cunningham Faculty Development Fund, established in 2012 by his wife Pat Cunningham and colleague Cathryn Pridal, Ph.D., Cottey vice president for academic affairs, to recognize Don’s service as a member of the Cottey College Board of Trustees. The earnings are used to provide funding for original research or work that may lead to publication or public presentation.

ENDOWED CULTURAL FUNDS

Marty Bilek Cultural Fund, established in 2014 by Marty Bilek, member of Chapter EF, Texas. The earnings are used to provide cultural events at Cottey College.

Thomas and Mary Dell Clark Cultural Fund, established in 1989 through their bequests and by their heirs. The income is used to provide cultural events at Cottey College.

General Endowed Cultural Fund, established in 1989 by hundreds of alumnae, P.E.O.s, BILs and friends of Cottey College. The income is used to provide numerous cultural events at the College.

Elizabeth Frances Hatchett Cultural Fund, established in 1997 by Ms. Georgianne H. Raftery in memory of her aunt, Elizabeth Frances Hatchett, a 1925 graduate of Cottey College. The earnings are used to provide cultural events at Cottey College.

Dorothy Hill Cultural Fund, established in 1986 by Dorothy Hill, Chapter DW, Missouri, with income used for cultural events at Cottey College for the enjoyment of the College, Nevada and Vernon County communities.

Rose Ann Millsap Performing Artists Endowment, established in 1995 through the trust of her husband, Marvin M. Millsap. The income is used to bring distinguished performing artists, particularly in the fields of music and theatre, to Cottey College.
Lelia Raney Pott Cultural Fund, established in 1990 by Mrs. Pott, a member of Chapter S, Texas. The income earnings are used to provide cultural activities, with an emphasis on music, for Cottey College and the surrounding community.

Helen Peniston Scull Cultural Fund, established in 1989 by Alonzo Scull in memory of his wife, Helen Peniston Scull, Chapter TJ, Del Mar, California. The income is used to provide cultural events at Cottey College.

ENDOWED LECTURE FUNDS

Jean E. Christensen Lecture Fund, established in 1990 by Dr. John Christensen, in memory of his wife. The income is used to bring guest lecturers to the Cottey College campus.

Alice Virginia Coffin Enrichment Series, established in 1986 by the Massachusetts State Chapter, P.E.O. Sisterhood, in honor of Alice Virginia Coffin, one of the seven founders of the P.E.O. Sisterhood. The income is used to provide a program series featuring people who have achieved success in contemporary fields.

Alice Donaldson Fund for the Distinguished Speakers Series, established in 2015 through the estate of Alice Donaldson, a member of Chapter HF, Missouri. The earnings are used to support the Distinguished Speaker Series.

Blanche Hinman Dow Lecture Fund, established by gifts from the Class of 1965 and the Cottey College Student Senate, in honor of Dr. Blanche Hinman Dow, Cottey President 1949-65. Biennially, a member of the faculty is selected by his/her peers for recognition as the Blanche Hinman Dow Lecturer. The recipient delivers a scholarly address to the College community and is awarded an honorarium.

Shirley and Burt Zeiler Speaker Series Endowment for Women’s Leadership and Social Responsibility, established in 2012 by their sons, James D. Zeiler and Dr. Steven B. Zeiler. The earnings are used to bring guest lecturers to the Cottey College campus.

ENDOWED LEADERSHIP FUNDS

Anderson Leadership Fund, established in 2007 by Dr. William M. Anderson and Mrs. Anna M. Anderson, to commemorate their 30th wedding anniversary and to honor Anna’s service on the Michigan State Chapter board and the Cottey College Board of Trustees. The earnings from the fund are used to provide leadership opportunities for students at Cottey College.

Barbara Andes Leadership Endowment, established in 2009 by Dr. Jerry P. Andes, California State Chapter, and friends in honor of Barbara’s many years of service to the P.E.O. Sisterhood and leadership on the boards of California State Chapter, Program for Continuing Education, and the International Chapter of the P.E.O. Sisterhood. The earnings can be used to fund any activity or need associated with leadership, including, but not limited to, programs, speakers, travel, scholarships, and equipment.

Clark Student Leadership Fund, established in 1989 by Michael and Nancy Clark Hamisak in memory of her parents, Orville and Arva Clark. Dr. Orville Clark was a member of the Cottey College Board of Trustees, 1969-76. The interest is used to pay for travel and other related expenses for outstanding students to attend regional or national conferences.

Class of 1950 Leadership Fund, established in 2000 to commemorate their 50th class reunion. The earnings from this fund promote leadership activities for Cottey students.

Kiekhof Women’s Leadership Fund, established in 2000 to honor the support of Dr. William and Mrs. Emily Kiekhof, a member of DE, Oklahoma, past president of Oklahoma State Chapter, and past member of the Cottey College Board of Trustees. The earnings from this fund support programs for the Center for Women’s Leadership.

Marjorie Mitchell Leadership Fund, established in 2000 by her nieces, Marjorie Mitchell Rose and Toni Mitchell Koski, Class of 1945, and nephew, Tracy Mitchell, in memory of their aunt, Marjorie Mitchell, president of Cottey College from 1938 to 1949. The earnings provide leadership opportunities and experiences at Cottey College.

Mary Louise Remy Leadership Fund, established in 2001, to honor Mary Louise Remy’s leadership and service to Cottey College and the P.E.O. Sisterhood, by her sister, Edith Frances Greathead, her family, and members of Chapter E, California. Mrs. Remy, a member of Chapter E, California, is past president of International Chapter of the P.E.O. Sisterhood and past chairman of the Cottey College Board of Trustees. The earnings of the fund are used for the general operations of the Center for Women’s Leadership.

Gladys Lee Wells Leadership Fund, established in 2016 through the estate of Anna L. Campbell, a member of Chapter FJ, Oregon. The fund is to honor Anna’s mother, a former Cottey faculty member. The earnings from this fund are used for the general programs and operations of the Center for Women’s Leadership.
OTHER ENDOWMENTS

Beckwith Handbell Endowment, established in 1996 by Mrs. Priscilla Beckwith, a member of Chapter L, Georgia. The income from this fund is to be used for the perpetual care of the handbells, providing periodic maintenance and renovation, replacement or purchase of additional bells as deemed necessary. If the income earnings exceed the above needs, the proceeds can be used to pay for other expenses incurred by the handbell choir.

BIL Cottey Endowment Fund, established in 2007 by BILs who desire to add additional financial support to Cottey College. The earnings are available to the President of Cottey for unexpected opportunities, challenges, and short term projects for which there are no budgeted funds available.

Grace S. Buell Landscaping Fund, established in 1998 by Kennedy Buell in memory of his wife, Grace S. Buell, member of Chapter BJ, Virginia. The earnings are used to purchase trees and flowers and maintain the aesthetic beauty of the campus.

Class of 1960 Excellence in Education Award, established in 2010 by members of the Class of 1960 in celebration of their 50-year reunion. The earnings are used to award faculty for outstanding pedagogy.

Class of 1970 Fund, established in 2012 by the Class of 1970 to commemorate its 40th reunion. The fund is intended to advance students in developing their roles in contributing to a socially responsible society. The annual earnings are used to fund: (1) the costs of a student to attend a conference in her field of study, with preference given to a student who has demonstrated leadership by being invited to present at the conference, and (2) the costs of a student or students to participate in a service-learning or leadership trip.

Hansen International Student Emergency Fund, established in 2008 by Janet M. Hansen, a member of Chapter DW, Wisconsin. The earnings are used to assist international students with emergency expenses.

Miriam Kindred Internship Fund, established in 2010 by Miriam Kindred. Miriam is a 1951 graduate of Cottey and a member of Chapter EI, Texas. The earnings are used to provide internships to Cottey College students.

Gean F. Lipson Disabilities Fund, established in 2011 through the Gean F. Lipson Estate. The income is used to aid the College in its efforts for handicapped accessibility. If no improvements to the campus are needed, the fund may be used to provide scholarships to handicapped students attending Cottey College.

Lockrem Friendship Fund, established in 2015 by Jane and Peter Lockrem. Jane is a member of Chapter IN, California. The earnings are used to support emergency needs of Cottey students.

Madelon Gail Lucky Community Service Fund, established in 2017 by Mrs. Lucky, a member of Chapter EU, Arizona. The earnings are used to support community service projects of the College that promote women’s leadership, social responsibility, and global awareness.

ACADEMIC PROGRAMS AND EQUIPMENT ENDOWMENTS

Rubie Burton Academic Center Fund, established in 1999 by hundreds of alumnae, P.E.O.s, BILs, and friends of Cottey College. The income supports the technology and equipment needs of the Rubie Burton Academic Center.

Fields of Dreams Fund, established in 2007 by Kentucky State Chapter to honor Ann Haught Fields for her years of service to Kentucky State Chapter and the Executive Board of International Chapter of the P.E.O. Sisterhood. The earnings will be used for the writing center to provide additional instruction and assistance for students attending Cottey College to enhance their writing skills.

Rosemary Fowler Science Equipment Fund, established in 2008 by the many friends, family, colleagues, and former students of Dr. Rosemary Fowler, professor of chemistry at Cottey for 31 years. The earnings are used to purchase science equipment.

Mable H. McKee Fund, established in 1987 by Mable McKee. The income is used for the benefit of the business department at Cottey College.

Harvey and Christine Nelson Music Fund, established in 2015 through the estate of Harvey and Christine Nelson, member of Chapter B, Arizona. The earnings are used to provide maintenance of acoustic pianos, organs, and harpsichords at Cottey College.

Ernest Salter Science Equipment Fund, established in 2001 in honor of Dr. Ernest Salter, Cottey College Associate Professor of Chemistry and Physics from 1960 to 1976 by Mary Stenstrom, a 1965 Cottey College graduate, and her husband, Dr. John R. Black. The earnings are used to purchase science equipment.
Merry Ann DeVaney Sauls Academic Writing Contest, established in 1996 by Merry Ann DeVaney Sauls, a 1959 graduate of Cottey College. The income is used to sponsor the Academic Writing contest. This contest was developed to enhance the prestige of academic writing in all the academic disciplines and recognize outstanding student course-related works.

June P. Ericson Tonigan Memorial Fund, established in 2007 by her many friends, husband and children. The earnings from this fund are used to enrich the international educational experience for Cottey students.

Van Vlack Science Equipment Fund, established in 2002 by Laura R. Van Vlack-Ailes and Bruce H. Van Vlack. The earnings from this fund are used to purchase, upgrade, maintain, repair, and replace laboratory equipment for the science department.

Helen and George Washburn International Student Scholarship, established in 2004 by friends and colleagues in tribute to their 18-year service to Cottey College. The earnings are used to award scholarships to international students attending Cottey College.

Velma Wood Young and Louise Wood Washburn Scholarship, established in 1985 by a bequest from Louise Wood Washburn. The income is used for scholarships to students at Cottey College.

Washington Chapter FU Scholarship, established in 2012 by Chapter FU, Washington. The earnings are used to provide scholarships to Cottey College students.

Watson, Lee, Rathbone Scholarship, established in 2010 by Lois Lee, a 1944 graduate of Cottey College and a member of Chapter EC, Oklahoma. This fund was established in memory of her mother, Ida Watson, Chapter JB, Iowa, and in honor of her granddaughter, Stephanie Greenhaw Rathbone, Chapter EC, Oklahoma, a fourth generation P.E.O. and a Cottey graduate, Class of 1994. The earnings are used to provide scholarships to Cottey College students.

Mildred Watson Scholarship, established in 2009 by Chapter B, Alabama, in her memory. The earnings are used to provide scholarships to Cottey College students.

Nancy Burch Weaver Scholarship, established in 2006 by Joseph M. Weaver in memory of his wife, a member of Chapter P, South Carolina. The earnings are awarded as scholarships to young women attending Cottey College.

Emily J. Weills Memorial Scholarship, established in 1975 by the bequest of Emily J. Weills. Scholarships are awarded by Cottey College, at its discretion, to women of any race, creed, or nationality, who are, or expect to become, members of the student body.

Jann Rudd Weitzel Imagine Scholarship, established in 2016 by friends and colleagues in celebration of Dr. Weitzel’s inauguration as the twelfth president of Cottey College. The earnings are used to award scholarships to students attending Cottey College.

Nell Terrill Burton Welch Scholarship, established in 1979 by Bee Spanswick and Edythe B. Magruder, in memory of their sister. Income is used as a scholarship to a student attending Cottey College with preference being given to international students.

Florence Rice Wellman Memorial Award, established in 1972 by the bequest of Florence Rice Wellman, a longtime member of Chapter W, California, and Chapter N, Minnesota. This award is given to a returning student who has distinguished herself in one of the fine arts.

Stella M. Wentworth Scholarship, established in 1979 through a bequest from Stella M. Wentworth, in memory of her mother, Abia R. Wentworth, of Chapter A, Missouri. The income is used for international student scholarships.

Audrey Parrish White Scholarship, established in 1988 by Audrey White, of Chapter IO, Kansas. The income is used as scholarships to students with high academic achievements in English.

Gladys H.G. Wiedemann Scholarship, established in 1979 by Mrs. K.T. Wiedemann, of Chapter DX, Wichita, Kansas. The income is used as scholarships to worthy students attending Cottey College.

Florence Cheney Wightman Scholarship, established in 1976 by the bequest of Esther M. Blum, provides scholarships to worthy and needy students.

N. Elane Wilcox Scholarship, established in 2010 through the estate of N. Elane Wilcox. The earnings are used to provide scholarships to Cottey College students.

Wiley Scholarship, established in 1984 by the bequests of Herbert C. Wiley and Betty Wiley. The income provides scholarships to worthy students attending Cottey College.
Linda and Ron Williams Scholarship, established in 2015 by Linda and Ron Williams. Linda is a member of I-EW, Kansas. The earnings are used to provide scholarships to Cottey College students.

Marybeth Williams Scholarship, established in 2008 by many friends and family in honor of her service to P.E.O. and Cottey College. The earnings are used to provide scholarships to second-year Missouri students attending Cottey College.

Mildred Willock Scholarship, established in 2015 through the estate of Mildred Willock, member of Chapter DO, Missouri. The earnings are used to provide scholarships to Cottey College students.

Frances Engle Wilson Scholarship, established in 2013 by Frances Engle Wilson, of Chapter DX, Oklahoma. The earnings are used to provide scholarships to Cottey College students with preference for students pursuing degrees in English with an emphasis in writing.

Velma Covert Wilson Scholarship, established in 2000 through the bequest of Arthur Philip Wilson, Jr., in memory of his mother, a member of Chapter CH, Nebraska. The earnings provide scholarships to students attending Cottey College with preference given to students from Columbus, Nebraska.

Ella M. Witter Scholarship, established in 1971 by the bequest of Miss Ella M. Witter of Storm Lake, Iowa, to aid deserving students.

Wyoming Cottey Walk Scholarship, established in 2013 by Wyoming chapters. The earnings are used to provide scholarships to Cottey College students with preference to students from Wyoming.

LOAN FUNDS

Janet Hunt Bellinger Loan Fund, established in 1997 through the bequest of Ms. Bellinger, a member of Chapter GQ, Iowa.

Edith Morgan Briggs Loan Fund, established in 1963 by a gift from Edward M. Briggs of Cincinnati, Ohio, in memory of Edith Morgan Briggs.

Howard S. and Maxine H. Elliott Educational Loan Fund, established in 1996 through a bequest from Howard S. Elliott of Grand Junction, Colorado.

John R. Graves, Minnie Graves, Herbert D. Graves, and Charlotte Graves Orear Loan Fund, established in 2014 through the Richard H. and Charlotte G. Orear Trust. Charlotte was a member of Chapter F, Missouri. The earnings are used to provide scholarships to Cottey College students with preference given to students from Meade County or southwestern Kansas.

Velda Medlock Gustlin Student Loan Fund, established in 1974 by Clarence Gustlin of Los Angeles, California, in loving memory of his wife, Velda Medlock Gustlin, a member of Chapter DI, California. Due to the Gustlin’s lifelong interest in promoting musicians’ careers, preference is given to students whose educational emphasis is music.

Lois Corrough Holley Loan Fund, established in 1961 through a bequest of Mrs. Maud H. Corrough of Grinnell, Iowa, in memory of Mrs. Lois Corrough Holley.

Lynn Loan Fund, established in 1959 by J.W. Lynn of Kansas City, Missouri, in memory of his wife, Agnes N. Lynn.

Richard L. Sawyers Loan Fund, established in 1997 through a bequest from Mr. Sawyers of Savannah, Missouri.

Solum Loan Fund, established in 1991 through the trust of Wallace Alden Solum and Gertrude Christine Solum.

Louise Wood Washburn and Velma Wood Young Student Loan Fund, established by William A. Washburn of Waco, Texas, in honor of his wife, Louise Wood Washburn and her sister, Velma Wood Young, both members of Chapter E, Texas.

Faurot T. Weller Loan Fund, established in 2011 through the estate of Sylvester and Faurot T. Weller.
THE FACULTY

Faculty members at Cottey College are selected on the basis of academic preparation, teaching effectiveness, experience in their teaching fields, and commitment to the philosophy of the liberal arts and Cottey. Ninety-two percent possess the doctorate or terminal degree within their field. Dates indicate the year of appointment to the faculty or staff.

**Rusalyyn Andrews**, Professor of Theatre and Speech. Margaret Emily Stoner Professor of Speech and Drama. B.S., Southwest Missouri State University; M.S., Illinois State University; Ph.D., Southern Illinois University at Carbondale. (1997)

**Carmen Bourbon**, Associate Professor of Spanish. B.A., University of Puerto Rico; M.A., Inter American University of Puerto Rico; Ph.D., University of Nebraska at Lincoln. (2007)

**Theresa Burger**, Professor of Physical Education. B.A., M.S., City University of New York Queens College. (1997)

**Jo Byrnes**, Associate Professor of Dance. B.S., Kansas State University; M.F.A., Texas Woman’s University. (2008)

**Laura D. Chaney**, Associate Professor of Theatre. B.S., Texas Woman’s University; M.F.A., Tulane University, Louisiana. (2014)

**Sandra L. Chaney**, Associate Professor of History. B.A., University of Montana; M.A., Ph.D., University of North Carolina at Chapel Hill. (2017)

**Paula Chelminska**, Assistant Professor of International Business. Jeannette and Joseph Head Associate in Business. B.S., M.B.A., Arkansas State University. (2012)

**Carol Clyde Gallagher**, Assistant Professor of Organizational Leadership. B.S., Radford University, Virginia; M.A., Southern Methodist University, Texas; M.Ed., Educational Policy Planning and Leadership, The College of William and Mary, Virginia; Ed.D., Florida Atlantic University. (2014)

**Amanda Cook**, Assistant Professor of Music. B.Mus., University of Missouri-Kansas City Conservatory of Music and Dance; M.Mus., University of Michigan School of Music, Theatre, and Dance; D.M., Indiana University Jacobs School of Music. (2013)

**Wei Cui**, Assistant Professor of Mathematics. B.S., M.S., Guizhou University, China; M.A., Ph.D., The University of Alabama. (2016)

**Ujjaini Das**, Assistant Professor of Geography. B.S., Loreto College, India; M.S., University of Calcutta, India; M.Phil., University Delhi, India; M.A., Ph.D., University of Georgia. (2015)

**Melody Denny**, Assistant Professor of English. B.A., M.A., Northeastern State University, Oklahoma; Ph.D., Oklahoma State University. (2014)

**Jorge Dioses**, Assistant Professor of Mathematics. B.S., Licentiate in Mathematics, Pontifical Catholic University of Peru; Ph.D., Oklahoma State University. (2012)

**Ganga Fernando**, Associate Professor of Chemistry. B.S., University of Sri Jeyawardenepura, Sri Lanka; Ph.D., Southern Illinois University Carbondale. (2008)

**Angela Firkus**, Professor of History. Claire (Clara) Dooner Phillips Professor of Social Science. B.A., M.A., University of Wisconsin at Eau Claire; Ph.D., Purdue University, Indiana. (1999)

**Morgan Frew**, Assistant Professor of Art. B.F.A., Missouri State University; M.F.A., Pratt Institute, New York. (2016)

**Brianne Fulton Miller**, Assistant Professor of Art. A.A., Cottey College; B.F.A., Truman State University, Missouri; M.F.A., Fort Hays State University, Kansas. (2012)

**Amanda L. Gilchrist**, Assistant Professor of Psychology. B.S., Florida State University; M.A., Ph.D., University of Missouri at Columbia. (2013)

**Peter Hyland**, Assistant Professor of Physics and Astronomy. B.S., Case Western Reserve University, Ohio; M.A., Ph.D., University of Wisconsin at Madison. (2014)
Robert L. Jones, Professor of Biology. Eloise M. Cost Professor of Science. B.A., Butler University, Indiana; M.A.T., Ph.D., Indiana University. (1991)

Selena Kohel, Associate Professor of Psychology. B.A., University of Wisconsin at Madison; M.A., New York University; Ph.D., University of Wisconsin at Madison. (2011)

Mary Laughlin, Assistant Professor of English. B.A., College of the Holy Cross, Massachusetts; M.F.A., Minnesota State University; Ph.D., North Dakota State University. (2016)

Jackie Lordo, Assistant Professor of Music. B.Mus., Tennessee Technological University; M.Mus., University of Texas at Austin; Ph.D., University of Missouri. (2016).

Gary Lunkenheimer, Professor of Business and Economics. Sherlock Hibbs Professor of Economics. B.G.S., Wichita State University, Kansas; M.B.A., Emporia State University, Kansas; Ph.D., University of Missouri at Columbia. (2005)

Mary Mba, Assistant Professor of French. B.A., Abia State University, Nigeria; M.A., Kansas State University; Ph.D., University of Kansas. (2016)

Tammy Ogren, Assistant Professor of Business-Management. B.A., University of Northwestern Ohio; B.A., M.B.A., Mid-America Nazarene University, Kansas; Ph.D., Northcentral University, Arizona. (2017)

Chris L. Peterson, Professor of Biology. Iva Corpstein Chair in Science. B.S., M.A., Southwest Missouri State University; Ph.D., University of Missouri at Columbia. (1991)

Kathryn Pivak, Associate Professor of English. B.A., Notre Dame College of Ohio; M.A., Kent State University, Ohio; Ph.D., Duquesne University, Pennsylvania. (2006)

Karen Polon, Professor of Physical Education. B.S., M.A., Kent State University, Ohio. (1993)

Sarah L. Quick, Assistant Professor of Anthropology and Sociology. B.A., University of South Carolina; M.A., University of Missouri at Columbia; Ph.D., Indiana University. (2013)

Brenda Ross, Professor of Chemistry. B.S., University of Nebraska at Lincoln; Ph.D., Yale University, Connecticut. (1996)

Kevin Rouintree, Professor of Philosophy. Virginia Alice Cottey Stockard Professor of Religion and Ethics. B.A., Anderson University, Indiana; M.A., University of Nebraska at Lincoln; Ph.D., University of Texas at Austin. (2001)

Oindrila Roy, Assistant Professor of International Relations and Political Science. B.A., Presidency College, India; M.A., Jadavpur University, India; M.A., Ph.D., Kent State University, Ohio. (2015)

Trisha Stubblefield, Professor of English. Harmon Professor of English. B.M., B.A., Converse College, South Carolina; M.A., Ph.D., University of South Carolina. (2001)

Kathryn Taylor, Associate Professor of Computer Science. B.S., Eastern Kentucky University; M.S., Southern Illinois University at Carbondale. (1999)

Julie Tietz, Professor of Psychology. B.A., Rice University, Texas; M.A., Ph.D., Texas Tech University. (2001)

Elizabeth Verklan, Assistant Professor of Women, Gender, and Sexuality Studies. B.A., University of Illinois at Urbana-Champaign; M.A., Ph.D., University of Arizona. (2017)

Catherine B. Volle, Assistant Professor of Microbiology and Biochemistry. A.B., Mount Holyoke College, Massachusetts; Ph.D., Brown University, Rhode Island. (2015)

Kanji Watanabe, Associate Professor of International Relations and Political Science. B.A., Osaka Kyoiku University, Japan; M.A., Humboldt State University, California; Ph.D., Northern Arizona University. (2008)
COTTEY COLLEGE EMERITI

Anne Bunton, Professor Emerita of Economics and Business. Ph.D., University of Missouri at Columbia. (1979-2005)

Catherine E. Campbell, Professor Emerita of French. Ph.D., University of Missouri at Columbia. (1982-2012)

Rosemary Fowler, Professor Emerita of Chemistry. Ph.D., Texas Woman’s University. (1977-2008)

Mary S. Haggans, Vice President Emerita for Administration and Finance. A.A., Cottey College; B.S., M.B.A., University of Missouri-Columbia. (1982-2013)

Sharon Lansing, Professor Emerita of Psychology. Ph.D., Wayne State University, Michigan. (1987-2001)

Sinan Ozkal, Professor Emeritus of Physics and Astronomy. Ph.D., University of Missouri at Rolla. (1980-2013)

Mark Pearson, Professor Emeritus of Foreign Languages and Film Studies. Ph.D., University of Kansas. (1991-2015)

Judy R. Rogers, President Emerita. B.A., Centre College, Kentucky; M.A., Ph.D., University of North Carolina at Chapel Hill. (2004-2015)

THE ADMINISTRATION

PRESIDENT OF THE COLLEGE

Jann R. Weitzel, President; Professor of Education. B.A., M.A., University of Northern Iowa; M.A., Lindenwood University, Missouri; Ph.D., The University of Iowa. (2015)

Patricia Bobbett, Executive Assistant to the President and Secretary to the Board. (1987)
Becky Penn, Secretary. A.D., Fort Scott Community College, Kansas. (1996)

Nancy D. Kerbs, Director of Assessment and Institutional Research. A.A., Cottey College; B.A., University of California at Berkeley. (1981)

ACADEMIC AFFAIRS

Chioma Ugochukwu, Vice President for Academic Affairs and Dean of the Faculty. B.A., M.A., University of Nigeria, Nsukka; Ph.D., University of Texas at Austin. (2015)

Jill Compton, Assistant Dean for Academic Affairs. B.A., Maryville University; Ph.D., University of Tennessee at Knoxville. (2017)

Adam Dean, Director of Academic Computing. (1997)

Renee Hampton, Career and Transfer Planning Coordinator and Experiential Learning Coordinator. B.S., Missouri State University. (2010)

Denise Hedges, Director of Leadership Development. B.S., Manchester University, Indiana; M.S.L., Stephens College, Missouri. (2007)

Deana Kerbs, Assistant to the Vice President for Academic Affairs. (1981)

Marcia Morton, Registrar. B.M., Friends University, Kansas; M.S.M., Wittenberg University, Ohio. (2008)

Kathleen Day, Public Services Library Assistant. B.S., M.A., Missouri State University. (2017)

Deborah Garten, Library Assistant/Public Services. (2000)

Arlene Good, Staff Secretary. (1992)

Tatiana Jones, Library Technician/Cataloger. M.S., Volgograd Institute of Civil Engineering, Russia. (2008)

ATHLETIC DEPARTMENT

Stephanie Beason, Athletic Director and Head Basketball Coach. A.A., North Central Missouri College; B.S., Fairmont State University, West Virginia; M.S., California University of Pennsylvania. (2014)

Marla Kannady Foreman, Head Volleyball Coach/Administrative Assistant for Basketball and Softball. B.S.E., Missouri Southern State University. (2000)

Mark Skapin, Head Softball Coach, Sports Information Director. B.S., John Caroll University, Ohio. (2016)
**Anthony Skiles**, Head Cross-Country/Track Coach. B.A., Kutztown University; M.S.A., Belhaven University. (2017)

**BUSINESS OFFICE**

**Amy Ruetten**, Vice President for Administration and Finance. B.S., University of Wisconsin at Platteville; M.B.A., Baker University, Kansas. (1996)

**Tina Buckner**, Assistant to the Vice President for Administration and Finance. (1999)

**Neal Swarnes**, Director of Physical Plant and Security. A.A., Fort Scott Community College, Kansas; B.S., Missouri Southern State University. (1977)

**Mark Burger**, Director of Safety, Clery, and Title IX Compliance. (2016).

**Michael Richardson**, Director of Food Service. B.A., University of Colorado. (1993)

**April Mosher**, Dining Services Office Manager. (2015)

**Justin Mays**, Assistant Director of Administrative Computing Services. B.S., Missouri Southern State University. (2001)

**John Shopper**, Service Center Manager. (1985)

**ENROLLMENT MANAGEMENT**

**Stephanie Grgurich**, Assistant Director of Admission. A.A., Cottey College; B.A., Hood College, Maryland. (2011)

**Emma Ehle**, Enrollment Counselor. A.A., Cottey College; B.S., Northwest Missouri State University. (2016)

**Theresa Lee**, Assistant to the Vice President for Enrollment Management. (1998)

**Kelsey Caldwell**, Enrollment Management Assistant. (2016)
INSTITUTIONAL ADVANCEMENT

Sherri Taylor, Vice President for Institutional Advancement, B.A., William Penn University. (2016)

Kristine Anderson Fulton, Assistant Vice President for Institutional Advancement. A.A., Cottey College; B.A., Minnesota State University at Moorhead. (1993)

Staci Keys, Director of Development. B.A., Southeastern Louisiana University. (2016)

Margaret Haverstic, P.E.O. Relations Manager. B.F.A., Ringling School of Art and Design, Florida; M.A., Pittsburg State University, Kansas. (2014)

Christi Fulton Ellis, Coordinator of Alumnae Relations. A.A., Cottey College; B.S., William Woods University, Missouri; M.S., Central Missouri State University. (2016)

Carrie Dreyer, Administrative Secretary. A.A., Cottey College. (1987)

Carol Urner, Office Assistant. (2013)

MARKETING AND STRATEGIC COMMUNICATION

Carla Farmer, Vice President for Marketing and Strategic Communication. B.S., Pittsburg State University, Kansas. (2009)

Steve Reed, Director of Public Information. B.A., Drury College, Missouri. (1992)
